Moodle is now, officially active... (Finally I hear you cry!) So for you Silvers out there, you can now you can now start engaging with the Moodle forum and there are resources you can download for all other levels too. The course title is Green Impact. (Original, I know!)

Auditor Recruitment

We are recruiting Green Impact Auditors! Apply [here](#). To become an auditor.

It is an exciting opportunity to understand what improvements the school is making in the area of sustainability. On top of free IEMA environmental auditing training, auditors will receive a free lunch. Look out for the poster in the Beaver next week. Please spread the word to staff and students.

Sustainable blues? Help is here:

Phone or email me anytime with any problems, criteria worries.

Green joke of the month-

How does President Bush plan on fighting record high temperatures?

By switching from Fahrenheit to Celsius!

Workbook News

Criteria Criteria Criteria

B006– Book in your recycling training by emailing Elena (E.Rivilla-Lutterkort.)

B009– If you need any appliances PAT tested, contact Pat Causeley.(p.t.causley)

B020– There are now LOTS of resources on Moodle you can use to spruce up your notice board. So download and enjoy.

Audit Week! All you need to know..

After submitting your workbook your department will be visited by 1 or 2 trained Green Impact auditors in the on 19th March. The auditor will have a copy of your workbook and check your evidence that criteria have been completed. Audits will take between 1-2 hours dependant on the size of your department and level of award you are aiming for. It is essential that at least one member of your Green team is available to show the auditor around the department.

I will allocate you a time slot nearer the time

Dates for your diary:

March 14th-Workbooks due

March 19th-Audits

Thursday 7th February– Department of Sociology [lecture](#), Professor Ulrich Beck is tackling the question 'How climate change might change the world'.

Lots of FREE WRAP (Waste and Resources Action programme) events [here](#), from composting to zero waste talks and courses.
