

**British Society for Population Studies – 2012 programme**

**Session rooms: Lecture theatre 2 on the second floor of the Exchange Building; Session room 1,2,3,4, = first floor Dearing Building. Session Room 5 = second floor, Dearing Building.**

<b>Monday</b>					
10.30am – <b>Exchange Building foyer</b>	<b>Registration – desk staffed throughout Conference</b>				
12.30pm – 1.30pm. <b>Atrium</b>	Lunch				
1.30pm – 3.00pm  <b>Session room 1 = Ageing</b>  <b>Session room 2 = Fertility 1</b>  <b>Lecture theatre 2 = Census</b>  <b>Session room 3 = Families 1</b>  <b>Session room 4 = Health 1</b>	<p><b>Ageing 1 - Living alone, social interaction and isolation in older age</b></p> <p><b>Chair: Philipp Hessel, London School of Economics</b></p> <p>1. Challenges of ageing for the immigrants from India in the UK – <i>Areyi Majumdar, University of Delhi</i></p> <p>2. The transition to living alone and psychological distress in later life - <i>Juliet Stone, Maria Evandrou, Jane Falkingham, University of Southampton</i></p> <p>3. Intergenerational relationships and cognitive functioning of elderly parents – <i>Valeria Bordone, Wittgenstein Centre and IIASA, Eric Bonsang, ROA, Maastricht University, &amp; Netspar</i></p>	<p><b>Fertility 1 – Fertility in Asia</b></p> <p><b>Chair: Professor Monica Magadi, University of Hull</b></p> <p>1. Fertility rates and the background conditions of cross-border marriage couples in Japan: An analysis using a census microdata samples - <i>Kazumasa Hanaoka, Ritsumeikan University, Shuko Takeshita, Aichi Gakuin University</i></p> <p>2. The future of fertility in China - <i>Gu Baochang, Renmin University of China, &amp; Stuart Basten, University of Oxford</i></p> <p>3. The effects of father absence on fertility in transitional Malaysia - <i>Paula Sheppard, Rebecca Sear, LSHTM</i></p>	<p><b>Census 1 – Census 2011 quality assurance</b></p> <p><b>Chair: Dr. Ian Shuttleworth, Queen’s University Belfast</b></p> <p>1. Assuring the Quality of the 2011 Census population estimates – <i>Paula Guy, Jonathan Wroth-Smith, Luke Aki, ONS</i></p> <p>2. Finalising the census after dual system estimations - <i>Roma Chappell, ONS</i></p> <p>3. Delivering the 2011 census estimates: reflections on quality assurance - <i>David Martin, University of Southampton</i></p>	<p><b>Families 1 – Changing family forms</b></p> <p><b>Chair: Ben Wilson, London School of Economics</b></p> <p>1. The changes of family formation patterns in post-socialistic Europe during socio-economic transformation - <i>Tomasz Chaberko, Pawel Kretowicz, Jagiellonian University</i></p> <p>2. The Heterogeneity of Relationship Patterns within and across countries: an examination of the United States and 14 countries in Europe - <i>Brienna Perelli-Harris, Mark Lyons-Amos, University of Southampton</i></p> <p>3. Long-Term Trends of Men’s Co-residence with Children in England and Wales – <i>Ursula Henz, LSE</i></p> <p>4. Educational differentials in the effect of economic context</p>	<p><b>Health 1 – Health inequalities</b></p> <p><b>Chair: Dr. Paula Griffiths, Loughborough University</b></p> <p>1. Closing the Gaps on Indigenous disadvantage: What if we succeed? - <i>Andrew Taylor, Charles Darwin University, Tony Barnes, Northern Territory Treasury, Darwin</i></p> <p>2. Prevalence of life-limiting and life-threatening illness in children and young people in England: time trends by area type - <i>Paul Norman and Lorna Fraser, University of Leeds</i></p> <p>3. Inequalities in disability free life expectancy and healthy life expectancy between ethnic groups in England and Wales - <i>Pia Wohland, University of Newcastle, Phil Rees,</i></p>

				on first union formation - <i>Jorik Vergauwen, Karel Neels, University of Antwerp</i>	<i>University of Leeds, and Carol Jagger, University of Newcastle</i>
3.00pm – 3.30pm <b>Exchange Building Foyer</b>	Break with refreshments				
