

**British Society for Population Studies 2019 Conference: Programme timetable**

Monday 9 September						
<b>From 10.30am</b>	<b>Registration – Conference Centre Exhibition &amp; Communal Space</b>					
<b>12.00 – 1.30pm</b>	<b>Lunch – Lounge</b>					
<b>1.30 – 3.00pm</b>	<p><b>Data quality</b></p> <p><b>Session room 3</b></p> <p>Chair: Oliver Duke-Williams (University College London)</p> <ol style="list-style-type: none"> <li>1. Data quality in mixed-mode mixed-device general population UK social surveys: Evidence from Understanding Society Wave 8 – Maslovskaya, Durrant, Smith</li> <li>2. Determining where people are: An analysis of geocoding – Buxton and Humby</li> <li>3. But if it's a census, why do you need weights? – Racinskij, Hammond, Dini, Burke, Abbot, Powell</li> </ol>	<p><b>Ageing: Informal &amp; formal care</b></p> <p><b>Session room 1</b></p> <p>Chair: Maria Herica La Valle (University of Southampton)</p> <ol style="list-style-type: none"> <li>1. The Long-term care system and the consciousness of duty of supporting older parents: The case of Japan – Kitai, Odamaki</li> <li>2. Pathways into informal care provision – Palmer, Vlachantoni, Evandrou</li> <li>3. Caring in later working life – Coombs, Leib, Storey</li> <li>4. 'Who else will do?': Motivations and challenges to caring for aging relations in Tamil Nadu, India – Lieber, Thampi, Clarke, Kinra</li> </ol>	<p><b>Fertility &amp; reproductive health: Determinants of pregnancy timing</b></p> <p><b>Session room 2</b></p> <p>Chair: Katie Heap (University of Southampton)</p> <ol style="list-style-type: none"> <li>1. Adolescent sexual activity, contraceptive use and pregnancy in Britain and the United States: A cross-national comparison – Scott, Wellings, Lindberg</li> <li>2. Do parenting, reproductive and health behaviours cluster together as distinct behavioural strategies? Evidence from two UK cohort studies – Brown, Sear</li> <li>3. Gendered division of labour and childbearing outcomes in the USA – Raybould, Sear</li> <li>4. Trends in birth intervals for 20 countries – Burkimsher, Lerch</li> </ol>	<p><b>Migration</b></p> <p><b>Conference Centre Main Lecture Theatre</b></p> <p>Chair: Michael J. Thomas (University of Groningen)</p> <ol style="list-style-type: none"> <li>1. Circular migration – Spilsbury, Coria, Dormon, Payne</li> <li>2. Engaging with users to improve 2021 Census origin-destination data – Cooper</li> <li>3. Exchanging lions &amp; kangaroos: Skilled migration from Australia to the UK &amp; from the UK to Australia – Ware</li> <li>4. Migration and labour market integration in Chile – Darlington-Pollock &amp; Rowe</li> </ol>	<p><b>Families &amp; work: Parental work</b></p> <p><b>Session room 4</b></p> <p>Chair: Afshin Zilanawala (University College London)</p> <ol style="list-style-type: none"> <li>1. Parental age gaps, paid and unpaid work among UK families with young children – Chanfreau, Sigle</li> <li>2. Why Daddy doesn't do it: Paternal leave effects across the wage distribution – Morosow, Prince Cooke</li> <li>3. The gendered division of paid labour around parenthood among native and migrant-origin couples – Maes, Marynissen, Wood, Neels</li> <li>4. Employment pathways and occupational change after childbirth in the UK: Why do women's careers stall? – Harkness, Borkowska, Pelikh</li> </ol>	<p><b>What is? Workshop</b></p> <p><b>Session room 5</b></p> <p>Chair: Paul Norman (University of Leeds)</p> <p>Presenters will introduce in an accessible manner a (quantitative) method, explain what you can do with it and with which kinds of data. They will give example results and point to materials which can help people learn the method. These are to be c. 10-minute presentations plus questions. Full information to follow.</p>

