LSE - New Students' Centre

Welcome to the November issue of the residents' newsletter for the construction of the New Students' Centre for the London School of Economics and Political Science.

PROJECT AND PROGRAMME

As winter fast approaches, the corner props have been installed and the bulk dig continues to progress, with the ground now reduced down to the level of the new basement slab. There is a large amount of earth to be taken off-site, and we wholly appreciate your patience with us and the busy traffic movements as the substructure works progress. We are still working closely with the LSE to resolve the unforeseen issues with the Peacock Theatre perimeter, and we hope that any disruption remains to be kept to a minimum.

As we approach December the main excavation of the basement will continue, and we will endeavour to carry out remedial works to the Peacock Theatre with the utmost intention to move forward quickly and quietly.

Activity on site will continue to be intensive, and we will do all we can to ensure any disruption to an absolute minimum.

MINIMISING DISRUPTION

Monthly drop in days are held on the first Friday of every month, from 2-3pm in the Osborne project office situated on the first floor of the Parish Hall. Please feel free to come and join us on Friday 2nd December, to discuss programme, progress, concerns or anything of interest to you over tea and biscuits.

To remain updated with the daily activity on site, you can follow us on Twitter @OsborneLSENSC or on the LSE's project specific website (www2.lse.ac.uk/intranet/students/NewStudentsCentre/Home.aspx)

To reduce the impact that of our construction activities may cause, we are continuing to work closely with the School regarding our strategy that will produce the least amount of nuisance as possible to you. Our allocated

noisy works times are 8am-10am, 12-pm-2pm and 4pm-6pm Monday to Friday, and 8am-1pm Saturdays.

CONSIDERATE CONSTRUCTORS

The site has been registered with the Considerate Constructors Scheme (CSS), which will mean that how we interact with our neighbours and operate our site will be regularly assessed by an independent body.

Posters showing our registration to the scheme will be clearly displayed with contact numbers for our representative.

More information on the CCS can be found on their website (www.ccscheme.org.uk).
