Professor
Jean Tirole

University of Toulouse and MIT

Professor Jean Tirole is one of the world's most eminent economists working in the fields of industrial organisation, game theory, banking and finance, and economics and psychology. He is director of the Fondation Jean-Jacques Laffont – Toulouse School of Economics, scientific director of the Institut d'économie industrielle in Toulouse and a visiting professor at MIT.

This is the third annual Coase-Phillips Lecture, hosted jointly by *Economica* and the Department of Economics.

Date: **Thursday 19 February 2009**

Venue: **Old Theatre, Main Building, Houghton Street**

Time: **6.30-8pm**

Chair: **Professor John Sutton**
