

British Society for Population Studies – Programme – Annual Conference, University of Exeter 13-15 September 2010.

Monday 13 September					
FROM 11.00am –	Registration – Foyer of the Peter Chalk Centre.				
12.00pm – 1.15pm –	Lunch - Holland Hall Dining Room				
1.30pm – 3.30pm	<p>HEALTH & MORTALITY - HEALTH & ECONOMICS</p> <p>Seminar Room 1</p> <p>Chair: Dr. Claire Bailey, University of Southampton.</p> <p>1. Unemployment & mortality in Scotland: towards a causal explanation - <i>Tom Clemens, Frank Popham, Paul Boyle, University of St. Andrews</i></p> <p>2. It's not 'just deprivation': why do equally deprived UK cities experience different outcomes - <i>David Walsh, Glasgow Centre for Population Health, Neil Bendel, NHS Manchester, Richard Jones, Liverpool Primary Care Trust, Phil Hanlon, University of Glasgow</i></p> <p>3. Unemployment and poor health: Testing the robustness of self-reported health measures - <i>Gemma Catney, Dermot O'Reilly, Queen's University Belfast</i></p> <p>4. Temporal & epidemiological heterogeneity in the impact of</p>	<p>MIGRATION 1 – Data, methods and statistics</p> <p>Seminar Room 2</p> <p>Chair: Jonathan Swan, ONS.</p> <p>1. Migration Statistics Improvement Programme (MSIP) - Exciting Plans for Phase 2 - <i>Ian McGregor, Office for National Statistics</i></p> <p>2. Use of Administrative Sources in Phase two of the Migration Statistics Improvement Programme - <i>Simon Whitworth, Nic White, Amanda Sharfman</i></p> <p>3. Development of short-term migration estimates at local authority level - <i>Simon Whitworth, Kostas Loukas, ONS</i></p> <p>4. The effect of internal migration of families with primary school-aged children on change in residential concentration of low income families in England: an analysis of flows between different spatial scales - <i>Stephen Jivraj, University of Manchester</i></p>	<p>FERTILITY & REPRODUCTIVE HEALTH IN CONTEXT</p> <p>Seminar Room 3</p> <p>Chair: Wazir M. Asif, IIASA.</p> <p>1. Pronatalism, civil society and low fertility in Greece - <i>Katerina Georgiadis, LSE</i></p> <p>2. Fertility transitions: Do countries follow a common pathway? - <i>Andrew 'Amos' Channon, Melanie Frost, University of Southampton</i></p> <p>3. Men's role in supporting contraceptive switching from the couples perspective - <i>R. Mellor, J. Cleland, E. Slaymaker, LSHTM</i></p> <p>4. Re-examination of recent fertility trends in sub-Saharan Africa - <i>Kazuyo Machiyama, Andy Sloggett, John Cleland, LSHTM</i></p>	<p>LONGITUDINAL STUDIES</p> <p>Newman D Lecture Theatre</p> <p>Chair: Professor Emily Grundy, LSHTM.</p> <p>1. Methods for producing a series of life expectancy by National Statistics Socio-economic Classification (NS-SEC) using the ONS Longitudinal Study - <i>Brian Johnson, Office for National Statistics</i></p> <p>2. Does widowhood increase mortality risk? - <i>Paul Boyle, Zhiqiang Feng, Gillian Raab, University of St. Andrews</i></p> <p>3. The Northern Ireland Longitudinal Study: current and potential projects. - <i>Fiona Johnston, NISRA, Michael Rosato, Queen's University Belfast, Gemma Catney, Queen's University Belfast</i></p> <p>4. Calculating fertility rates using the Office for National</p>	<p>HISTORICAL DEMOGRAPHY</p> <p>Seminar Room 4</p> <p>Chair: Professor Bernard Harris, University of Southampton.</p> <p>1. On democracy and demography - <i>Tim Dyson, London School of Economics</i></p> <p>2. Adjusting family strategies to a changing socioeconomic context: the decline of the stem family over the 20th century - <i>Begona Elizalde, University Carlos III, Madrid</i></p> <p>3. Residential persistence in Edwardian Belfast - <i>Alice Reid, Eilidh Garrett, Simon Szreter, University of</i></p>

