**SCHEME FOR THE AWARD OF A TAUGHT MASTERS DEGREE: PROGRAMMES
 COMPRISING COURSES TO THE VALUE OF EIGHT UNITS FOR STUDENTS ENTERING IN
 OR AFTER THE ACADEMIC YEAR 2008/09 UP TO AND INCLUDING THE ACADEMIC YEAR
 2010/11**

This classification scheme is approved by the Graduate School Board of Examiners. Last updated: June 2015

This scheme should be read in conjunction with the General Academic Regulations, Regulations for Taught Masters Degrees, the relevant Taught Masters degree programme regulations, the relevant online Taught Masters course guides and the Code of Good Practice for Taught Masters Programmes: Teaching, Learning and Assessment.

1. Mark and Grade for a Course:

- 1.1 The examiners for each course will decide a numerical mark for each student using the following scale:

Grade	Mark
Distinction	70 - 100
Merit	60 - 69
Pass	50 - 59
Fail	(x+1) - 49
Bad Fail	0 - x

Each Department, Institute and Group shall specify the value of **x** as 19, 29 or 39 for all its courses, and this shall be clearly published in the School Calendar and in departmental student handbooks.

- 1.2 The grade of Bad Fail will be used internally to indicate when a fail cannot be compensated and, therefore, must be re-attempted. It will not appear on official transcripts.

2. Eligibility for Award

- 2.1 In order to be considered for a degree, a student must have completed all elements of assessment required for the course as listed in the corresponding programme regulations.
- 2.2 A student who makes no serious attempt at any element of summative assessment for a course, as set out in paragraph 33 of the General Academic Regulations, will be considered not to have completed the course. Moreover, the absence of a serious attempt will count as one of the attempts allowed for the course unless it is authorised by the Chair of the Sub-Board of Examiners responsible for the programme, in accordance with section 10 of the Regulations for Taught Masters Degrees.
- 2.3 A student will not be recommended for the award of a degree if s/he has failed courses to the value of one or more units, subject to the penalty rules for failed courses in section 3.2 or, if in the judgement of the examiners, the fail is a direct result of medical and / or exceptional circumstances in accordance with section 10 of the Regulations for Taught Masters Degrees.

3. Calculation of the Award

- 3.1 The Sub-Board of examiners can designate a full-unit course (or equivalent) as being critical to assessment for a programme and establish a 'local rule' whereby it will be given special consideration in the awarding of the degree: for example, a degree cannot be awarded unless the designated course has been passed or the award classification cannot be higher than the result awarded in the designated course.¹
- 3.2 Where a student receives a Fail mark in any course, the following penalty rules shall apply:
- 3.2.1. A Bad Fail mark in any course of any unit value will result in an overall Fail for the degree.
- 3.2.2. A Fail (but not a Bad Fail) in a course(s) of 1.0 unit value does not require compensation.
- 3.2.3. A Fail (but not a Bad Fail) in courses to the value of 2.0 units will result in an overall Fail unless compensated either:
- (i) by a mark of at least 60% in courses of an equivalent value. For the avoidance of doubt, a mark of at least 60% is required in each course providing compensation.

- (ii) by a compensation aggregate mark of 330 in the non-failed courses.

If compensated, a Fail shall result in a drop in the overall award classification where a Distinction or Merit would otherwise have been awarded. It shall have no further impact where a Pass is to be awarded.

A Fail (but not a Bad Fail) in a course(s) of more than 2.0 units will result in an overall Fail for the degree.

- 3.3 The overall classification of an award shall, subject to the penalty rules for failed courses in section 3.2 above, be calculated on the basis of the best marks in courses to the value of 4.0 units from each year of the programme² as follows:

- 3.3.1. For a Distinction:

- (a) marks of a Distinction grade in courses to the value of 6.0 units or more;
- (b) marks of a Distinction grade in courses to the value of 5.0 units and marks of a Merit grade in courses to the value of 2.0 units.

