

*'The Migration Museum Project is spearheading efforts to establish the first Museum of Migration in the UK, finally giving an opportunity to tell the story of the critical role that migrant communities have played in creating modern Britain.'*

Join us for an exclusive #talkLSE100 workshop with the Migration Museum Project as we explore the role of nationalism, identity and immigration for creating conflict and cohesion in modern societies.

**Sign up via the link on Moodle**  
(opens Tuesday @ 12pm)
