

Students with Disabilities Living in LSE Residences – 2016-17

For applicants and students with extensive personal care requirements, effective prior planning will have preceded arrival and arrangements will be in place before arrival.

LSE will facilitate arrival and help the student to settle into their accommodation. The kinds of arrangements that can be put in place include:

Arrival to LSE Checklist

- ✓ Pre-entry liaison co-ordinated by the Disability and Wellbeing Service and Residential Services.
- ✓ Extensive written information about practicalities, such as opening a bank account and accessibility around London.
- ✓ For international students, an airport meet and travel via accessible taxi, if required.
- ✓ A named contact in the Hall of Residence available when the student arrives to welcome them to the residence, check on suitability of arrangements, and assist with initial settling and assistance to access Fresher's Week and make social contacts.
- ✓ Arranged meeting within 24hrs with a health and safety adviser to ensure that the student is fully briefed on fire evacuation and to put a Personal Emergency Evacuation Plan (PEEP) in place for both residence and School.
- ✓ Follow-up with key personnel including Health and Safety Advisor, Warden, Head of Residential Life and Disability and Well-being Service and Students' Union within the first month of arrival.