3.00 – 3.30pm	<b>Break. Refreshments</b> - Conference Centre Exhibition & Communal Space				
3.30 – 4.30pm	<b>PLENARY 1 – Professor Carol Jagger</b>  <b>Conference Centre Main Lecture Theatre</b>  The health and care needs of future older populations: opportunity or challenge?  Chair: Piers Elias (BSPS President)				
4.30 – 4.45pm	Short break				
4.45 – 6.15pm	<b>Telling the story in statistics 1</b>  <b>Session room 3</b>  Chair: Esther Roughsedge (National Records of Scotland)  1. Maximising partnerships to communicate demographic research – McGowan, Dey, Falkingham 2. Reuse of Welsh Government’s StatsWales OData API to produce a variety of meaningful statistical outputs for different audiences – Davis 3. Milestones: Journeying into adulthood – Coates, Mason 4. The Index of Multiple Deprivation (IMD): A tool to empower New Zealand’s communities – Exeter	<b>Health &amp; wellbeing</b>  <b>Session room 5</b>  Chair: Laura Brown (London School of Economics)  1. The impact of menstrual taboos on psychosocial wellbeing and mental health in Dailekh, Nepal – Channon, Puri, Wagle 2. The psychological impact of deprivation in conflict: The case of the occupied Palestinian territory – Hammoudeh, Mitwalli, Kafri, Lin, Giacaman, Leone 3. Years of Good Life (YoGL): A wellbeing indicator designed to serve as a sustainability criterion – Lutz, Lijadi, Erich Striessnig, Dimitrova, Spitzer, Yildiz 4. Sex differences in functional difficulty and disability-free life expectancy among older persons in Indonesia and the Philippines – Abalos	<b>Families &amp; households: Divorce &amp; partnership transitions</b>  <b>Session room 4</b>  Chair: Alina Pelikh (Institute for Social and Economic Research)  1. Union dissolution and divorce among ethnic minorities in Britain – Mikolai, Kulu 2. Getting back on the housing ladder? Separation and homeownership in Britain and Germany – Kulu, Mikolai, Vidal 3. Divorce Italian style: Problematic issues from sentences of the Italian Court of Cassation – Mazza, Cataldo, Grassia, Marino, Pastena 4. Relationship quality indicators and living apart together union transitions – Ciritel, Berrington, Perrelli-Harris	<b>Historical demography: New perspectives on historical mortality patterns</b>  <b>Session room 1</b>  Chair: Hannaliis Jaadla (University of Cambridge)  1. The demographic foundations of the lived experience of kin death – Alburez-Gutierrez, Zagheni 2. A breakpoint analysis of health transitions in England compared with the Nordic Countries – Torres, Oeppen 3. A two-parameter hazard function to fit historic mortality patterns – La Poutré	<b>Innovations in modelling processes &amp; mechanisms</b>  <b>Session room 2</b>  Chair: Ridhi Kashyap (University of Oxford)  1. Infectious disease modelling with demography – Møgelmoose, Neels, Hens 2. How does information spread affect migration routes? Insights from simulation modelling – Hinsch, Bijak 3. How reducing differentials in education and labour force participation could lessen workforce decline in the EU28 – Marois, Sabourin, Bélanger

<b>6.15 – 6.30pm</b>	<b>Short break</b>
<b>6.30 – 8.00pm</b>	<p><b>Poster session &amp; reception (drinks &amp; nibbles) - All Conference participants welcome.</b></p> <p><b>Conference Centre Exhibition &amp; Communal Space</b></p> <p>Sponsored by the Centre for Population Change (CPC) to celebrate their 10<sup>th</sup> anniversary</p>
<b>8.00pm</b>	<b>DINNER – Dining Hall</b>

