

British Society for Population Studies – 2009 Annual Conference Timetable.

Key to session rooms: A1 = Arts A1 Lecture Theatre . RB01, RB12, RB22, RB24 – session rooms in the Russell Building. RB01 and RB12 are on the ground floor (RB1 by the entrance, RB12 second room on the right), RB22 and RB24 are on the first floor (near the lift, one to each side on exiting lift corridor).

Wednesday 9 September					
11.00am –	Registration				
	Foyer - Arts C Building				
12.00pm – 1.15pm.	Lunch				
	Downs Restaurant – Bramber House, First Floor.				
1.30pm – 3.30pm	Health 1 <i>Chair: Olga Maslovskaya</i>	Fertility 1 <i>Chair: Patrick McGregor</i>	Methods 1 <i>Chair: Lee Williamson</i>	Hajnal Special Session 1- Contributions to historical demography. <i>Chair: Tim Dyson</i>	
RB01 – Health	1. A new approach to measuring health inequalities: Deprivation, mobility and premature mortality in Scotland - <i>Paul Boyle (University of St. Andrews), Daniel Exeter (University of Auckland)</i> 2. . Socio-economic status & life expectancy in the United States, 1970-1990 - <i>David A. Swanson (University of California Riverside), Mary A. McGehee (Arkansas Department of Health) Nazrul Hoque (University of Texas at San Antonio)</i> 3. Estimation of condition-specific death rates from sample surveys - <i>David W. Smith (LSHTM), Benjamin S. Bradshaw (University of Texas School of Public Health)</i> 4. Preliminary estimates of cohort effect in smoking	1. The influence of relatives on the likelihood of first birth – <i>Paul Mathews – LSE</i> 2. Can the trade-off between quantity & quality of children explain modern fertility decline? – <i>David Lawson – UCL</i> 3. Fertility decline in Iran: the socio-cultural, economic, and demographic correlates - <i>Fatemeh Torabi, Angela Baschieri - LSHTM</i> 4. UK sub-national variations in fertility & infant mortality: 1981 to 2006 – <i>Paul Norman – University of Leeds</i>	1. Flexible derived demographic projectionsL developments in POPGROUP – <i>Ludi Simpson – University of Manchester</i> 2. Household projections: Using health card data to estimate propensities & transitions - <i>Jos Ijpellar & David Marshall - NISRA</i> 3. DWP's Families with Children Model: From ONS projections to DWP policy - <i>Dawn McDonagh, Sam Mold - DWP</i> 4. Did you sleep here last night? The impact of the household definition in sample surveys: a Tanzanian case study - <i>Tiziana Leone (LSE), Ernestina Coast (LSE), Sara Randall (UCL)</i>	1. John Hajnal and the origins of the European Marriage Pattern – <i>Richard Smith – University of Cambridge</i> 2. Historical Demography – <i>Tony Wrigley – University of Cambridge</i> 3. Moral control and the roots of the Malthusian marriage system --Evidence from Flanders and Brabant 1450-1789 – <i>Ron Lesthaeghe, Belgian Royal Academy of Sciences</i>	
RB12 – Fertility					
RB24 – Methods					
A1 – Hajnal special session					

	related causes of death in England & Wales - <i>Mariachiara Di Cesare, Michael Murphy - LSE</i>				
3.30pm – 4.00pm	Tea break Foyer – Arts C Building				
4.00pm – 5.00pm Arts A1 Lecture Theatre	Plenary 1: Chair – Paul Boyle Professor John Cleland Reproductive change in sub-Saharan Africa: cause for concern?				