3.30pm – 4.30pm <b>Lecture Theatre 2 – Exchange Building</b>	<b>Plenary 1 – Professor Peter McDonald (Australian National University &amp; President, IUSSP)</b> <b>A century of population studies, society and Population Studies' Societies.</b> <b>Chair: Professor Ludi Simpson</b>				
4.30pm – 6.00pm.  <b>Life course 1 = Session room 2</b>  <b>Migration 1 = Lecture Theatre 2</b>  <b>Health 2 = Session room 3</b>  <b>Event history – Session room 4</b>  <b>Ageing 2 = Session room 1</b>	<b>Life course 1</b> <b>Chair: Professor Jane Falkingham, University of Southampton</b>  1. When their paths diverge: mechanisms behind male and female family differences in France - <i>Eva Beaujouan, University of Southampton</i> 2. Is marriage a good way to ‘recession-proof’ men’s careers? Marital status and occupational mobility in changing economic conditions - <i>Erzsebet Bukodi, University of Oxford</i> 3. Expectations and careers in Switzerland – <i>Shireen Kanji, Sandra Hupka-Brunner, University of Basel</i>	<b>Migration 1 – Residential &amp; wellbeing</b> <b>Chair: Professor John Stillwell, University of Leeds</b>  1. Ethnic group population change and neighbourhood belonging - <i>Nissa Finney &amp; Stephen Jivraj, University of Manchester</i> 2. Placing Northern Ireland residential segregation in its geographical context: population patterns, residential moves, and history - <i>Ian Shuttleworth, QUB</i> <i>Myles Gould, University of Leeds</i> <i>Paul Barr, Dartmouth College</i> 3. The well-being of migrants engaged in residential migration: an uneven impact of different life domains - <i>Allan Findlay, Beata Nowok, University of St Andrews / ESRC Centre for Population Change</i>	<b>Health 2 – factors affecting over-nutrition</b> <b>Chair: Dr. Ines Varela-Silva, Loughborough University</b>  1. The socio-economic factors affecting over-nutrition of Thai adults - <i>Chayada Bhadrakom, Bhavani Shankar, C S Srinivasa, Nipa Rojroongwasinkul, University of Reading</i> 2. Residential mobility, socioeconomic context and body mass index in a cohort of urban South African adolescents - <i>Carren Ginsburg, Paula Griffiths, Linda M. Richter, Shane A. Norris, Loughborough University</i> 3. Being Stunted-Overweight - A Multilevel Analysis of the Determinants of Under-Fives Nutritional Status in Albania 2008-09 - <i>Katie Bates, London School of Economics</i>	<b>Event history</b> <b>Chair: Ben Wilson, LSE</b>  1. The recent rise in Palestinian mortality: Evidence from recent surveys - <i>Marwan Khawaja UN-ESCWA Beirut Lebanon</i> 2. The relationship between informal care-giving and mortality: an analysis using the ONS- Longitudinal Study – <i>S. Ramsay, London School of Hygiene and Tropical Medicine, E. Grundy, University of Cambridge, and D. O’Reilly, Queen’s University, Belfast</i> 3. Postponement of first births and revival of educational differentials in Hungarian fertility after 1989 - <i>Jonas Wood, Karel Neels, University of Antwerp</i> 4. A Life Course Perspective on Family Formation in	<b>Ageing 2 - Providing for an ageing population</b> <b>Chair: Emily Freeman, London School of Economics</b>  1. Caring in later life: determinants and policy implications - <i>Athina Vlachantoni, University of Southampton</i> 2. Differences in private pension contribution at older ages in the UK: a three-way cohort analysis - <i>Sarah Wo, University of Southampton</i> 3. Household composition responses to the South African old age pension - <i>Julia Mase, University of Manchester</i>

				Bangladesh - <i>Nahid Kamal. MEASURE Evaluation, UNC-Chapel Hill, International Centre for Diarrhoeal Diseases Research, Bangladesh, Gabriela Mejia-Pailles. London School of Economics</i>	
6.30pm – 8.00pm <b>Exchange Building foyer</b>	Reception & poster session				
8.00pm <b>Atrium</b>	Dinner				
9.00pm <b>Lecture Theatre 2</b>	<b>Fringe meeting: Is social media driving global demographic trends?</b> Chair: Dr. Sabu Padmadas, University of Southampton Panel: Professor Peter McDonald, Professor Allan Hill, Dr. Stuart Basten, Dr. Jakub Bijak Short presentations from the panel and then an open debate.				