	adult deaths on survivors' consumption - <i>Alessandra Garbero, Ian Timaeus, LSHTM</i>			Statistics Longitudinal Study for England and Wales - <i>James Robards, University of Southampton</i>	<i>Cambridge</i> 4. Marriage, inheritance and household formation on a Greek island, Mykonos (mid-nineteenth to mid-twentieth century - <i>Violetta Hionidou, University of Newcastle</i>
3.30pm – 4.00pm	Tea – Peter Chalk communal area				
4.00pm – 5.30pm.	<p>AREA CLASSIFICATIONS</p> <p>Seminar Room 2</p> <p>Chair: Dr. Paul Norman, University of Leeds</p> <p>1. Identifying change over time in small area socio-demographic deprivation - <i>Paul Norman, University of Leeds</i></p> <p>2. Understanding inter-censal internal migration in Britain using a new migration classification framework - <i>Adam Dennett, University of Leeds</i></p> <p>3. A geodemographic classification of London primary schools - <i>Anne Gibbs, John Sillwell, Linda See, University of Leeds</i></p>	<p>FERTILITY DIFFERENTIALS IN EUROPE</p> <p>Seminar Room 3</p> <p>Chair: Dr. Katerina Georgiadis, LSE.</p> <p>1. How immigrant and UK-born generations have shaped the fertility of ethnic groups in the UK - <i>Sylvie Dubuc, University of Oxford</i></p> <p>2. Spatial variations in the effects of socioeconomic conditions to fertility for local authorities in Greece - <i>Stamatis Kalogirou, Harokopio University of Athens, Cleon Tsimbos, University of Piraeus, Apostolos Tsimpanos, University of Piraeus</i></p>	<p>AGEING - Intergenerational transfers</p> <p>Seminar Room 4</p> <p>Chair: Professor Emily Grundy, LSHTM</p> <p>1. Intergenerational social support: a double-edged sword? <i>Valeria Bordone, University of Mannheim</i></p> <p>2. Factors affecting receipt of support from children for older people in two Nairobi slums - <i>Jennifer Baird, Gloria Chepngeno-Langat, Maria Evandrou, Jane Falkingham, University of Southampton</i></p> <p>3. Demographic change & the acceptance of intergenerational transfer policies: a comparison of 13 European countries - <i>Harald Wilkoszewski, MPIDR, Elena Muth, Rostock Centre for the Study of Demographic Change</i></p>	<p>HEALTH & MORTALITY - Child health</p> <p>Seminar Room 1</p> <p>Chair: Tom Clemens, University of St. Andrews</p> <p>1 Socio-demographic factors affecting birth weight & preterm status of native & immigrant births in Greece: a multivariate analysis based on vital registration records - <i>Georgia Verropoulou, University of Piraeus & Centre for Longitudinal Studies, Institute of Education, Cleon Tsimbos, University of Piraeus</i></p> <p>2 First day mortality in the developing world: The two-thirds within the two-thirds? - <i>Sabu S. Padmadas, Fifi Amoako Johnson, Zoe Matthews, Nyovani J. Madise, Andrew R. Channon, Jane C. Falkingham, University of Southampton</i></p>	<p>LOCAL AUTHORITY Census Quality</p> <p>Newman D Lecture Theatre</p> <p>Chair: Eileen Howes, GLA</p> <p>1. Using local administrative data sources to improve census coverage & for post census validation - <i>Piers Elias, Tees Valley Unlimited</i></p> <p>2. Census Quality Assurance Studies - <i>Jason Thomas, Jonathan Smith, ONS</i></p> <p>3. Census 2011 Quality Assurance Checks - <i>David Fallows, Paula Guy, ONS</i></p>

				3. Socio-economic and environmental determinants of childhood diarrhoea in Malawi - <i>Lana Chikhungu, University of Southampton</i> 4. Children's cognitive development: does breastfeeding really make a difference? - <i>Maria Iacovou, University of Essex, Almuneda Sevilla Sanz, University of Oxford</i>	
--	--	--	--	---	--

5.30pm – 6.30pm	Nothing new under the sun: a brief history of the Census in the UK - Ian White – Office for National Statistics Newman E Lecture Theatre			Fringe meeting 1 – Radical Statistics – Hosts: Lee Williamson, Ludi Simpson Seminar Room 1	Fringe meeting 2 – POPGROUP’s new clothes – Host: Peter Boden Seminar Room 2
6.30pm – 7.45pm	Reception & poster session – Thirty posters on display, plus wine, soft drinks & nibbles. Peter Chalk Centre – communal area.				