5.00pm – 6.30pm. RB12 – Families RB24 – Local Government RB01 – Ageing A1 – Hajnal special session	Families 1 <i>Chair: Maria Iacovou</i> 1. The BBC Survey on the state of the family: an exploration of possible other findings beneath the headline results - <i>John Haskey - University of Oxford</i> 2. Changing patterns of leaving home & non-family living of young adults in the UK - <i>Ann Berrington, Juliet Stone, Jane Falkingham - University of Southampton</i> 3. Staying out of trouble: what counts for young male offenders? - <i>Lynda Clarke (LSHTM), Renata Forste, Stephen Bahr (Brigham Young University)</i>	Local Government 1 <i>Chair: TBA</i> 1. Is the 2011 UK Census the appropriate vehicle for collecting data on short-term migrants in the UK? - <i>Meera Balarajan - National Centre for Social Research</i> 2. Census2011Geog: Developing automated maintenance methods for creating the 2011 Census output geographies in England and Wales - <i>Samantha Cockings, Andrew Harfoot, Duncan Hornby - University of Southampton</i> 3. Meeting user needs for the 2011 Census - <i>Joe Traynor - ONS</i>	Ageing 1 <i>Chair: Ursula Henz</i> 1. UK subnational ageing data visualisation tool - <i>Shayla Goldring, Alan Smith, Sarah Blake – ONS</i> 2. The impact of migration on older people in Moldova - <i>Gail Grant, Jane Falkingham, Maria Evandrou - University of Southampton</i> 3. The geography of advantage and disadvantage for older Australians: insights from spatial microsimulation - <i>Justine McNamara, Cathy Gong, Riyana Miranti, Yogi Vidyattama, Robert Tanton, Ann Harding (University of Canberra), Hal Kendig (University of Sydney)</i>	Hajnal Special Session 2 – Contributions to contemporary demography <i>Chair: TBA</i> 1. Fertility Maire Ni Bhrolchain – <i>University of Southampton</i> 2. Population dynamics and projections <i>Mike Murphy – LSE</i> 3. John Hajnal's work for the Royal Commission on Population - <i>Chris Langford - LSE</i>	
6.30pm – 7.45pm	Reception & poster session Foyer – Arts C Building				

8.00pm	Dinner Downs Restaurant – Bramber House, First Floor.				
Thursday 10 September					
7.30am – 8.45am	Breakfast Downs Restaurant – Bramber House, First Floor.				
9.00am – 10.30am RB24 – Methods RB22 – Fertility RB01 – Ageing RB 12 - Health	Methods 2 <i>Chair: Piers Elias</i> 1. Measuring quality issues associated with internal migration estimates - <i>Joanne Clements, Amir Islam, Ruth Fulton, Jane Naylor - ONS</i> 2. Changes to the internal migration methodology used in the English Sub-National Population Projections - <i>Robert Fry, Lucy Abrahams - ONS</i> 3. Improving internal migration estimates of students - <i>Jonathan Smith, Cal Ghee - ONS</i>	Fertility 2 <i>Chair: David Lawson</i> 1. Religion and fertility in the UK - <i>Sylvie Dubuc - University of Oxford</i> 2. Accounting for age-specific fertility differences between England & Wales & France using the Office for National Statistics Longitudinal Survey - <i>James Robards - University of Southampton</i> 3. Have women born outside the UK driven the rise in UK births since 2001? - <i>Nicola Tromans, Eva Natamba, Julie Jefferies - ONS</i>	Ageing 2 <i>Chair: Les Mayhew</i> 1. Productive activity and health in a sample of Chileans in early old age - <i>Emily Grundy (LSHTM), Cecilia Albaba (University of Chile, Santiago), Alan Dangour (LSHTM), Diana Elbourne (LSHTM)</i> 2. Older adults' experiences of ageing & HIV infection in rural Malawi - <i>Emily Freeman - LSE</i> 3. Ageing, welfare transformation and the role of migrant workers in the provision of care for older people in the UK - <i>Alessio Cangiano – University of