Welcome

Welcome to LSE, particularly to our new students.

The School is committed to providing a high quality campus for students, staff and visitors. We are in the midst of a huge investment programme to create better facilities for LSE. The Centre Buildings Redevelopment project is well underway, and when complete in early 2019 it will provide first class teaching, learning and faculty spaces as well as new catering and event facilities.

We will also commence the development of the Marshall Building on Lincoln’s Inn Fields in Michaelmas Term so we will have a few very busy years ahead of us.

This guide has been designed to help you find your way around campus and help you get the most out of the facilities the School has to offer.

For more information, regular updates and new features visit: lse.ac.uk/facilitiesguide

We are continually striving to provide excellent services and would encourage you to help us improve this further by giving us your feedback. See the back cover for details of our “Don’t Walk Past” campaign, which encourages students to report any faults.

We do hope you enjoy your time at LSE.

With best wishes.

Allan Blair
Director of Facilities Management

### ROOM NUMBERING

Room numbers when shown on timetables or in publications indicate the building, the floor and the room. When on a door sign within a building only the floor and room are shown. Basement floors begin with B, ground with G, first with 1 and so on. Room numbers start with .01 and run sequentially through the floor, so first floor rooms would run 1.01, 1.02, 1.03.

Please check carefully when accessing rooms in 32L – eg, 32L.G.10 is a ground floor room, not lower ground.

### REPORTING FAULTS AND DEFECTS ON CAMPUS

The Help Desk aim is to ensure that faults are attended to promptly, in order to do this we need to know about them.

If you see a fault or defect with any facility on campus please report it by calling 020 7955 7956 or Ext. 7956

For emergencies call: 020 7831 8713 or Ext.2444

Campus developments and getting around

We are in the midst of a huge investment programme to create better facilities for LSE students. The Centre Buildings Redevelopment is gathering momentum and we are progressing with the demolition of the old CRUK building at 44 Lincoln’s Inn Fields, before construction on the new Marshall Building begins. There are other non-LSE developments using the Portugal Street / Lincoln’s Inn Fields route for their construction traffic, making areas of the campus very busy and potentially dangerous for pedestrians.

To ensure the safety of all campus users during the development it is necessary to change/close pedestrian routes from time to time. Please take care when moving around campus, stick to the designated crossing areas, cross roads safely before checking your Facebook page!

15 September 2017 will see the closure of the Portugal Street entrance to 32 Lincoln’s Inn Fields, building users should use the entrance on Lincoln’s Inn Fields. Estates are working hard to ensure that inconvenience is kept to a minimum. Please do look at the map opposite, which details safe pedestrian routes around campus while this route is closed.

We are a world class university and the developments will provide new buildings and public spaces which will vastly improve the student experience, serving LSE well into the next century. The sustainable designs will complement and enhance our surroundings while still being uniquely identifiable as LSE.

We will keep you updated as the projects develop via Student news.
Pedestrian access during campus redevelopment

All buildings have wheelchair access and lifts, except 5LF, 50L, 95A, KGS, KSW*, POR*, and SHF.

*KSW 20 Kingsway (Language Centre only)
*POR 1 Portsmouth Street (Shop only)

CENTRE BUILDINGS (CBR)
The £125m Centre Buildings Redevelopment project, which is set to be completed in early 2019, will dramatically enhance the learning and research environment for our staff and students.

The development involves the construction of a six storey and thirteen storey tower, linked by a dramatic atrium space and incorporating lecture theatres, study areas, academic staff offices, a café/learning commons and a series of landscaped roof terraces.

A central feature of the redevelopment, designed by renowned architects Roger Stirk Harbour + Partners, is the creation of a new landscaped central plaza, enhancing public as well as academic space.

For more information on the project and how it will affect you please visit lse.ac.uk/centrebuildings

THE MARSHALL BUILDING (MAR)
The next major development project for the School at 44 Lincoln’s Inn Fields has commenced. Demolition works will continue until mid-2018, with project completion planned for early 2021. The £140m building will house various academic departments. The Marshall Institute for Philanthropy and Social Entrepreneurship; teaching and learning hub; sports centre with multipurpose sports hall, squash courts and dynamic weights room; arts rehearsal facilities; café; support and ancillary services.