<b>Tuesday</b>					
7.30am – 9.00am <b>Atrium</b>	Breakfast				
9.00am – 10.30am <b>Longitudinal = Session room 1</b> <b>Historical = Session room 2</b> <b>Census 2 = Lecture Theatre 2</b>	<b>Longitudinal</b> <b>Chair: Chris Dibben, Office for National Statistics</b> 1. An investigation into the usefulness of synthetic measures of occupation based wage for self-reported general health - <i>Tom Clemens - University of St Andrews</i> 2. Patterns of Social Mobility by NS-SEC: England and	<b>Historical 1 – Mortality</b> <b>Chair: Dr. Eilidh Garrett, University of Cambridge</b> 1. Explaining the geography of maternal mortality in England and Wales before the 1930s – <i>Alice Reid, University of Cambridge</i> 2. From pestilence and famine to receding pandemics? Changes in the relationship between adult	<b>Census 2 – Census 2011</b> <b>Chair: Dr. Myles Gould, University of Leeds</b> 1. 2011 Census: First release, subsequent releases & specialist products - <i>Denise McGregor, Emma White, ONS</i> 2. Short-term migration estimates from the 2011 Census – <i>Marie Lisa Burrough, ONS</i> 3. Plans and proposals for	<b>Health 3 – under-nutrition in developing countries</b> <b>Chair: Professor Allan Hill, University of Southampton</b> 1. Participation in health services, complementary feeding and children’s nutritional status in Malawi - <i>Lana Chikhungu, Sabu Padmadas, Nyovani Madise - University of Southampton</i>	<b>Fertility 2 – Life course and fertility</b> <b>Chair: Dr. Rebecca Sear, London School of Hygiene &amp; Tropical Medicine</b> 1. The Effects of Unemployment on Fertility - <i>Signe Hald Andersen Rockwool Foundation Research Unit &amp; Berkay Ozcan, LSE</i>

<p><b>Health 3 = Session room 3</b></p> <p><b>Fertility 2 = Session room 4</b></p>	<p>Wales 1981-2001 - <i>Suzanne Fry, Alaa Al-Hamad, Chris White, Office for National Statistics</i></p> <p>3. Understanding the impact of fertility history on outcomes in mid-life in Scotland, a longitudinal approach using the Scottish Longitudinal Study (SLS) - <i>Lee Williamson and Chris Dibben, University of St. Andrews</i></p> <p>4. Understanding address accuracy: an investigation of the social geography of mismatch between census and health service records - <i>Ian Shuttleworth, Queens University Belfast, and David Martin, University of Southampton</i></p>	<p>and child mortality in England, c.1600-1800 – <i>Peter Kitson, University of Cambridge</i></p> <p>3. Spatial synchronicity in annual fluctuations in mortality from English parish burials 1538-1837 – <i>Gill Newton, University of Cambridge</i></p> <p>4. Foetal mortality and mortality during childhood in Spain, 1890 till 2010 - <i>Diego Ramiro Fariñas, Spanish National Research Council</i></p>	<p>analysis of the 2011 Census - <i>Jon Gough, Craig Taylor, ONS</i></p>	<p>2. Gender differences in anaemia, stunting and thinness among school aged children and adolescents in 11 low-income countries - <i>Emily Rousham, Loughborough University; Natalie Roschnik, Save the Children (USA); Andrew Hall, Save the Children (UK).</i></p> <p>3. Socioeconomic and intergenerational factors impacting the health of Maya families in Mexico - <i>Maria Ines Varela-Silva, Hugo Azcorra, Hannah Wilson, Federico Dickinson, Paula Griffiths, Barry Bogin, Loughborough University</i></p>	<p>2. Early life environments and first-time parenthood: The experience of Swedish women, 1990-2009 - <i>Serhiy Dekhtyar, Kirk Scott, Lund University</i></p> <p>3. Did your mother work? Impact if mother's occupational status on individual's fertility - <i>Maria Rita Testa,, Valeria Bordone, Wittgenstein Centre, Vienna.</i></p> <p>4. Infant feeding &amp; children's psycho-social development – <i>Maria Iacovou, Almuneda Sevilla, University of Essex</i></p>