**Tuesday 10 September**

<b>7.30 – 9.00am</b>	<b>Breakfast – Dining Hall</b>				
<b>9.00 – 10.30am</b>	<p><b>Early career panel: Grant applications</b></p> <p>Session room 5</p> <p>This panel session will provide valuable, otherwise not easily accessible, information to early career academics on the decision-making process, what grant reviewers look for, what grant assessment panel members look for, and tips and tricks on writing a successful grant application.</p> <p>Panel members: Professor Jakub Bijak, Professor Jane Falkingham, Professor Hill Kulu, Professor</p>	<p><b>Feminist approaches: Gender-based violence, vulnerabilities &amp; intersectionality</b></p> <p>Session room 2</p> <p>Chair: Heini Väisänen (University of Southampton)</p> <ol style="list-style-type: none"> <li>1. Married women’s experience of domestic violence in Malawi: New evidence from a cluster and multinomial logistic regression analysis – Chikhungu, Amos, Kandala, Pallikadavath</li> <li>2. Using a feminist demographic approach to studying the link</li> </ol>	<p><b>Historical demography of England &amp; Wales</b></p> <p>Session room 1</p> <p>Chair: Eilidh Garrett (University of Edinburgh)</p> <ol style="list-style-type: none"> <li>1. Wealth and adult male height in late 18<sup>th</sup> century Dorset – Jaadla, Davenport</li> <li>2. The decline of infant mortality in England and Wales, 1912–39 – Davenport</li> <li>3. Premarital sexual activity and marital fertility during the first demographic transition in England and Wales – Reid, Garrett, Jaadla</li> </ol>	<p><b>Developments in Official Population Statistics</b></p> <p>Session room 3</p> <p>Chair: Denise Patrick (National Records of Scotland)</p> <ol style="list-style-type: none"> <li>1. Impact of socio-economic transitions on the trend in life expectancy by an occupation-based measure of socio-economic position 1982–86 to 2012–16 in England and Wales - White</li> <li>2. 2017-based subnational population projections for Wales – Harries, Parry</li> <li>3. Innovations in loneliness</li> </ol>	<p><b>Training session: UK Census Longitudinal Studies</b></p> <p>Session room 4</p> <p>Adam Dennett and Oliver Duke-Williams (University College London)</p> <p>This training session is designed to introduce people unfamiliar with the analysis of longitudinal data and the unique social science that can be undertaken with microdata that tracks individuals over time, to the kinds of analyses that can be carried</p>

	Melinda Mills Chair: Dr. Julia Mikolaj	between intimate partner violence and migration in the French overseas territories – Condon, Grad, Dupuis, Dauphin 3. Quantifying intersectionality : Using interaction effects to assess the impact of gender, material deprivation and ethnicity on mental, physical and general health in Great Britain – Lee, Wels 4. Gender aspects of skilled migration: Global & Australian realities – Ware		research – Rees, Martin	out. No previous experience of microdata or statistical analysis techniques is required  <b>Laptops required. Booking required</b>
<b>10.30 – 11.00am</b>	<b>Break. Refreshments Conference Centre Exhibition &amp; Communal Space</b>				
<b>11.00 – 12.30pm</b>	<b>Fertility &amp; reproductive health: Geographical &amp; environmental influences on fertility &amp; reproductive health</b>  <b>Session room 2</b>  Chair: Kieron Barclay (Max Planck Institute for Demographic Research)  1. Subnational variations in European fertility: The Nordic countries – Campisi 2. Fertility behaviour in linguistic zones: An application of the regression discontinuity method to West Bengal and Bangladesh – Das, Husain, Ghosh 3. The response of fertility to rainfall shocks in rural Ethiopia: Channels and differential responses – Kebede 4. Timing and determinants of age at menarche in LMICs – Leone, Brown	<b>Families &amp; households: Intergenerational effects</b>  <b>Session room 4</b>  Chair: Orsola Torrisi (London School of Economics)  1. Female age at marriage, gender preference and differential paternal investment – Mughal, Javed, Sers 2. The effect of family structure and family instability on high school completion in South Africa – Bengesai 3. Family composition and age at menarche. Findings from the International Health Behaviour in School-aged Children Study – Steppan, Whitehead, McEachran, Currie 4. Understanding the intergenerational transmission of complex family trajectories – Stannard, Berrington, Alwan	<b>Internal migration as a driver of regional population change in Europe</b>  <b>Session room 3</b>  Chair: Philip Rees (University of Leeds)  1. Internal migration as a driver of regional population change in the wider south east of England, 2001–16 – Champion, Gordon 2. The contribution of international and internal migration to regional population change in Italy. An analysis referring to the seminal contributions of Ravenstein – Benassi, Bonifazi, Heins, Licari, Tucci 3. Ravenstein revisited: A comparison of British migration flows in 1881 and 2011 – Rees, Lomax 4. Why she had to go... migration and sex ratios – Kashnitsky	<b>Local demography: Impact of ageing on policy</b>  <b>Session room 5</b>  Chair:  1. High Impact Change Model and the East of England: balancing local care and health systems for the elderly; home and hospital – Potter 2. Horizon 2050: A vision for the future of an ageing overspill town and borough – Boxall 3. Uncovering variations in ageing-related statistics across the UK – Myers	<b>Innovative statistical models for estimation &amp; forecasting</b>  <b>Session room 1</b>  Chair: Jakub Bijak (University of Southampton)  1. Estimating bilateral migration flows from net migration – Abel, Smith 2. Grouped multivariate functional time series method: An application to subnational mortality forecasting – Shang, Yang 3. Comparing fertility forecasting methods – Hilton, Dodd, Forster, Smith, Bijak 4. Forecasting life expectancy: New evidence from a parsimonious CH survival function – Tsui, Cayton, Ho