For more information on the project and how it will affect you please visit lse.ac.uk/44lif
The main School reception in the Old Building is staffed 24 hours per day.

**ACCIDENTS**

Students should report all accidents, incidents or near misses on campus to Security or the administrators in their Departments. If you require an ambulance, call Security on 666 (from internal phone) or 020 7955 6555.
BIKE SAFETY

The School provides secure bike storage, for day use only, in the basement of the Towers and New Academic Building. These are free to use and you can gain access with your LSE Student card. Other options are the numerous bike racks around the campus. It is advisable to use either a gold rated “Soldsecure” endorsed padlock and chain or “D” locks. Take a note of your bike’s serial number (usually found on the underside of your bike frame) and look out for the free bike security marking by the police, and mechanical checks during the School term.

CASH MACHINES (ATMS)

When on Campus use the cash machines situated inside the NatWest bank on the corner of Houghton Street and Aldwych or Santander in Kings Chambers, Portugal Street. Stay with friends: especially when walking at night or stopping to get money from a cash machine. If anyone approaches you when you are using a cash machine do not be distracted; immediately cancel your transaction, remove your card and walkaway – notify campus Security or Police.

FIRE PROCEDURES

On hearing the fire alarm signal, all persons must leave the building they are in promptly and make their way to the appropriate assembly point for that building. Note: in the Towers, NAB and SAW there is an additional signal for occupants to prepare to evacuate. If you hear this signal, you should wait for the full alarm before leaving. People should not attempt to re-enter the building until they have been directed by a member of Security staff that it is safe to do so.

Anyone who has a disability or medical condition (whether temporary or permanent) that could affect their ability to respond to a fire alarm and leave a building using staircases should contact the Health and Safety Team so that a personal emergency evacuation plan can be developed for them.

FIRE ALARM TESTING SCHEDULE

To find out when to expect the fire alarm testing in your building please check the schedule. A link to this can be found on the useful links page: lse.ac.uk/facilitiesguide/usefullinks

FIRST-AID

In an emergency Security should be contacted by using an internal telephone and dialling 666 (020 7955 6555 from an external phone or mobile), and they will then call an ambulance. If you call the emergency services directly by dialling 999 or 112, you must let Security know so that they can direct the ambulance crew to the correct location.
There are six defibrillators on campus located at the receptions in OLD, NAB, TW1, 32L, LRB and SAW (SU Gym).

**LAPTOP SAFETY**

If you are going out for a drink, don’t take your laptop with you. Use the secure laptop storage room OLD G.15. LSE Security offers FREE – DNA Laptop Marking. This is a proven deterrent against any would-be thief and details are held on a secure database. Use tracking software on your laptop. There are free applications that you can download from Internet. We recommend: [preyproject.com](http://preyproject.com)

**LIBRARY**

LSE Library is safe working environment but you must look after your personal belongings when working there. **Never leave your belongings unattended, even for a short period of time.**

**LIFTS**

Do not use lifts if the fire alarm sounds, unless directed by Security. Do not overload lifts. Information on what to do if the lift breaks down is displayed in the lift. Some buildings are served by platform lifts. If you observe a fault with a lift please report it to Estates Help Desk Ext. 2444.

**LOCKERS**

Lockers are located in SAW for gym users within the changing room areas on the fourth floor, along with lockers and changing facilities for those wishing to cycle to work. Lockers are also located on the second floor, they are allocated on a first come, first served basis against a £15 deposit for the academic year by the SU reception desk on third floor.

A user friendly and fully access controlled locker room facility with 1000 locker units is situated in the basement of the Old Building B.24, access by LSE Staff or Student ID card only. These are allocated on a first come, first served basis. Padlocks to secure the lockers can be purchased from the SU Shop. You can also find coin operated (£1) lockers in the Old Building basement. These are for short term use only.

The School provides secure laptop lockers. These lockers are located in G.15 on the ground floor of Old Building. For directions please speak to the staff on duty at Old Building reception desk. There is no charge for the use of this facility and all you require to enter the room and operate the locker is a valid LSE campus (ID) card.

