## Download the Student Hub App before you arrive on campus

The Student Hub is LSE's app, designed to help you navigate your day-to-day life at LSE.

You can download the Student Hub from 15 August to start connecting with your department and coursemates, and get information to help you familiarise yourself with everything that LSE has to offer. You must accept your offer in order to be able to download the app.

With the Student Hub, you can view your timetable and upcoming deadlines, find your way around campus and keep up to date with news and events from your Department and the wider School.

You can also book appointments with academics or support services, and create groups with friends to carry on the conversation outside of class. Download the Student Hub app on iOS or Android, or access the web app at [studenthub.lse.ac.uk](http://studenthub.lse.ac.uk)
