

## Business Chinese Summer Courses at LSE

The Confucius Institute for Business London (CIBL) combines the academic excellence of LSE and Tsinghua University with the business acumen of our five sponsor companies, HSBC, BP, Deloitte, Swire and Standard Chartered.

CIBL has been running one to one and group classes for companies since 2007. Programmes cover six levels, from beginner to advanced level. CIBL has also developed its own unique teaching and learning materials for London Business communities which consist of Chinese Business Culture and London Business Chinese levels one to six.

Besides this students will also receive a tailor-made session relating to contemporary Chinese issues as well as those you may encounter in other fields, such as banking, law or finance. If you are interested in taking a private one-to-one course, you can start at any time. These programs have been developed by professional Chinese teachers at the Confucius Institute. Upon successful completion of the programme, participants will receive a certificate of attendance.
