Your Programme

We would just like to correct an error which was sent out in our March newsletter – the correct week we advise you to arrive in London is the **week beginning 23 September** as you will register on the 25 September, and **not** the week beginning 26 August

The date in August was included by mistake, as it refers to students on a different programme. We apologise for any confusion this may have caused – please don't hesitate to get in touch if you have any queries.

We've put together some useful information about your programme which can be found in the [MSc Economics \(2 year\) welcome booklet](#) available from our MSc offer holders [webpage](#). Do take some time to read the information there. If you have any questions email us at econ.msc@lse.ac.uk.

Our Graduate Admissions Manager, MSc Programmes Manager and MSc Tutor will be available to answer your questions on 12 June 2019 1-2pm BST on our [Facebook group feed](#). Do make sure you join the group (remember you need to accept your offer first). Questions can be posted on the group or directly to econ.msc@lse.ac.uk by 10 June 2019.

If you're curious to know what it's like to be on the MSc Economics (2 year) programme, watch MSc Economics (2 year) student, Andrea, on our [Instagram stories](#).

ECB Women in Economics Scholarship: The ECB are offering grants, of €10,000 each, to five female economics students. Find out more [here](#).