Oxford</i>	Health 2 <i>Chair: Angela Baschieri</i> 1. Source & use of household expenditure on health in India - <i>TR Dilip & SS Padmadas</i> 2. Findings from the 2008/09 Nepal Maternal Mortality & Morbidity Study - <i>Sarah Barnett (Options UK), Bal Krishna Subedi (FHD, Nepal), Ajit Pradhan (SSMP, Nepal), Shovana Rai (New Era, Nepal), Pradeep Poudel (New Era, Nepal), Sharad Sharma (FHD, Nepal), Louise Hulton (Options UK)</i> 3. The short term health impact of extreme weather events in sub-Saharan Africa - <i>Limin Wang (World Bank), Shireen Kanji (University of Cambridge), Sushenjit Bandyopadhyay (World Bank)</i>	
10.30am – 11.00am	Coffee break Arts C foyer				

<p>11.00am – 12.30pm</p> <p>RB22 – Historical</p> <p>A1 – Migration</p> <p>RB24 – Families</p> <p>RB01 – Reproductive Health</p> <p>RB12 - Health</p>	<p>Historical 1- New methodologies in historical demography <i>Chair: Rebecca Oakes</i></p> <p>1. The McKeown Thesis and Public Health: Time for a Dignified Burial? <i>Gracia Fellmeth, Specialty Registrar Public Health</i></p> <p>2. Oral history and extra-marital fertility in the Gurk valley, Austria - <i>Catherine Sumnall - University of Cambridge</i></p> <p>3. Historical demography for the present: The case of the Tiwi Islands in Australia's remote Northern Territory - <i>Dean Carson, Gary Robinson, Lauren Bell, Nick McTurk - Charles Darwin University, Darwin, Australia.</i></p>	<p>Migration 1 <i>Chair: Tony Champion</i></p> <p>1. Uncertain world of international migration & its implications for population projections - <i>Jakub Bijak - University of Southampton</i></p> <p>2. International migration: the local impact of uncertainty in national projections - <i>Peter Boden, Phil Rees - University of Leeds</i></p> <p>3. Modelling international migration to produce local level estimates - <i>Ruth Fulton, Joanne Clements, Nargis Rahman, James Danielis, Jonathan Smith - ONS</i></p>	<p>Families 2 <i>Chair: John Haskey</i></p> <p>1. Women's work careers: continuity & singularities in an intergenerational perspective - <i>Nicolas Robette (Universita Bocconi), Eva Lelievre (INED), Catherine Bonvalet (INED)</i></p> <p>2. Balancing work & family: a female dilemma - <i>Adele Menniti, Pietro De Murtas, Antonio Tintori (Institute of Research on Population & Social Policies)</i></p> <p>3. What keeps mothers in full time employment in the UK? - <i>Shireen Kanji - University of Cambridge</i></p>	<p>Reproductive Health <i>Chair: Sabu Padmadas</i></p> <p>1. Contraceptive discontinuation & side effects: Evidence from a longitudinal study in Southern Ghana – <i>Claire Bailey – University of Southampton</i></p> <p>2. Reproductive behaviour & HIV status of antenatal clients in Mwanza, Northern Tanzania - <i>Sarah Keogh (LSHTM), Emma Slaymaker (LSHTM), Yusufu Kumogola (National Institute for Medical Research, Tanzania), Mark Urassa (National Institute for Medical Research, Tanzania), Basia Zaba (LSHTM)</i></p> <p>3. The menarcheal age in Turkey: The experiences of different birth cohorts - <i>Ismet Koc, Tugba Adali - Hacettepe University, Ankara</i></p>	<p>Health 3 <i>Chair: Tiziana Leone</i></p> <p>1. Whither human survival and longevity or the shape of things to come - <i>Les Mayhew & David Smith - Cass Business School</i></p> <p>2. Social inequalities in avoidable mortality - <i>David J. Pevalin - University of Essex</i></p> <p>3. Diverging trends in female old-age mortality: a reappraisal - <i>Laura Staetsky - University of Southampton</i></p>
<p>12.30pm – 1.30pm</p>	<p>Lunch</p> <p>Downs Restaurant – Bramber House, First Floor</p>				