8.00pm	Dinner – Holland Hall Dining Room After dinner in the Holland Hall bar: ONS presents <i>Stepping Stones</i> . Pool table in the bar. Bar extension to midnight.				
Tuesday 14 September					
7.30am – 9.00am	Breakfast – Holland Hall Dining Room				
9.00am – 10.30am	FERTILITY - Fertility & repro health in Asia Seminar Room 3 Chair: Dr. Amos Channon,	METHODS – HOUSEHOLD PROJECTIONS Newman D Lecture Theatre Chair: Piers Elias, Tees Valley	FAMILIES: children & young people Seminar Room 2 Chair: TBC	GENDER Seminar Room 1 Chair: Dr. Sylvie Dubuc, University of Oxford	HISTORICAL - mortality & health Seminar Room 4 Chair: Dr. Andrew

	<p>University of Southampton</p> <p>1. Fertility as insurance: Evidence from rural Nepal - <i>Melanie Frost, University of Southampton</i></p> <p>2. Spatial inequalities in modern contraceptive use in Brazil and India: Are the poorest-poor unduly disadvantaged? - <i>Sabu Padmadas, University of Southampton, Andre J. Caetano, Universidade Federal de Minas Gerais, Sebastian James, Institute for Social & Economic Change, Fifi Amaoko Johnson, University of Southampton, Tiziana Leone, LSE, Saseendran Pallikadavath, University of Portsmouth</i></p> <p>3. Determinants of condom use in India - <i>Nashid Kamal, North South University, Dhaka</i></p>	<p>Unlimited</p> <p>1. Household projections in England - <i>Jane Hinton, Communities & Local Government</i></p> <p>2. A microsimulation of Scotland's household composition: using SCOTSIM - <i>Ashley McCormick, University of Liverpool & GRO-Scotland</i></p> <p>3. Small area demographic forecasts - <i>Peter Boden, University of Leeds & Edge Analytics Ltd, Ludi Simpson, University of Manchester</i></p>	<p>1. The changing dynamics of leaving home & returning home among young adults in Britain - <i>Juliet Stone, Ann Berrington, Jane Falkingham, University of Southampton</i></p> <p>2. Use of childcare and early education by families in England: Trends of the last decade - <i>Ruth Smith, Svetlana Speight, National Centre for Social Research</i></p> <p>3. Family dynamics: A British study of birth order, family size and parental investment affects on education - <i>Morag Henderson, University of Oxford</i></p>	<p>1. Unequal entry to motherhood and unequal child outcomes: Evidence from the UK Millenium Cohort - <i>Denise Hawkes, University of Greenwich & Institute of Education, Heather Joshi, Institute of Education</i></p> <p>2. Work-family balance: How much choice do mothers have? - <i>Anne Kazimirski, National Centre for Social Research</i></p> <p>3. Caste, Gender, Poverty In A Changing Hill Economy: Implications For Dalit Women's Health – <i>Ramila Bisht, JNU, New Delhi.</i></p>	<p>Hinde, University of Southampton</p> <p>1. Modernisation and mortality in London's East End, 1550-1700 - <i>Gill Newton, University of Cambridge</i></p> <p>2. The onset of mortality transition: a preliminary analysis - <i>M. Murphy, LSE, Guo Xu, LSE</i></p> <p>3. Diet, health and work intensity in England and Wales, 1700-1914 - <i>Bernard Harris, University of Southampton, Roderick Floud, Gresham College, Robert W. Fogel, University of Chicago, Sok Chul Hong, Sogang University, Korea</i></p>
10.30am – 11.00am	Coffee break – Peter Chalk communal area				