Library book lockers are available for LSE students to hire from the start of the academic session, the application process will be advertised at the start of term.
For general enquiries about book lockers please check the LSE Library website or email: library.locker.enquiries@lse.ac.uk

PROPERTY LOST AND FOUND
Lost and found property is handled by LSE Security and the first point of call is the Old Building reception. The Property Office is located in the basement of Old Building in room OLD B.23 and opening times are Monday – Friday 2pm – 4pm.

Remember this is an open campus.
The School is one of the few institutions in central London to maintain an open campus policy. This means that throughout the day many School buildings are open. This provides a free and collegiate atmosphere that many in the School enjoy. We are keen that you enjoy this too, but always bear in mind that the School is a public place and cannot be treated as your home. You would not leave your valuables unattended on a park bench and you should not leave them unattended in the Library, the Garrick or any other public area of the School.

SMOKING POLICY
Smoking (which includes electronic and herbal cigarettes) is prohibited inside all buildings on campus, all LSE halls of residence, including residents’ rooms and any other building or facility managed by the School. The prohibition extends to building entrances, including doorways, steps and ramps and external fire escape stairways and escape routes. (Ashbins are positioned just outside the entrance to buildings, these are provided so that smokers can dispose of their cigarette materials before they enter the building, not for people to smoke at the entrances of buildings.)

Smoking is only permitted on open roof terraces where permanent seating is provided (OLD and SAW). Smokers using these roof terraces must not smoke within one metre of open windows or doors to prevent smoke permeating into smoke-free areas. Smokers must ensure that all smoking materials are extinguished and placed in the ashbin before re-entering the building. To view the full policy visit: lse.ac.uk/intranet/LSEServices/policies/pdfs/school/polOnSmo.pdf

Cleaning and servicing on campus

Cleaning takes place weekdays between 6am-8.30 am as per the building schedule, lse.ac.uk/intranet/LSEServices/estatesDivision/HelpdeskAndServices/cleaning/Home.aspx

Buildings with teaching facilities have janitorial provision between 9am-10pm, while administrative buildings 9am-5pm. If you see a spillage or any potential slip hazard please report it to Estates Helpdesk Ext. 2444.

We politely ask you to be considerate to your fellow students and avoid the consumption of food and drink in the lecture theatres.

WEEKEND CLEANING AND JANITORIAL SERVICING

The Library and SAW are cleaned routinely and serviced throughout the day at the weekends.

Waste and recycling

The School has a “Zero Waste to Landfill” policy: This is achieved by working together to Reduce, Reuse, Recycle.

RECYCLING

Everyone is responsible for separating their own waste into the correct bin. Individual desk bins will not be emptied by the cleaners.

Bin clusters are located around campus, in shared areas in halls of residence, and kitchen areas in offices.

If in doubt, put it in the mixed recycling.

Compost – BROWN
• All food:
  – Teabags and coffee grounds
  – Fruit and veg
  – Meat
• Soiled tissue paper
• Wooden stirrers.

Cardboard boxes
Flatten and leave folded by bins.

Paper – BLUE
• All paper
• Envelopes
• Thin card.

Mixed recycling – GREEN
(The “default” bin)
• Plastic
• Metal
• Glass
• Paper (including paper cups)
• Juice cartons
• Drain liquids into the sink.

Rule of thumb: if you can tip your food container upside down and nothing falls out, it’s clean enough for the recycling bin.

Non-recyclables – GREY (The “last resort” bin)
• Crisp packets and sweet wrappers
• Polystyrene
• Gum.

To report any issues with waste collection, please contact the Facilities Helpdesk on ext 2444, or complete a service request form.

SPECIAL RECYCLING

There are points on campus to recycle batteries, mobile phones CDs and DVDs, Waste Electrical and Electronic Equipment (WEEE) and stamps. See locations on the campus map or contact the Sustainability Team for more information. Please contact LSE Porters to arrange collection of toner, laserjet and inkjet cartridges by emailing: estates.porters@lse.ac.uk
REUSE
Personal items for reuse should be taken to charities of your choice and not disposed of on campus, with the exception of textiles and shoes.

TEXTILES
Donate your unwanted clothing and shoes to charity by using the textile bin in the Saw Swee Hock Student Centre (1st floor).