<p>1.30pm – 2.30pm</p> <p>Arts A1 Lecture Theatre</p>	<p>Plenary 2 – Chair – Emily Grundy</p> <p>Professor Ron Lesthaeghe</p> <p>The American Spatial Pattern of the Second Demographic Transition and the Presidential Elections</p>				

<p>2.30pm – 4.00pm</p> <p>RB24 – Families</p> <p>A1 – Local Government</p> <p>RB12 – Ethnicity</p> <p>RB22 – Migration</p> <p>RB01 – Reproductive Health</p>	<p>Families 3 <i>Chair: Elspeth Graham</i></p> <p>1. Trends in conjugal homogamy in Britain, 1949-2005 – <i>Ursula Henz – LSE</i></p> <p>2. Fewer children than expected: updating plans, or failing to realise ambitions? – <i>Maria Iacovou, Lara Tavares – University of Essex</i></p> <p>3. Parenting in the UK: children, stepchildren & fathers' important qualities & involvement – <i>John Haskey, University of Oxford.</i></p>	<p>Local authority 2 <i>Chair: TBA</i></p> <p>1. The 2011 Census: Estimating the population - <i>Peter Stokes & Alexa Courtney - ONS</i></p> <p>2. 2011 Census Coverage Assessment - what's new? – <i>Owen Abbott - ONS</i></p> <p>3. The 2011 Census Data Quality Assurance Strategy: Plans & developments for the 2009 Rehearsal & 2011 Census - <i>Louisa Blackwell, Paula Guy - ONS</i></p>	<p>Ethnicity 1 <i>Chair: David Voas</i></p> <p>1. Time, generation or migration? Exploring the convergences of differences in household characteristics by ethnic group - <i>Gemma Catney, Ludi Simpson - University of Manchester</i></p> <p>2. The intergenerational transmission of Welsh: an analysis of the 2001 census results - <i>Hywel Jones - Welsh Language Board</i></p> <p>3. Ethnicity, country of birth, & the Scottish escalator effect - <i>Maarten van Ham (St. Andrews), Allan Findlay (Dundee), David Manley (St. Andrews)</i></p>	<p>Migration 2 <i>Chair: Jonathan Swan</i></p> <p>1. Female & male migration patterns into the urban slums of Nairobi, 1996-2006: Evidence of feminisation of migration - <i>Ligaya Batten (LSHTM), Angela Baschieri (LSHTM), Eliya Zulu (African Population & Health Research Centre)</i></p> <p>2. Parental investment among immigrants' children: Cape Verdean in Portugal - <i>Joelma Almeida - Loughborough University</i></p> <p>3. Labour migration beyond the periphery: A theory of 'remoteness' and what it means for demographic research - <i>Dean Carson, Andrew Taylor - Charles Darwin University</i></p>	<p>Reproductive health 2 <i>Chair: Zoe Matthews</i></p> <p>1. Antenatal care in Italy: differences between Italian and foreign women - <i>Francesca Lariccia (University of Rome 'La Sapienza'), Eleonora Mussino (University of Rome 'La Sapienza'), Sabrina Prati (ISTAT)</i></p> <p>2. Contraceptive confidence & timing of births in a regime with high levels of induced abortion: the case of Moldova - <i>MJ Lyons-Amos, GB Durrant, SS Padmadas - University of Southampton</i></p> <p>3. Childbearing intentions of patients in an antiretroviral therapy (ART) programme in Kwa-Zulu-Natal, South Africa - <i>Alison J. Stanley, Victoria Hosegood, Ian Timaeus - LSHTM</i></p>
<p>4.00pm – 4.30pm</p>	<p>Tea Break</p>				

	Arts C foyer				
4.30pm – 6.30pm	Ethnicity 2 <i>Chair: David Voas</i>	Fertility 3 <i>Chair: Angela Baschieri</i>	Methods 3 <i>Chair: Steve Smallwood</i>	Migration 3 <i>Chair: Kirsty Maclachlan</i>	