11.00am – 12.30pm	<p>METHODS - Projection methods</p> <p>Newman E Lecture Theatre</p> <p>Chair: Professor Ludi Simpson, University of Manchester</p> <p>1. What happens when international migrants settle? Ethnic group population trends & projections for UK local</p>	<p>FAMILIES: Partnership formation</p> <p>Seminar Room 2</p> <p>Chair: TBC</p> <p>1. Does sectarianism exist in Scotland? A statistical examination of Catholic & Protestant intermarriage patterns - <i>Chris Holligan, University of</i></p>	<p>HISTORICAL - early age mortality</p> <p>Seminar Room 4</p> <p>Chair: Dr. Alice Reid, University of Cambridge.</p> <p>1. Stillbirths and neonatal mortality in eighteenth century London - <i>Romola Davenport, University of Cambridge, Jeremy</i></p>	<p>LONGITUDINAL STUDIES</p> <p>Newman D Lecture Theatre</p> <p>Chair: Dr. Sylvie Dubuc, University of Oxford.</p> <p>1. Ethnic & religious differences in social mobility between 1971 and 2001: Findings from the ONS Longitudinal Study - <i>Saffron</i></p>	

	<p>areas - <i>Phil Rees, Paul Norman, Pia Wohland, Peter Boden, University of Leeds</i></p> <p>2. Does education matter? Population projection of Pakistan at provincial level by educational attainment - <i>Wazir M. Asif, IIASA, Anne Goujon, Vienna Institute of Demography & IIASA</i></p> <p>3. MAPE-R: A rescaled Measure of Accuracy for Cross-Sectional Forecasts - <i>David A. Swanson, University of California Riverside, Jeff Tayman, University of California San Diego, T. M. Bryan, McKibben Demographic Research</i></p>	<p><i>the West of Scotland, Gillian Raab, GRO-Scotland</i></p> <p>2. Cross-cohort differences in the relationship between work history and partnership formation for British men - <i>Erzsebet Bukodi, Institute of Education</i></p>	<p><i>Boulton, University of Newcastle, Leonard Schwarz, University of Birmingham</i></p> <p>2. The Sardinian experience of the lowest Italian infant mortality rates in the past: True or false empirical evidence? - <i>Marco Breschi, Lucia Pozzi, University of Sassari</i></p> <p>3. Interactions between childhood mortality estimates and heights in Central Spain, XIXth and XXth centuries - <i>Diego Ramira Farinas, Spanish Council for Scientific Research, Hector Garcia, University Complutense of Madrid, Alfredo Garcia-Hiernaux, University Complutense of Madrid</i></p>	<p><i>Karlsen, University College London, James Nazroo, University of Manchester</i></p> <p>2. Evidence from ONS Longitudinal Study about the housing and subsequent moves of immigrants to London from outside the United Kingdom. - <i>A E Holmans Cambridge Centre for Housing and Planning Research</i></p> <p>3. Are mixed ethnic unions more likely to dissolve than co-ethnic unions, and does neighbourhood ethnic mix have an influence? - <i>Zhiqiang Feng, Paul Boyle, Maarten van Ham, Gillian Raab, University of St. Andrews</i></p>	
12.30pm – 1.30pm	Lunch – Holland Hall Dining Room				
1.30pm – 2.30pm	<p>Plenary 1 - Dr. Ties Boerma (World Health Organization) - <i>Demography and monitoring & evaluation of health in developing countries</i></p> <p>Chair: Professor Ludi Simpson.</p> <p>Newman E Lecture Theatre</p>				
2.30pm – 4.00pm	<p>LOCAL AUTHORITY: Census - New methods & data</p> <p>Newman D Lecture Theatre</p> <p>Chair: Piers Elias, Tees Valley Unlimited</p> <p>1. Straightening out the Censuses: Adventures in open standards dimensalisation, description, comparison and</p>	<p>METHODS: Evaluation of methods</p> <p>Seminar Room 2</p> <p>Chair: Professor Phil Rees, University of Leeds</p> <p>1. Comparison of the 2008-based ONS population projections with Bayesian time series forecasts for England and Wales - <i>Guy J. Abel,</i></p>	<p>HEALTH & MORTALITY: Health and nutrition</p> <p>Seminar Room 1</p> <p>Chair: Dr. Sabu Padmadas, University of Southampton.</p> <p>1. The influence of acculturation on ethnic differences in obesity in England - <i>NR Smith, University College London, JY Nazroo,</i></p>	<p>AGEING: Health & care</p> <p>Seminar Room 4</p> <p>Chair: Harald Wilkoszewski, Max Planck Institute for Demographic Research</p> <p>1. The role of private finance in paying for long term care - <i>Les Mayhew, Cass Business School, B. Rickayzen, Cass Business</i></p>	<p>FERTILITY.</p> <p>Seminar Room 3</p> <p>Chair: Dr. Tomas Sobotka, OEAW</p> <p>1. Fertility patterns of the recent foreign-born population in the UK – <i>Lorraine Waller, University of</i></p>