<b>12.30 – 1.30pm</b>	<b>Lunch – Lounge</b>					
<b>1.30– 3.00pm</b>	<p><b>Families &amp; households: Relationship &amp; family formation</b></p> <p><b>Session room 4</b></p> <p>Chair: Julia Mikolai (University of St Andrews)</p> <ol style="list-style-type: none"> <li>1. The interrelationship of union formation and fertility in Italy: The role of economic uncertainty – Alderotti, De Rose, Tocchioni, Vignoli</li> <li>2. Armed conflict and the changing timing of childbearing in Azerbaijan – Torrisi</li> <li>3. Love marriage in India – Sarkar, Rizzi</li> <li>4. Ethnic preferences in online dating: A 24-country international comparison – Mills, Taiji</li> </ol>	<p><b>Fertility &amp; reproductive health: Reproduction &amp; health</b></p> <p><b>Session room 2</b></p> <p>Chair: Natalia Permyakova (University of Southampton)</p> <ol style="list-style-type: none"> <li>1. A decomposition analysis of inequalities in maternal healthcare access in Zambia using healthcare access barriers – Sochas</li> <li>2. Sex in the city: Understanding inequalities in adolescent sexual and reproductive health in urban areas – Neal, Harvey, Channon</li> <li>3. The influence of health in early adulthood on male fertility – Barclay, Kolk, van Hedel</li> <li>4. Future cardiovascular disease risk for women with gestational hypertension: A systematic review and meta-analysis – Lo, Lo, Hui, Fisher, Corker, Batho, Morris, Chowanec, Vladutiu, Fraser, Oliver-Williams</li> </ol>	<p><b>Health &amp; mortality: Mortality &amp; age</b></p> <p><b>Session room 1</b></p> <p>Chair: Weeam Hammoudeh (Birzeit University)</p> <ol style="list-style-type: none"> <li>1. Female disadvantage in under-five mortality in India: Measuring explicit gender discrimination using data on twins – Kashyap, Behrman</li> <li>2. Contributions of age group and cause of death to the recent stalling of life expectancy gains in Scotland – Ramsay, Kaye-Bardgett</li> <li>3. Subnational variations in the recent rise in neonatal mortality: England – Norman</li> <li>4. Long-term mortality in young people Not in Education, Employment or Training (NEET) in England and Wales using the ONS Longitudinal Study – Xun, Shelton, Jivraj, Lacey</li> </ol>	<p><b>Telling the story in statistics 2</b></p> <p><b>Session room 3</b></p> <p>Chair: Ryan Scott (National Records of Scotland)</p> <ol style="list-style-type: none"> <li>1. Understanding ‘what works’ in ageing: The use of demography and population studies by the Centre for Ageing Better to influence policy and practice – Foot, McSweeney</li> <li>2. Unlocking demography with interactivity – Lau, Leake</li> <li>3. Enabling self-discovery through interactive data visualisation – Turner</li> <li>4. Using games, quizzes, videos and Twitter to promote NRS’s demographic statistics – Roughsedge</li> </ol>	<p><b>Local demography: Developments in local area projections</b></p> <p><b>Session room 5</b></p> <p>Chair:</p> <ol style="list-style-type: none"> <li>1. Improving local estimates and projections through new data and methodologies – Corr</li> <li>2. Reflections on projections: Developing household projections for the future amid the changes of today – Harkrader, Pereira, Amoaku, Weeks</li> <li>3. Accounting for uncertainty in London’s future population – Corr, Fairless, Lapsley</li> <li>4. An update: Absurd population projections and the death of the green belt – Gering</li> </ol>	
<b>3.00 – 3.15pm</b>	<b>Short break</b>					

