

PAYING TUITION FEES THROUGH THE BANK

THE LONDON SCHOOL
OF ECONOMICS AND
POLITICAL SCIENCE ■

FINANCE DIVISION

**The student's LSE ID number MUST be
the FIRST reference stated when paying**

(If there is room, the student's name can be added but only AFTER their ID number)

Please read in full BEFORE arranging payment

* Bank Charges

Although charges may be paid when sending payment, please note that for overseas payments, there may be an extra charge made by **our** bank when receiving the payment. If so, this is normally around £7 to £12. All charges relating to transfers are to be paid by the student and **not the School**.

* How Long Payments Take to Appear on Student Accounts

Please allow up to **5 week days** if payment is made from within the UK, and up to **10 week days** for payments made from overseas.

* Proof of Payment from Your Bank

Please ensure that your bank provides you with a receipt which you should keep in case it's later needed. **There is no need to show it to us** as we identify payments by student LSE ID numbers.

* Arranging Payment Through a UK Bank

You may need to show the bank some ID like a passport or a photo driving licence.

* Cash Payments

The School does **NOT** accept payment in cash. Cash payments can be made at NatWest Bank on the School campus. However, for security reasons, we strongly advise that you **DO NOT pay in cash**. We prefer that you instead pay by bank transfer, bank draft, cheque or by debit or credit card.