<p>10.30am – 11.00am <b>Exchange foyer</b></p>	<p>Break with refreshments</p>				
<p>11.00am – 12.30pm <b>Lecture theatre 2</b></p>	<p><b>Plenary 2 – Census</b></p> <p><b>A double plenary, 90 minute session on the 2011 Census and its quality with two speakers and 30 minutes for questions and discussion:</b></p> <p><b>Professor Danny Dorling (University of Sheffield), on <i>Can we trust the 2011 one number?</i></b></p> <p><b>Glen Watson (ONS Census Director)</b></p> <p><b>Chair: Professor Tony Champion, University of Newcastle; BSPS Vice-President</b></p>				
<p>12.30pm – 1.30pm <b>Atrium</b></p>	<p>Lunch</p>				

<p>1.30pm – 3.00pm</p> <p><b>Local government = Lecture theatre 2</b></p> <p><b>Families 2 = Session room 1</b></p> <p><b>Health 4 = Session room 2</b></p> <p><b>Migration 2 = Session room 3</b></p> <p><b>Historical 2 = Session room 4</b></p>	<p><b>Local government – local population change</b></p> <p>1. Demographic change in Glasgow's deprived areas in 2001-2010 – <i>Jan Freeke, Glasgow City Council</i></p> <p>2. How has the census quality assurance process improved local demographic information? – <i>Piers Elias, Tees Valley Unlimited</i></p> <p>3. Projecting population for the Olympic area – <i>Ben Corr, Greater London Authority</i></p>	<p><b>Families 2 – negotiating parenthood &amp; parenting</b></p> <p><b>Chair: Alice Goisis, London School of Economics</b></p> <p>1. Early childhood education and care in England: deprivation and quality of services – <i>Ludovica Gambaro, Kitty Stewart, Jane Waldfogel, London School of Economics</i></p> <p>2. What is the role of grandparents in enabling first time lone mothers to participate and stay in employment in the UK? - <i>Shireen Kanji, University of Basel</i></p> <p>3. Trust and Fertility Dynamics - <i>Arnstein Aassve, Francesco C. Billari, Bocconi University, Léa Pessin, Pompeu Fabra University</i></p>	<p><b>Health 4 – health &amp; mortality</b></p> <p><b>Chair: Dr. Sabu Padmadas, University of Southampton</b></p> <p>1. Modal age at death: mortality trends in England and Wales 1841-2010 - <i>Emily Clay, ONS</i></p> <p>2. Socio-demographic factors associated with mortality among older adults between waves: an analysis based on SHARE data. - <i>Georgia Verropoulou, University of Piraeus</i></p> <p>3. Are health inequalities evident at all ages? - <i>Paul Norman, University of Leeds, and Paul Boyle, Longitudinal Studies Centre – Scotland (LSCS), University of St Andrews</i></p>	<p><b>Migration 2 – migration and children</b></p> <p><b>Chair: Professor Tony Champion, University of Newcastle</b></p> <p>1. Urban Migration of Adolescent Girls in Developing Countries - <i>Mark Montgomery, Population Council, New York; Deborah Balk and Zhen Liu, Baruch College, New York.</i></p> <p>2. Researching Left-Behind Children in China: The Need of a Multidisciplinary Approach - <i>Rosaria Franco, The University of Nottingham Ningbo China</i></p> <p>3. Early years migration in rural South Africa - <i>Rachel Bennett, Victoria Hosegood, Jane Falkingham, University of Southampton</i></p>	<p><b>Historical 2 – anthropometric history and demography</b></p> <p><b>Chair: Dr. Alice Reid, University of Cambridge</b></p> <p>1. Waist not, want not: Measuring historical obesity using anthropometric data from two British tailors - <i>Sarah Campbell, University of Oxford</i></p> <p>2. Anthropometric history in the short, medium and long term - <i>Bernard Harris, University of Southampton</i></p> <p>3. Advances in the study of gender-specific health conditions in the past: approaching size dimorphism through health surveys - <i>Antonio D. Camara Centre d'Estudis Demografics (CED)</i></p>