BOOKS
LSE runs a charity book donation scheme. To give books please arrange collection by emailing: estates.porters@lse.ac.uk

HALLS OF RESIDENCE
All LSE-managed halls of residence have collection points for unwanted reusable items, known as “Relove” points.

“Reloved’ items are either donated to charity. Accepted items are clothes, shoes and bedding (not duvets) books and stationery, kitchen equipment (cutlery accepted but no sharps), furniture, toiletries and cleaning products.

GET INVOLVED IN SUSTAINABLE LSE

WALKING
The easiest and cheapest way to get to know London and move between the LSE campus and halls of residence is walking. For simple directions from each LSE hall to the campus visit: lse.ac.uk/accommodation

PUBLIC TRANSPORT
Full information on any form of public transport throughout London and a journey planner service for walking, cycling, underground, buses and trains can be found on the Transport for London (TFL) website: tfl.gov.uk

The following London Underground (tube) stations are near the LSE campus: Holborn (Central Line and Piccadilly Line), Covent Garden (Piccadilly Line), Temple (Circle Line and District Line), Leicester Square (Northern Line), Charing Cross (Bakerloo Line), Waterloo (Jubilee Line) and Farringdon (Metropolitan Line and Hammersmith and City Line).

Buses that stop on or near the Aldwych are numbers: 1, 4, 6, 9, 11, 13, 15, 23, 26, 59, 68, X68, 76, 77a, 91, 139, 168, 171, 172, 176, 188, 243, 341 and 521. Each bus stop should show which buses stop there and their frequency. On the front of the bus the final destination will be given. It may also show the names of the main stops on its route.

The closest mainline rail stations to the LSE campus are as follows:

- Waterloo – on the other side of the river from the Strand over Waterloo Bridge. Approximately 10–15 minutes walk. Trains to and from the south coast and south west of England.

- Charing Cross – on the Trafalgar Square end of the Strand. Approximately a 10 minute walk. Trains mainly to south east London and into Kent.

- City Thameslink – on Ludgate Hill at the end of Fleet Street. Approximately 10-15 minutes walk. Trains to Brighton (inc. Gatwick airport) and Bedford (inc Luton airport).

- Blackfriars – on the Embankment near Blackfriars Bridge. Approximately 10-15 minutes walk. Trains mainly to south London and south east England, but also the First Capital Connect line through north London.

- Euston – on the Euston Road, close to the northern end of Tottenham Court Road. Approximately 30 minutes walk. Trains to the north of England.

Transport and facilities for cyclists
• **King’s Cross** – on the Euston Road, close to the British Library. Approximately 30 minutes walk. Trains to the north of England and to Scotland.

• **St Pancras International** – on the Euston Road, close to King’s Cross station. Approximately 30 minutes walk. Serves the Eurostar and trains to the Midlands.

• **Liverpool Street** – past St Paul’s Cathedral and the Bank of England from the end of Fleet Street. It is quite a long walk to Liverpool Street Station so we recommend using public transport to get there. Trains to Stansted Airport and Southend Airport.

### ELECTRIC RECHARGING POINT

Anyone with an electric vehicle can use the recharging points on Lincoln’s Inn Fields and Sardinia Street (No 5 on the map). To find out more visit: [sourcelondon.net/](http://sourcelondon.net/)

### LONDON CYCLE HIRE SCHEME

This is a public bicycle sharing scheme for short journeys in and around central London. There are three cycle hire stations on the campus: Houghton Street, Sardinia Street and Portugal Street. The bicycles are available 24 hours a day, all year round. There is no need to book and access to the bikes is self-service, so just turn up and go whenever you get the urge. The first 30 minutes of each journey are free. For more information about the scheme, hire/access fees and usage charges see the website: [tfl.gov.uk/modes/cycling/santander-cycles](http://tfl.gov.uk/modes/cycling/santander-cycles)

### BIKE MAINTENANCE STATIONS

Bike maintenance stations are available for LSE students to fix their own bikes on campus. They contain secured bike tools and a pump, as well as a stand to support the bike for easy repairs. All repairs you make to your bike are at your own risk – so make sure you don’t lose any of those little screws!

