

➤ Presentation of Papers

- ✓ The 'Final Presentation' is a summary of the 'Paper' which you will present during the PhD Symposium panel sessions on **1 July 2017**.
- ✓ The 'Final Presentation' should be in either PowerPoint (PPT) or PDF format and be submitted by **12 June 2017**.
- ✓ The purpose of the panel sessions is to allow each student to present their research in a summary format to their peers and thus allow an exchange of ideas and interaction both with the panel chairs, who will be knowledgeable in their area of research, and others attending the session.
- ✓ The presentation should last no longer than **10-15 minutes**.