<p><b>3.15 – 4.15pm</b></p>	<p><b>PLENARY 2 – Dr Brian Beach</b></p> <p>Conference Centre Main Lecture Theatre</p> <p>Longevity in research and policy: What happens next</p> <p>Chair: Wendy Sigle (BSPS Vice-President and President elect)</p>				
<p><b>4.15 – 4.45pm</b></p>	<p><b>Refreshment break – Conference Centre Exhibition &amp; Communal Space</b></p>				
<p><b>4.45 – 6.15pm</b></p>	<p><b>Britain’s mortality transition</b></p> <p><b>Session room 1</b></p> <p>Chair: Romola Davenport (University of Cambridge)</p> <p>1. Analysing the decline of English mortality from Big Data; 90 million individual records 1838–2007 – Cummins</p> <p>2. Determinants of temporal and seasonal patterns of infant and child mortality in Scotland, 1900–73 – Nowok, Dibben</p> <p>3. Tracing the epidemiological transition in the deaths occurring on the Isle of Skye, Scotland 1861–1970 – Garrett, Reid, Williamson, Dibben</p>	<p><b>Families &amp; households: Work &amp; wellbeing</b></p> <p><b>Session room 4</b></p> <p>Chair: Afshin Zilanawala (University College London)</p> <p>1. How does unemployment affect the well-being of one's partner? And does gender matter? – Bryce</p> <p>2. The impact of childcare regimes on parental distress in Europe – Somogyi, Ciccia, Van de Velde, Van Lanker</p> <p>3. Mumpreneur: Fact or fiction? – Kanji, Vershinina, Sevinc</p>	<p><b>Innovative data &amp; methods</b></p> <p><b>Session room 3</b></p> <p>Chair: Jason Hilton (University of Southampton)</p> <p>1. Probabilistic methods for combining traditional &amp; social media bilateral migration data – Yildiz, Wisniowski, Abel</p> <p>2. Using digital traces to measure European migrant population in the UK by combining the Labour Force Survey and Facebook advertising data – Rampazzo, Bijak, Vitali, Weber, Zagheni</p> <p>3. Leveraging mobile phones to attain sustainable development – Kashyap, Rotondi, Pesando, Spinelli, Billari</p> <p>4. What can administrative data tell us about the household population? – Rowlatt</p>	<p><b>Fertility &amp; reproductive health: Constraints of childbearing</b></p> <p><b>Session room 2</b></p> <p>Chair: Laura Sochas (London School of Economics)</p> <p>1. Quantifying age constraints to childbearing in today’s societies – Brzozowska, Beaujouan</p> <p>2. Infant night wakings and parity progression – Varghese, Ghislandi</p> <p>3. Things to gain, things to lose. Perceived benefits and costs of children and intention to remain childless – Mynarska, Brzozowska</p> <p>4. Genetic determinants of fertility and reproductive behaviour – Mills, Barban</p>	<p><b>Feminist approaches: Gender, work &amp; production</b></p> <p><b>Session room 5</b></p> <p>Chair: Youngcho Lee (University of Cambridge)</p> <p>1. The gendered impact of parenthood on couples’ labour force participation. Bargaining or doing gender? – Marynissen, Wood, Neels, Van de Velde</p> <p>2. Gender gap in daily earnings: A study of post-liberalised India – Dutta, Husain, Chowdhury</p> <p>3. Women’s economic empowerment in sub-Saharan Africa: A cross-national analysis using DHS data – Williams, Väisänen, Padmadas</p>
<p><b>6.15- 7.15pm</b></p>	<p><b>Early career plenary - Conference Centre Main Lecture Theatre</b></p> <p>To move or not to move? Immobility, opportunity and inequality – Fran Darlington-Pollock (University of Liverpool)</p> <p>Chair: Paul Norman (University of Leeds)</p>				

<b>7.20pm</b>	<b>BSPS AGM – Conference Centre Main Lecture Theatre</b>  BSPS members only please
<b>8.00pm</b>	<b>DINNER – Dining Hall</b>

**Wednesday 11 September**

<b>7.30 – 9.00am</b>	<b>Breakfast – Dining Hall</b>
----------------------	--------------------------------