- 3.3.2. Either a Distinction (if no failed course) or a Merit according to the 'local rules' of the Sub-Board¹

- (c) marks of a Distinction grade in courses to the value of 5.0 units and a mark of a Merit grade in a course of 1.0 unit value;
- (d) marks of a Distinction grade in courses to the value of 4.0 units and marks of a Merit grade in courses to the value of at least 2.0 units and an overall Distinction aggregate mark of at least 520

- 3.3.3. For a Merit:

- (e) marks of a Distinction grade in courses to the value of at least 4.0 units;
- (f) marks of a Merit grade (or higher) in courses to the value of 6.0 units or more;
- (g) a mark of a Distinction grade in a course of 1.0 unit value and marks of a Merit grade in courses to the value of 4.0 units.

- 3.3.4. Either a Merit (if no failed course) or a Pass according to the 'local rules' of the Sub-Board¹

- (h) marks of a Merit grade in courses to the value of 5.0 units;
- (i) marks of a Distinction grade in courses to the value of 2.0 units and marks of a Merit grade in courses to the value of 2.0 units.

- 3.3.5. For a Pass

- (j) marks of at least a Pass grade in courses to the value of 7.0 units;
- (k) marks of at least a Pass grade in courses to the value of 6.0 units with compensation for the failed unit(s).

4. Failure to Achieve an Award

- 4.1 If a student has not been awarded a degree, s/he shall normally be entitled to repeat the failed courses only (on one occasion) and at the next normal opportunity, in accordance with paragraph 30 of the General Academic Regulations.
- 4.2 If a student has met the requirements for the award of a degree having repeated failed courses, s/he can only be recommended for the award of a Pass degree unless, in the judgement of the examiners, the initial failure(s) was at least in part a direct result of medical and / or exceptional circumstances, subject to the provisions of section 5.

5. General Proviso

It is also open to a Sub-Board of Examiners to recommend to the Graduate School Board of Examiners any departure from this Scheme and / or from its 'local rules' if, in their judgement, this would be equitable for any individual student as a direct result of medical and / or exceptional circumstances. Such circumstances would need to be extraneous to the normal assessment process and would apply to that student only. The following conditions also apply:

- 5.1 That the student is very close to the next higher classification boundary (within 3 marks in a single paper or 5 marks on aggregate);
- 5.2 that the student has marks in the higher classification range;
- 5.3 that the student has demonstrated that the assessment or set of assessments were significantly and negatively affected by exceptional circumstances that were sudden, unforeseen, out of the student's own control and proximate to the assessment(s) in question;
- 5.4 that the student has demonstrated that his / her performance in the affected assessment(s) was significantly out of line with his / her performance in other, unaffected assessments.

Footnotes

¹Each Sub-Board of Examiners shall establish clear 'local rules' about: (i) what special consideration will be given to any course designated as 'critical to assessment' and (ii) when and how the overall classification of an award will be determined where two options are available. Each Sub-Board will also ensure its 'local rules' are published in the relevant departmental student handbook(s). The Academic Registrar's Division will also maintain an authoritative central website about 'local rules'.

²The results achieved by students at LSE MPA partner institutions will be converted into LSE grades in accordance with an established formula agreed by both institutions.

SUPPLEMENTARY CRITERIA FOR PROGRESSION FROM THE FIRST TO THE SECOND YEAR OF THE MPA DEGREE

LSE only MPA degree

A student registered on the LSE MPA degree who has completed the first year at LSE and who has passed assessments in courses to the value of 4 units will be eligible to progress to the second year of the degree. The School may consider an application to progress to the second year of the degree from a student who has not met this requirement.

A student shall normally be entitled to repeat any failed courses only (on one occasion), in accordance with paragraph 30 of the General Academic Regulations. The Repeat Teaching Panel may consider an application for repeat tuition in any failed courses from a student. Results obtained following a repeated attempt at assessment shall bear their normal value.

A student who has completed year one and is unable to complete year two of the programme will not receive an interim award.

The dual MPA degree

A student registered on the Dual MPA degree who has completed the first year at LSE and who has passed assessments in courses to the value of 4 units will be eligible to progress to the second year of the degree at the partner institution.

A student registered on the Dual MPA degree who has successfully completed the first year at an LSE MPA partner institution must satisfy that institution's normal progression requirements in order to progress to the second year of the degree at the LSE.

A student who has completed year one and is unable to complete year two of the programme will not receive an interim award.

See the [Calendar](#) for further information about Programme Regulations, Course Guides, School and academic Regulations.