There are two bike maintenance stations, located in the secure cycle storage areas in the NAB basement, and the Towers basement.

The bike maintenance stations were financed through the LSE Sustainable Projects Fund and were the brainchild of LSE student Oliver Lyasght, a keen cyclist.

Bike pumps can also be found outside the Library and SAW for your convenience.
On the campus there are 384 open access and 104 indoor cycle parking spaces with access restricted to LSE students and staff only. These facilities are monitored by the LSE Security CCTV. Please call Security on 020 7955 6200 should you need assistance. All LSE halls of residence also have cycle parking facilities.

Social and green spaces

The LSE campus offers many areas of communal space for meeting and socialising, and is within close walking distance of some of the most attractive green space in central London.

In addition to the surrounding green space we are also ‘greening’ the campus by enhancing the biodiversity value of the urban environment. We have installed a sedum roof on the 5th floor of SAW, 6th floor of St Clements and another on top of the Plaza café plus a brown roof on Connaught House, a green wall on the Old Building and planters with nectar rich plants to support the LSE bees on the roof of St Clements West.

We have three resident beehives and a roof top garden managed by the Roof Top Garden Group. To find out more visit: lse.ac.uk/sustainablelse

DEPARTMENTAL COMMON ROOMS

Some academic departments and research centres offer their students common rooms and study space. Please check with your department/centre manager to see if any space has been allocated for this by your department or research centre.

ESCAPE SOCIAL SPACE IN THE LIBRARY

This social space in the Library foyer is ideal for relaxing, eating and chatting on your mobile during breaks from studying.

JOHN WATKINS PLAZA

In front of the main entrance to the LSE Library is John Watkins Plaza, which is an excellent meeting point as it is one of the most spacious areas on campus. It also has ample seating and its own café with a green roof!

32 LINCOLN’S INN FIELDS

There are a number of break out spaces located throughout the basement, lower ground and ground floors which can be used by students to work or meet socially and relax. There is a PGR common room on the lower ground floor (LSE swipe card access).

LINCOLN’S INN FIELDS

Adjacent to the LSE campus is Lincoln’s Inn Fields. Numerous park benches and open lawn space make this one of the best places for relaxing near campus and a lovely place for quiet study under a tree.
LINCOLN’S INN PRIVATE GARDENS

By courtesy of the Masters of the Bench this secluded garden is open to the public Monday – Friday from 12 noon – 2.30pm. The main entrance to the garden can be found at the south east corner of Lincoln’s Inn Fields.

LSE ROOF TERRACES

In addition to the roof terraces on Saw Swee Hock Student Centre and the New Academic Building, good weather and roof-top views across London can also be enjoyed from the 4th floor of the Old Building and the 6th floor (Shaw Library).

MUSIC PRACTICE ROOMS

The Music Practice Room adjoining the Shaw Library contains various musical instruments for students and staff to use, a second room is situated in the basement of Lincoln’s Chambers (LCH B.03) but is not accessible by lift. To use either room you need to be a member of the LSE SU Music Society.

NEW ACADEMIC BUILDING COMMUNAL AREAS

The New Academic Building offers several high quality spaces for social interaction. More soft seating can be found in the lower ground lobby. The 8th floor pavilion and roof terrace with biodiversity planting are also available when not reserved for meetings/private functions.

PEACOCK THEATRE

Sadler’s Wells Theatre organises most of the shows and events that are held at the Peacock Theatre, which in recent years have featured some of the most popular alternative shows in London. LSE students are eligible, subject to availability, to purchase up to two tickets per show from a limited number of £8 tickets at the rear of the stalls for all shows – but book early to avoid disappointment! Alternatively, if you decide to take in a show on the spur of the moment students can purchase the best available seats from £17.50, up to an hour before a show starts (one per person) – subject to availability and on production of your student ID.

PHD ACADEMY

Located on 4th floor of the Library, the space includes a kitchenette, informal meeting and seating areas with a teaching/seminar room. Two silent rooms with the capacity of 144 seating, a group study area with 51 seats and an informal study area within the atrium.

