Greece: Taking Stock; Economic and Financial Changes Since the Onset of the Global and Euro Area Crises

PROFESSOR ELENI LOURI-DENDRINO

Professor, Athens University of Economics and Business;
Former Deputy Governor, Bank of Greece

Tuesday, 14 October 2014
18.30-20.00

ABSTRACT:

Professor Eleni Louri - Dendrino's talk will focus on a number of issues, starting with the roots of the crisis and the developments and shortfalls of the first and second adjustment programmes. She will discuss the Bank of Greece's strategy, its next steps and the stabilisation of the Greek banking system - from repairing banks to financing the economy.