RB12 – Ethnicity	1. The estimation & application of ethnic group fertility rates in a projection of sub-national populations in the UK - <i>Paul Norman - University of Leeds</i> 2. Choice-based letting, ethnicity & segregation in England - <i>David Manley, Maarten van Ham - University of St. Andrews</i> 3. Ethnic density & social cohesion in the United Kingdom - <i>Laia Becares (UCL), James Nazroo (University of Manchester), Mai Stafford (UCL)</i> 4. Racial & ethnic residential segregation & socioeconomic status in the United Kingdom & United States - <i>Pablo Mateos (UCL), John Iceland (Pennsylvania State)</i>	1. Fertility trends by educational level among Jewish women in Israel 1972-1994 - <i>Nitzan Peri - The Hebrew University of Jerusalem</i> 2. Socio-demographic factors associated with sex ratio at birth in the indigenous & the foreign origin populations of Greece - <i>Georgia Verropoulou, Cleon Tsimbos - University of Piraeus</i> 3. Determinants of fertility in Northern Ireland, 1997-2005 - <i>Pat McGregor, Pat McKee - University of Ulster</i> 4. High suburban fertility: Evidence from four northern European countries - <i>Hill Kulu - University of Liverpool, Paul Boyle, University of St. Andrews, Gunnar Andersson, Stockholm University</i>	1. Measuring differential maternal mortality using census data in developing countries – <i>Tiziana Leone - LSE</i> 2. Exploring life courses: a theoretical & empirical comparison of methods - <i>Nicolas Robette -Universita Bocconi</i> 3. A dynamic projection model for the foreign-born, second generation & native-born populations in the UK - <i>James Raymer, Guy Abel, Jonathan J. Forster, Peter W. F. Smith - University of Southampton</i> 4. Estimating the foreign born: an evaluation of methods and data - <i>Dean H. Judson (Decision Analytics Inc), David Swanson (University of California Riverside)</i>	1. New migration, new destination - <i>Liliana Hiris (The Robert Gordon University, Aberdeen), Liana Son (The West University of Timisoara)</i> 2. The effect of internal migration on the socio-economic composition of local areas in England – <i>Stephen Jivraj – University of Manchester</i> 3. When social support fits into your luggage: An analysis of computer mediated social support in study abroad - <i>Jude Mikal – Max Planck Institute for Demographic Research</i>	
RB01 – Fertility					
RB24 – Methods					
RB22 - Migration					
7.00pm – 7.45pm	BSPS Annual General Meeting – members only				
	Arts C foyer				
8.00pm	Dinner				
	Downs Restaurant – Bramber House, First Floor				

Friday 11 September					
7.30am – 8.45am.	Breakfast Downs Restaurant – Bramber House, First Floor				
9.00am – 10.00am Arts A1 Lecture Theatre	Plenary 3 – Chair: Paul Boyle Professor Nyovani Madise Lives hanging in the balance: motherhood in Africa				
10.00am – 11.30am A1 – Migration RB12 – Historical RB22 – Health RB01 – Reproductive Health RB24 - Microsimulation	Migration 4 <i>Chair: Paul Norman</i> 1. Migration & social mobility in English provincial cities - <i>Tony Champion & Mike Coombes - University of Newcastle Upon Tyne</i> 2. The Pupil Level Annual School Census: A new method for measuring residential movement with an ethnic dimension- <i>Naomi Marquis & Stephen Jivraj - University of Manchester</i> 3. Right to Buy, time to move? Moving behaviour & desires - <i>Lee Williamson, Maarten van Ham, Paul Boyle, Peteke Feijten, Joe Doherty - University of St. Andrews</i>	Historical 2 – British historical demography <i>Chair: Stuart Basten</i> 1. Infant mortality and social class in Victorian Scotland – <i>Alice Reid – University of Cambridge</i> 2. Greater expectations: new evidence for medieval mortality and life expectancy – <i>Rebecca Oakes – University of Winchester</i> 3. Assimilation of the second-generation Irish population as evidenced by the 1881 Census of England and Wales - <i>Malcolm Smith - University of Durham</i>	Health 4 <i>Chair: David Pevalin</i> 1. Assessing the short-term & medium-term impact of HIV & AIDS mortality on household welfare in KwaZulu-Natal, South Africa - <i>Alessandra Garbero - LSHTM</i> 2. A cross-national analysis of the link between HIV infection & urban poverty in sub-Saharan Africa - <i>Monica Magadi - City University</i> 3. Abortion in Cambodia <i>Louise Hulton, Sarah Barnett, John Naponick, Harriet Stanley, Swaraj Rajbhandari, Sinead Rowan.