Research Projects

2008	Kazakhstan ministry of Justice, "E-government best practices: Canada and Mexico"
2005-7	EU founded project "Evaluation of information systems and monitoring arrangements for the programs supported by the European Social Fund"
2005-7	European founded project AGIS on "ICT for Public Prosecutor's Offices"
2004-2005	"The Role of Information and Communication Technology in Building Trust in Governance: Towards Effectiveness and Results (Founded by IADB), Project manager
2004	E-justice in the UK, the case of Money Claim on Line (University of Bologna, Italy),
2003	Analysis and evaluation of Information infrastructure development in the Italian judiciary system (Italian national research institute, CNR), Grant Holder
1998- 2000	Infraglobe Project: exploring information infrastructures in global organizations (IBM foundation), Researcher

Conference organizations and Committees

European Conference on Information Systems 2009, Conference Organiser Co-chair

Mediterranean Conference of Information Systems 2009, Track Co-chair (E-government)

Italian Chapter of AIS 2009, Track Co-chair (IS Theory and Research Methodologies)

Italian Chapter of AIS 2008, Track Co-chair (IS Theory and Research Methodologies)

IADIS – International Association for Development of the Information Society 2008, Conference Committee Member

European Conference on Information Systems 2008, Track Chair (Strategic Management of IS and IT)

First Global Sourcing Workshop Val d'Isere France 13-15 March 2007, Conference Co-organiser

Mediterranean Conference of Information Systems 2007, Faculty Member of the Doctoral Consortium

Italian Chapter of AIS 2007, Track Chair (IS Theory and Research Methodologies)

SSIT 6 - In Celebration of Claudio Ciborra, LSE, 27-28 March 2006, Conference organiser

Mediterranean Conference of Information systems 2006, Faculty Member of the Doctoral Consortium

Invited Lectures (most recent)

2008   "A new approach to e-government", Keynote speech at the Mediterranean Conference on Information Systems, October 23-26, Hammamet, Tunisa

2007   "E-government and bureaucracy: the issue of democracy" Second Facilitation Meeting on Implementing WSIS Outcomes Related to Action Lines C1 and C7eGov, UN, May 24, Geneva, Switzerland

2006   "E-government: a new research frontier" Keynote speech, International Conference on Electronic Commerce (ICEC), August 15, Fredericton, New Brunswick Canada

2006 "E-government and democracy" Sobieski Institute, December 15, Warsaw, Poland

2005 "The Role of Information and Communication Technology (ICT) in Building Trust in Governance: Towards Results and Effectiveness", the Annual Meeting of the Inter-American Development Bank (IDB), April 7, in Okinawa, Japan