SAW SWEE HOCK STUDENT CENTRE

Home to the Students’ Union and other services such as the School’s Careers Service, as well as space for societies, media rooms and social areas.
The Activities Resource Centre (ARC) on the first floor is the hub for sports clubs and student societies, providing facilities for them as well as for individuals looking to join, set up or develop activities of their own. The media centre, also situated on the second floor, brings together all SU media into one space including The Beaver, Pulse Radio, LooSE TV and Clare Market Review.

**LSE FAITH CENTRE**

The Faith Centre, situated on the second floor, has an interfaith social space, male and female Islamic prayer rooms, a multi-faith prayer room and a Chapel. The centre is open everyday from 8:30am to 9pm.

**THE SHAW LIBRARY (LSE FOUNDERS’ ROOM)**

Located on the 6th floor of the Old Building, this is a comfortably furnished common room and library for all members of the School. It has a pleasant ambience and is a haven of retreat for many (although it is not intended for serious study by students). The Shaw Library is regularly used for School functions.

The stock can be borrowed by LSE staff and students: up to four items may be loaned for up to three weeks. Newspapers and serials are available for reading in the Library. It is also the venue of the School’s long standing free lunchtime recitals and concerts series. The School has its own orchestra and choir: both are conducted by professional musicians, rehearse weekly and give public performances at the end of the Michaelmas and Lent terms.

If you have any questions about the book collection in the Shaw Library, please email: Library.enquiries@lse.ac.uk

**Planning and Booking Events**

**ROOM BOOKINGS**

LSE Students’ Union societies are given the ability to book LSE rooms for their events; however, room booking privileges are limited to up to three nominated officers of the society. Societies are only able to book rooms once they have elected their officers for the current academic year, have submitted their society registration form to the Students’ Union, completed the room booking agreement form. Nominated officers can request rooms via the Resource Booker app once they have successfully completed an on-line training module. Societies are entitled to one AGM room booking per year. Catering for society events may be arranged through LSE Catering, but orders must be placed via the Students’ Union staff. Classrooms should not be booked for physical activities such as dance rehearsal or exercise classes, the Students’ Union staff have a block booking of rooms more appropriate for these activities, so they should be contacted directly.

Except for the Music Practice Room, individual LSE students cannot make room bookings. If individual students want to make room bookings for an academic purpose they need to approach a member of staff in their department and request they make the booking on their behalf.

**EVENTS IN SAW**

The Students’ Union is responsible for room bookings in the Saw Swee Hock Student Centre. The basement social space “The Venue” holds up to 820 people; The Three Tuns pub can welcome 250 people, the first floor Denning Learning Café has seating for 150 and the 6th floor Weston Café can accommodate 30. The spaces can be booked for events by students, societies, LSE staff and external hirers. For all event enquiries in SAW please contact su.ssh.events@lse.ac.uk

Spaces in SAW can also be booked by students/societies for practices and rehearsals. For all practice/rehearsal enquiries contact Ali Abas – a.abas@lse.ac.uk (for the Activities Studio) or su.ssh.events@lse.ac.uk (for the Venue).

**POSTER POLICY**

There are notice boards in the main entrances of most campus buildings and departments/research centres. Use of these notice boards should be sanctioned by the relevant Students’ Union societies/academic department/research centre and posters must be securely fastened to boards to prevent fire spread. We are trying to prevent fly posting to keep the campus tidy and therefore
will remove posters not displayed in approved areas. With agreement of the Director of Facilities Management (a.blair1@lse.ac.uk) exemption can be given in the case of way-finding posters for School events eg, LSE Open Day, visit days etc. All posters should include the LSE logo and a box stating the duration of display for the poster – max one month. Those failing to meet these requirements will be removed.

OFF CAMPUS EVENTS

Are you arranging an event for LSE students or your society? Why not consider hosting it at the LSE Sportsground at Berrylands? It is only a 22 minute train journey from Waterloo. Set in 9.5 hectares of countryside, the pavilion boasts a dining hall and kitchen with balcony and veranda. Perfect for team building and fund raising events with a sporting theme (external catering can be arranged).

For more information visit lse.ac.uk/intranet/LSESocial/sportsground/Home.aspx call 020 8942 1229 or email: sportsground@lse.ac.uk to discuss your requirements.