	<p>dissemination of UK Census datasets - <i>Justin Hayes, University of Manchester</i></p> <p>2. Challenges and approaches in designing flexible delivery mechanisms for Census 2011- <i>Emma White, ONS</i></p> <p>3. London's industrial structure 1981 to 2001- <i>Richard Cameron, GLA</i></p>	<p><i>Jakub Bijak, Jonathan J. Forster, James Raymer, Peter WF Smith, University of Southampton</i></p> <p>2. IPF and the ecological fallacy - <i>Maja Zaloznik, University of Liverpool</i></p> <p>3. Modelling small-area mortality: how many (and what) parameters? - <i>Michael Grayer, Queen Mary University of London</i></p>	<p><i>University of Manchester</i></p> <p>2. Balancing benefits and costs? Transnational households and the nutritional status of children left behind in South-East Asia - <i>Elsbeth Graham, University of St. Andrews, Lucy Jordan, University of Southampton</i></p> <p>3. The importance of household and neighbourhood socioeconomic status for body composition among South African adolescents - <i>William Johnson, Loughborough University, Paula Griffiths, Loughborough University, Shane Norris, University of Witwatersrand</i></p> <p>4. Regional disparities in self-rated health, chronic illness and acute illness in Albania: A multilevel analysis of the Albanian Living Standards Measurement Survey 2002 - <i>Katie Bates, LSE</i></p>	<p><i>School, Martin Rickayzen, Technische Universitat Darmstadt</i></p> <p>2. Socio-demographic and health-related factors associated with declining self-rated health among older adults in Europe: a longitudinal perspective - <i>Georgia Verropoulou, University of Piraeus & Institute of Education</i></p> <p>3. Determinants of older people's engagement in work, active leisure and social participation: A European comparison - <i>Giorgio Di Gessa, LSHTM, Emily Grundy, LSHTM, Anne Jamieson, Birkbeck, University of London</i></p>	<p><i>Southampton</i></p> <p>2. Fertility and partnership status in England and Wales in the nineties and noughties - <i>Louise O'Leary, Eva Natamba, Julie Jefferies, Ben Wilson, ONS</i></p> <p>3. Why fertility levels vary between urban and rural areas: The effect of population composition, selective migrations, housing conditions or contextual factors? - <i>Hill Kulu, University of Liverpool</i></p>
4.00pm – 4.30pm	Tea – communal area of Peter Chalk				
4.30pm – 6.30pm	<p>MIGRATION: Internal migration & migration</p> <p>Seminar Room 2</p> <p>Chair: Dr. Ibrahim Sirkeci, Regent's College London.</p> <p>1. Modelling short-distance residential moves using the Northern Ireland Longitudinal Survey (NILS) - <i>Ian Shuttleworth, Queen's</i></p>	<p>FAMILIES: Understanding partnership behaviour</p> <p>Newman D Lecture Theatre</p> <p>Chair: TBC</p> <p>1. An investigation into partnership difficulties and support - <i>Lester Coleman, Jo Ramm, Penny Mansfield, One Plus One</i></p> <p>2. Re-marry, re-cohabit or</p>	<p>FERTILITY: Fertility & Reproductive health in Africa</p> <p>Seminar Room 3</p> <p>Chair: Melanie Frost, University of Southampton</p> <p>1. The impact of antenatal HIV diagnosis on postpartum reproductive behaviour in Northern Tanzania - <i>Sarah Keogh, LSHTM, Mark Urassa,</i></p>	<p>HEALTH & MORTALITY: Mortality</p> <p>Seminar Room 1</p> <p>Chair: Dr. Will Johnson, Loughborough University</p> <p>1. Estimation of smoking related deaths: an age-period-cohort model-based approach - <i>M. Murphy, LSE, Mariachiara Di Cesare, University of Sussex</i></p>	<p>AGEING: Wellbeing</p> <p>Seminar Room 4</p> <p>Chair: Emily Freeman, LSE</p> <p>1. Well-being and place attachment of older Antillean immigrants in the Northern Netherlands- <i>Louise</i></p>

