production in London
HEIF 5

Accelerating Housing Production in London: Housing Zones
Wednesday February 10th, 4.30 – 6 pm at LSE
NAB 8.01 LSE

Agenda

Chair: Nancy Holman

- 4.15 Refreshments/registration
- 4.30 Introduction by chair: Issues around Housing Zones in accelerating housing development in London
- 4.40 - 5.55 Discussion around the following questions
- How do the zones speed up development?
 - What factors prevented these sites from coming forward without funding?
 - Do the homes built actually represent additional units?
 - Does their special status allow more affordable units to be built?
 - Will the partnerships created be sustainable post funding?
- 5.55 Conclusions: Chair
- 6.00 Quick drink for those who can stay.