<b>9.00 – 11.00am</b>	<p><b>Ageing: Ageing, health &amp; poverty</b></p> <p>Session room 1</p> <p>Chair: Maja Palmer (University of Southampton)</p> <ol style="list-style-type: none"> <li>Active ageing in India: An analysis of time use patterns – Husain</li> <li>Going regional: Ageing and active ageing in 'Italy one and a thousand' – La Valle, Ambrosetti, Capacci, Cela</li> <li>Rethinking how we measure socio-economic position in among the population aged ≥65 years – Exeter, Browne, Lee</li> <li>Understanding the impact and targeting efficiency of Kenya's older persons cash transfer programme – van der Wielen, Chepngeno-Langat, Evandrou, Falkingham</li> </ol>	<p><b>Fertility: Abortion</b></p> <p>Session room 2</p> <p>Chair: Rachel Scott (London School of Hygiene &amp; Tropical Medicine)</p> <ol style="list-style-type: none"> <li>The different decisions after conceiving as a teenager: How the proportions of teenage pregnancies leading to abortion vary through England in 1998–2016 – Heap, Berrington, Ingham</li> <li>Incomplete abortion reporting in British and American surveys: Pathways for improvements – Lindberg, Scott</li> <li>Understanding misoprostol use and health literacy among women obtaining medication abortions in Lagos – Väisänen, Moore, Owolabi, Stillman, Fatusi, Akinyemi</li> </ol>	<p><b>Health: Public health</b></p> <p>Session room 3</p> <p>Chair: Mel Channon (University of Bath)</p> <ol style="list-style-type: none"> <li>Associations of area-level factors at birth and childhood obesity – Wilding, Ziauddeen, Smith, Roderick, Alwan</li> <li>Subsidising rice and sugar? The nutritional impact of the Public Distribution System in Andhra Pradesh, India – Bartell, Fledderjohann, Vellakkal, Stuckler</li> <li>The impact of exposure to air pollution on frailty among elderly people in China – Hu</li> <li>Determinants of inequalities in low birth weight in Sri Lanka: The evidence from the first post-war Demographic</li> </ol>	<p><b>Migration: Immigrant integration</b></p> <p>Session room 4</p> <p>Chair: Tony Champion (University of Newcastle)</p> <ol style="list-style-type: none"> <li>'Living together, working more closely together?': Analysis of ethnic group employment and residential geographies in England and Wales – Garlick, Catney, Lloyd</li> <li>Who deserves British citizenship? A choice-based conjoint experiment design – Donnalaja</li> <li>Migrants' life satisfaction in Europe and its relation to the receiving country population's attitudes towards them – Sedovic</li> <li>Can training turn the tide? Migrant-native differentials in the uptake and effects of active labour market policies</li> </ol>	<p><b>Developments in Official Population Statistics: ONS Population and Migration Statistics Transformation</b></p> <p>Conference Centre Main Lecture Theatre</p> <p>Chair: Oliver Duke-Williams (University College London)</p> <p>Presenters: Aitchison, Donnarumma, Lewin, Knipe, Leeson</p> <p>The Office for National Statistics (ONS) is transforming the way we produce population and migration statistics, with the ambition to deliver a fully transformed system that is admin data led by 2023. This session will provide an update on the</p>	<p><b>Training Workshop: An introduction to social science genomic data analysis</b></p> <p>Session room 5</p> <p>Melinda Mills (University of Oxford) and Nicola Barban (University of Essex)</p> <p>This workshop is aimed at beginners who are interested in integrating genetics into their demographic research. We will introduce some of the fundamental concepts and misnomers, followed by several hands-on computer-based exercises using sample data. The workshop is open to all career stages. The</p>
-----------------------	---	---	--	--	---	---