	<p><i>University Belfast, Myles Gould, University of Leeds, Paul Barr, Queen's University Belfast,</i></p> <p>2. An analysis of patient register data in the Longitudinal Study – what does it tell us about the quality of the data? - <i>Steve Smallwood and Kevin Lynch ONSCD</i></p> <p>3. Sex ratios in administrative data sources - <i>Sofie De Broe, Johanna Shaw, Steve Smallwood, ONS</i></p> <p>4. Labour migration to the East Midlands in the current recession - <i>David Owen, University of Warwick, Anne Green, University of Warwick, Paul Jones, Sheffield Hallam University, Rhys Davies, Cardiff University</i></p>	<p>reconcile? How demographic and socio-economic factors are related to the different exits from lone motherhood - <i>Alexandra Skew, University of Essex, Ann Berrington, University of Southampton, Jane Falkingham, University of Southampton</i></p> <p>3. Re-partnering in Eastern and Western Europe - <i>Maria Iacovou, Alexandra Jane Skew, University of Essex</i></p> <p>4. Educational heterogamy and marital quality: A new look at the old question(s) - <i>Mieke CW Eeckhaut, University of Ghent, Bart Van de Putte, University of Ghent, Jan RM Gerris, University of Nijmegen, Ad. A. Vermulst, Radboud University Nijmegen</i></p>	<p><i>National Institute for Medical Research, Tanzania, Maria Roura, LSHTM, Yusufu Kumogola, National Institute for Medical Research Tanzania, Basia Zaba, LSHTM</i></p> <p>2. An age-structured model for projecting ART need in generalised HIV epidemics – <i>B. Zaba, A. Garbero, A. Wringe, J. Todd, LSHTM, M. Urassa, National Institute for Medical Research, Tanzania</i></p> <p>3. Inequity of access to contraceptives In Egypt: Trends, policies & procedures - <i>Magued Osman, Cairo University & Egyptian Cabinet Information & Decision Support Centre, Hanan Girgis, Egyptian Cabinet Information & Decision Support centre</i></p> <p>4. Utilization of maternal health care facilities among the urban poor in Accra, Ghana - <i>Kate Jowett, University of Southampton</i></p>	<p>2. Fertility history & cause-specific mortality: A register-based analysis of complete cohorts of Norwegian women and men - <i>Emily Grundy, LSHTM, Øystein Kravdal, University of Oslo</i></p> <p>3 Mortality in small urban areas: the age patterning effects of standards of living, traditional family structure, religiosity, and population group <i>Jon Anson, Ben-Gurion University of the Negev</i></p>	<p><i>Meijering, Debbie Lager, University of Groningen</i></p> <p>2. Beyond 90 together: telling our stories – <i>Jennifer Rea, Anne Murphy, Susie Rea-McDowell, Maeve Rae, Queens University Belfast</i></p> <p>3. Involving older people in improving their wellbeing – <i>Martin Hoban, WRVS, Peter Beresford, Brunel University, Jennie Fleming, De Montfort University</i></p> <p>4. Ageing + migration = vulnerability? A case to the contrary - <i>Julia Schonheinz, Elisabeth Schroeder-Butterfill, University of Southampton</i></p>
7.00pm – 7.45pm	<p>BSPS Annual General Meeting – members only</p> <p>Newman D Lecture Theatre</p>				
8.00pm	<p>Dinner – Holland Hall Dining Room</p> <p>After dinner in the Holland Hall Bar – The BSPS Quiz. Bar extension to midnight.</p>				
Wednesday 15 September					
7.30am – 9.00am.	<p>Breakfast – Holland Hall Dining Room</p>				

9.00am – 10.00am	Plenary 2: Dr. Tomas Sobotka (Vienna Institute of Demography) - <i>Fertility in the developed world: five key trends</i> Chair: Professor Emily Grundy Newman E Lecture Theatre				
10.001am-10.30am	Coffee – Peter Chalk communal area				
