

Newsletter

LSE - New Students' Centre

Welcome to the December issue of the residents' newsletter for the construction of the New Students' Centre for the London School of Economics and Political Science.

PROJECT AND PROGRAMME

With Christmas almost here, the new basement has really taken shape. Half of the footprint of the new building has been reduced down to the new basement level, and the next phase of the bulk dig is not far behind. Moving into the new year, the bulk dig will continue followed by forming of the bearing piles and pile caps.

There is still a large quantity of earth to be taken off-site, so we are continuing to work closely with the LSE to ensure that disruption is kept to a minimum. We wholly appreciate your patience with us and the busy traffic movements around the site.

KEEP IN TOUCH

Monthly drop in days are held on the first Friday of every month, from 2-3pm in the Osborne project office situated on the first

floor of the Parish Hall. Please feel free to come and join us on Friday 6th January, to discuss programme, progress, concerns or anything of interest to you over refreshments.

To remain updated with the daily activity on site, you can follow us on Twitter @OsborneLENSC or on the LSE's project specific website (www2.lse.ac.uk/intranet/students/NewStudentsCentre/Home.aspx)

MINIMISING DISRUPTION

To reduce the impact that of our construction activities may cause, we are continuing to work closely with the LSE regarding our strategy that will produce the least amount of nuisance as possible to you. Our allocated noisy works times are 8am-10am, 12pm-2pm and 4pm-6pm Monday to Friday, and 8am-1pm Saturdays.

CHRISTMAS SHUTDOWN

The project will be closing for Christmas on Friday 23rd December at Midday, and will remain closed until Tuesday 3rd January 2012.

Security arrangements will be in place, and all the necessary checks will be carried out by site management prior and on the 23rd December. May we take this opportunity to wish you all a very Merry Christmas, a Happy New Year and all the best for 2012.

CONSIDERATE CONSTRUCTORS

The site has been registered with the Considerate Constructors Scheme (CSS), which will mean that how we interact with our neighbours and operate our site will be regularly assessed by an independent body.

Posters showing our registration to the scheme will be clearly displayed with contact numbers for our representative.

More information on the CCS can be found on their website (www.ccscheme.org.uk).
