

USS 2014 Valuation

This message has particular relevance to staff who are members of the University Superannuation Scheme or eligible to join the scheme.

Dear Colleagues,

I would like to provide you with a further update on plans to reform the Universities Superannuation Scheme (USS).

Consultation materials have now been distributed to all members of USS and those staff members eligible to join the scheme.

The USS [employer consultation website](#) will be live from today, ahead of the planned start of the consultation period on Monday 16 March 2015. The full consultation document, detailing the changes, will be available on the employer consultation website. Printed copies of the consultation document are available from the pension team on request.

We will be holding a series of forums around the School during April and May to provide further information on the proposals and to answer questions regarding the proposed changes. Details will be made available in Staff News.

The consultation is due to end on Friday 22 May 2015 so please provide any feedback via the [website](#) by that date.

LSE's USS Valuation webpage will also be updated during the consultation period. Any questions or comments should be directed to hr.pensions@lse.ac.uk
