

PAUL PRESTON

📅 Tue 23 Aug 10:00am - 11:00am 🏠 Baillie Gifford Main Theatre 💎 £12.00, £10.00

THE END OF SPAIN'S REPUBLIC

In 1939, a coup was launched against Spain's government as part of the Republican Army revolt against its own leaders. Thus began the end of the Spanish Civil War, to be followed by a period when Franco's forces would wreak havoc and kill thousands. The leading historian of 20th century Spain, Paul Preston, recounts this shocking story in English for the first time. Chaired by Allan Little.
