

## ***Beyond Tolerance: Citizenship, Diversity, Constructive Conflict***

**Scott Weber**  
***Director-General of Interpeace***

Scott M. Weber is Director-General of **Interpeace**, an independent, international peacebuilding organisation and a strategic partner of the United Nations.

Headquartered in Geneva, Switzerland and with over 300 peacebuilders in 22 conflict zones around the world, Interpeace is helping societies prevent violent conflict and civil war in Africa, Asia, Europe, Latin America and the Middle East. As Director-General, Weber has provided strategic direction to the organisation, expanding its operational presence, partnerships and budget.

Prior to joining Interpeace, Weber worked in the UN, first in disaster reduction and then in political affairs. He is French and American and lives in France with his wife and two children.