</i>	Reproductive health 3 <i>Chair: Nyovani Madise</i> 1. Son preference & regret after sterilisation in South India - <i>AJ Francis Xavier - Population Council, Delhi</i> 2. Maternal care among young mothers in Latin America and Caribbean countries - <i>Mariachiara Di Cesare & Tiziana Leone – LSE</i> 3. Evolution of HIV Knowledge in China: Has China Succeeded in Improving Women’s Knowledge about HIV/AIDS? - <i>Olga Maslovskaya, University of Southampton Peter FW Smith, University of Southampton Sabu S Padmadas, University of Southampton James J Brown, Institute of</i>	Microsimulation: its role in shaping UK welfare policy. <i>Chair: Paul Williamson</i> 1. Microsimulation in the Treasury: methods and challenges – <i>David Roe, Doug Rendle (HM Treasury)</i> 2. Microsimulation at the IFS: achievements & challenges – <i>Mike Brewer (Institute for Fiscal Studies)</i> 3. Microsimulation at the DWP: lessons & challenges – <i>Chris Drane (Department for Work & Pensions)</i> 4. Modelling with SAGE: lessons & future plans – <i>Jane Falkingham (University of Southampton)</i>

				Education, University of London 4. Does illiteracy influence pregnancy complications among women in slums in Greater Mumbai? - VM Sarode - Mulund College of Commerce, Mumbai	
11.30am – 12.00 midday	Coffee				
12.00midday – 1.30pm	Results of survey in Conference packs.	Local government 3 <i>Chair: TBA</i>	Families 4 <i>Chair: Ursula Henz</i>	Health 5 <i>Chair: Mariachiara Di Cesare</i>	Microsimulation: developing a strategic national approach. <i>Chair: Paul Williamson</i>
A1 – Results of survey	Survey of delegates' views on future levels of fertility, mortality and migration - ONS	1. The use of address databases in local government and their application for the 2011 Census and beyond - <i>Piers Elias - Tees Valley Joint Strategy Unit</i> 2. Developments in household information in Scotland - <i>Martin Macfie, Esther Roughsedge - GRO-Scotland</i> 3. Household projections for Wales - <i>Tony Whiffen - Welsh Assembly Government</i>	1. Migrant mothers, migrant fathers & the psychological well-being of children left behind: a comparative analysis of four countries in South-East Asia - <i>Elspeth Graham, Lucy Jordan - University of St. Andrews</i> 2. Intergenerational transmission of poverty in Indonesia: How childhood poverty affects subsequent formal educational outcomes - <i>Sarah Mohaupt - LSE</i> 3. From one birth cohort to the next: changes in marriage timing of Iranian women - <i>Fatemeh Torabi, Angela Baschieri – LSHTM</i>	1. The toxic tail in apocalyptic demography – <i>Mike Murphy – LSE</i> 2. Cause-specific hospital utilisation & mortality patterns in New Zealand by area deprivation, 1974-2006 - <i>NA Coombs, A Padmadas, Z. Matthews – (University of Southampton)</i> 3. Infant mortality in rural Bangladesh: state dependence vs. unobserved heterogeneity - <i>Unnati Rani Saha, Arthur van Soest - Tilburg University</i>	1. Microsimulation in Australia: lessons from NATSEM – <i>Justine McNamara (NATSEM)</i> 2. Microsimulation in Canada: lessons from Statistics Canada – <i>Chantal Hicks (Statistics Canada)</i> 3. Microsimulation in the UK: the current state of play – <i>Paul Williamson (University of Liverpool)</i>
RB12 - Local government					
RB22 – Families					
RB01 – Health					
RB24 – Microsimulation
