**Eviews** – Beginner

### Academic interests:

Development Economics (education and health)

Applied Econometrics

---

### Key extra-curricular interests:

Reading Sci-Fi

Football

Trying foreign food

Discovering new countries and places

### Work experience:

**10/2012 – 5/2015**

**CAF – The Latin American  
Development Bank**

**Research Consultant**

**Caracas, Venezuela**

- Managed and wrote four quantitative research projects in line with CAF's regional objectives which turned into publications. It required quantitative skills to make decisions on suitable econometric approaches and carry out statistical analyses. Likewise, it involved qualitative skills to write reports and presentations suitable for an audience of both academics and policymakers.

---

**5/2015 – 9/2015**

**Strata – Consulting Firm**

**Junior Consultant**

**Caracas, Venezuela**

- Combined public and private data with local political expertise to build macro-economic and political scenarios in a context of high uncertainty.
- Built on previous experiences with quantitative and qualitative skills to present complex scenarios to non-expert audiences.