10.30am – 12.30 pm	MIGRATION Seminar Room 2 Chair: Dr. Paul Norman, University of Leeds. 1. A conflict model for human mobility: Towards a political ecology of migration - <i>Jeffrey H. Cohen, The Ohio State University, Ibrahim Sirkeci, Regent's College London, Bernardo Rios, The Ohio State University</i> 2. Ancestry or residence? Strategies for accessing Spanish citizenship, a 'netography' approach - <i>Pablo Mateos, University College London, Jorge Durand, Universidad de Guadalajara</i> 3. Is Bangalore the new New Delhi? Moving decisions of North Eastern Indians – <i>Aparna Krishnamoorthy, Anshu Subash, Ankur Verma, Suchandra Chatterjee, Welingkar Institute of Management Development & Research</i>	FAMILY: Family & household structures Seminar Room 1 Chair: TBC 1. The concept of Quality of Life seen through the European Community Household Panel, microdata used for Spain, year 2000, Wave 7 – <i>Ana Zylbermanc, University of Wageningen</i> 2. Family structure & child health: a longitudinal model using the Millennium Cohort Study - <i>Lidia Panico, University College London</i> 3. The consequences of late motherhood and family structures on children's health outcomes - <i>Alice Goisis, Wendy Sigle-Rushton, London School of Economics</i>	LOCAL AUTHORITY: Local Authority/Planning Newman D Lecture Theatre Chair: John Hollis, GLA 1. Enabling local authority users to produce small area population projections - <i>Harvey Snowling, GRO-Scotland</i> 2. The UK Statistic Authority's Assessment Programme: Population Statistics - <i>Mark Pont, UK Statistics Authority</i> 3. Languages, ethnicity and education in London - <i>Michelle vonAhn, London Borough of Newham, Ruth Lupton, LSE, Charley Greenwood, Institute of Education, Dick Wiggins, Institute of Education</i> 4. Measuring and managing the impact of immigration - <i>Pip Tyler, Yorkshire & Humber Regional Migration Partnership, Peter Boden, University of Leeds & Edge Analytics Ltd.</i>	FERTILITY - Measuring fertility Seminar Room 3 Chair: Dr. Hill Kulu, University of Liverpool 1. The recuperation of fertility at older ages in Britain: Evidence from the 1958 British birth cohort - <i>Ann M. Berrington, Serena Pattaro, University of Southampton</i> 2. Childlessness: a further look at cohort estimates based on survey time-series data - Maire Ni Bhrolchain, Eva Beaujouan, University of Southampton, Michael Murphy, London School of Economics 3. Context effects and fertility preferences: the influence of preceding questions on the reporting of desired fertility - Paul Mathews, Rebecca Sear, LSE	HISTORICAL – mortality Seminar Room 4 Chair: Dr. Eilidh Garrett, University of Cambridge. 1. Sex differentials in mortality in nineteenth century England & Wales - <i>Andrew Hinde, University of Southampton</i> 2. Towards a coding for disabilities recorded in the British Census: 1851-1911- <i>Christine Jones, University of Essex</i> 3. Traffic in corpses in Georgian London - <i>Jeremy Boulton, University of Newcastle</i> 4. Doctors and the measurement of maternal morbidity in late nineteenth century Scotland - <i>Alice Reid, University of Cambridge</i>

	<p>4. Self-rated health, mental health and health utilisation of rural-urban migrant factory workers in Shenzhen, China - <i>Jin Mou, Chinese University of Hong Kong, Jinquang Chen, Shenzhen Centre for Disease Control & Prevention, Sian M. Griffiths, Chinese University of Hong Kong</i></p> <p>5. Forced migration to emerging countries. Case: Chilean society receiving Afro-Colombian asylum seekers - <i>Mónica Amador, Jawaharlal Nehru University, India</i></p>			<p>4. Understanding Scottish birth parity: A comparison of estimates from different data sources - Lee Williamson, Elspeth Graham, Paul Boyle, University of St. Andrews</p>
