

Welcome to the Saw Swee Hock Student Centre

KNOW YOUR BUILDING – WINDOW OPERATION

Manually operated window

These windows can be opened and closed manually to suit users, by turning handle.

Electronically openable windows

These windows can be opened or closed, as banks of windows, by pressing and holding the switch located near to the windows.

Automatic windows

These windows are linked to the Building Management System (BMS) and will open and close automatically as dictated by the system.

Maintenance Access Only

These windows, without handles, are for access only and can only be opened by the Estates FM Maintenance Team.