		<p>4. Women’s use of the internet to explore abortion options in Latin America at the time of the 2015/16 Zika epidemic – Leone, Coast, Wenham</p>	<p>and Health Survey in 2016 – Abeywickrama, Padmadas, Hinde</p> <p>5. Health co-benefits of air quality improvements in India under global climate mitigation policies – Dimitrova, Marois, Kiesewetter, KC, Tonne</p>	<p>in Belgium – Flechner, Neels, Wood, Maes</p> <p>5. Predictors of tolerance towards immigrants in northern Iceland – Bjarnason, Shuttleworth, Stevenson, Meckl</p>	<p>progress towards this including:</p> <ul style="list-style-type: none"> <li>• Why are we transforming? – What is the driver behind this transformation?</li> <li>• How do we get there – Where is the research taking us and when will users start seeing the impact?</li> <li>• The latest update on our research – How are we bringing together survey, admin and other non-survey data to transform population and migration statistics, including the impact and contribution of migrants?</li> <li>• External perspective on our progress – What have our users have told us so far – an update on the feedback we have received.</li> <li>• Interactive session to get your feedback – What does this all mean to you? We have some questions we would like your input into; this is your chance to feed into the transformation.</li> </ul>	<p>expectation is that you have a basic understanding of statistics, but no other pre-requisites are required.</p> <p><b>Laptops required</b></p> <p><b>Booking required &amp; attendance may be restricted</b></p>
<p><b>11.00 – 11.30am</b></p>	<p><b>Break – refreshments</b></p> <p><b>Conference Centre Exhibition &amp; Communal Space</b></p>					

<p><b>11.30 – 1.00pm</b></p>	<p><b>Health &amp; mortality: The life course &amp; health</b></p> <p><b>Session room 2</b></p> <p>Chair: Tiziana Leone (London School of Economics)</p> <ol style="list-style-type: none"> <li>1. Men’s economic dependency and allostatic load at midlife: Health damaging and promoting? – Kim, Luke</li> <li>2. Health that shapes health: The menopause and changes in health behaviours – La Valle, Channon, Väisänen</li> <li>3. Partnership status and health – Kulu, Mikolai, Franke</li> <li>4. Quality of Life and health status in older people with colorectal cancer: Findings from the ColoRECTal Wellbeing (CREW) cohort study – Permyakova, Foster, Cummings, Calman, Bridges, Wiseman, Corbett, Foster</li> </ol>	<p><b>Training session: Learning from data journalism and datavis – Thomson &amp; Donnarumma</b></p> <p><b>Session room 3</b></p> <p>In this session, Senior Data Journalist Callum Thomson and Data Visualisation Standards Lead Frank Donnarumma share what they have learned from applying journalistic principles and practices to the presentation of statistics for non-specialist audiences, using examples including ‘Being 18 in 2018’ and ‘Milestones: journeying into adulthood’.</p> <p>Attendance restricted to 30</p> <p><b>Booking required</b></p>	<p><b>Migration: Migration &amp; family</b></p> <p><b>Session room 5</b></p> <p>Chair: Julia Mikolai (University of St Andrews)</p> <ol style="list-style-type: none"> <li>1. Socio-economic effects on first union formation among native and second-generation women in Belgium – Van den Berg, Neels</li> <li>2. Family, fertility and internal migration in Norway: A comparison of native and immigrant populations in Norway – Thomas, Dommermuth</li> <li>3. Positive relationship between migration and fertility intentions: The case of post-socialist EU member states – Deimantas</li> <li>4. Transnational parenthood and migrant subjective well-being in Italy – Tosi, Impicciatore</li> </ol>	<p><b>Population ageing in Europe</b></p> <p><b>Session room 1</b></p> <p>Chair: Nele Van Der Wielen (University of Southampton)</p> <ol style="list-style-type: none"> <li>1. Projecting health trajectories in Europe using microsimulation – Marois</li> <li>2. Projections of demand for care among older people: A microsimulation approach – Łatkowski</li> <li>3. Can immigration offset the challenges of an ageing population? – Morgan</li> <li>4. The politics of ageing and retirement: Evidence from Swiss referenda – Bello, Galasso</li> </ol>	<p><b>Families &amp; households: Multigenerational households, kin &amp; friendship networks</b></p> <p><b>Session room 4</b></p> <p>Chair: Yazhen Yang (University of Southampton)</p> <ol style="list-style-type: none"> <li>1. Intergenerational support and Its impact on the health status of older people in China – Yang, Evandrou, Vlachantoni</li> <li>2. Adult children’s time allocation in multigenerational households in contemporary Japan – Hertog, Kan</li> <li>3. Similarity in transition to adulthood of friends and school mates – Barban ,Fasang, Balbo</li> <li>4. An exploration of the impact of non-residential social networks on the subjective well-being of older people and how this varies by household social network composition – Moonan-Howard</li> </ol>
<p><b>CLOSE</b></p>