<p>3.00pm – 3.15pm</p>	<p>Short Break</p>				
<p>3.15pm – 4.45pm</p> <p><b>Health 5 = Session room 2</b></p> <p><b>Life course 2 = Session room 3</b></p> <p><b>Fertility 3 = Session room 1</b></p> <p><b>Historical 3 = Session room 4</b></p> <p><b>Census 3 =</b></p>	<p><b>Health 5 – ethnic influences on health</b></p> <p><b>Chair: Dr. Emily Rousham, Loughborough University</b></p> <p>1. Reserve capacity, childhood growth, age at reproduction, and physical performance in Bangladeshi women - <i>B. Bogin, Loughborough University, D. Harper, Loughborough University, J. Merrell, Swansea University, J. Chowdhury, Swansea</i></p>	<p><b>Life course 2</b></p> <p><b>Chair: Dr. Athina Vlachantoni, University of Southampton</b></p> <p>1. Life Course Events and Residential Change: The Good the Not So Good and the Unexpected - <i>William A.V. Clark University of California Los Angeles</i></p> <p>2. Living alone in mid-life: diversity and change - <i>Dieter Demey, Ann Berrington, Maria</i></p>	<p><b>Fertility 3</b></p> <p><b>Chair: Dr. Sylvie Dubuc, University of Oxford</b></p> <p>1. Revealing the costs of reproduction in Gambian women using multi-process, multilevel models - <i>Rebecca Sear, LSHTM</i></p> <p>2. Kinship, cooperation and fertility: quantitative findings from the KASS study of European kinship - <i>Patrick Heady Max Planck Institute for</i></p>	<p><b>Historical 3 – relationships &amp; measurement</b></p> <p><b>Chair: Dr. Alice Reid, University of Cambridge</b></p> <p>1. Leaving home and transition to adulthood in historical Eastern Central Europe - <i>Mikolaj Szoltysek, Max Planck Institute for Demographic Research</i></p> <p>2. The Relationship between Leaving the Parental Home &amp; Migration: Evidence from the</p>	<p><b>Census 3 - Census validation &amp; population estimates</b></p> <p><b>Chair: Professor Ludi Simpson</b></p> <p>1. Methods for revising population estimates for mid-2002 to mid-2010 in line with the 2011 Census results – <i>Emily Shrosbree, ONS</i></p> <p>2. Matching of administrative data to</p>

<b>Lecture theatre 2</b>	<p><i>University, B. Molik, University of Bristol, M. Heinrich, University of London, V. Garaj, Brunel University, P. Meier, Sheffield University, J.L. Thompson, University of Bristol</i></p> <p>2. Family structure and child health: (re-) framing the question - <i>Wendy Sigle-Rushton, LSE</i></p> <p>3. Measuring inequalities in levels of emergency hospital admissions between ethnic groups in England - <i>Allan Baker, Justine Fitzpatrick, Ed Klodawski, London Health Observatory; Paul Fryers, David Jephson, Heather Heard, East Midlands Public Health Observatory</i></p>	<p><i>Evandrou, Jane Falkingham, University of Southampton</i></p> <p>3. Does social origin shape the transition to adulthood? A cross-national European comparison - <i>Adriana Duta, University of Southampton and Melinda Mills, University of Groningen</i></p> <p>4. Is it time to panic? The probability of achieving a first birth in a comparative perspective - <i>Julia Mikolaj, University of Southampton</i></p>	<p><i>Social Anthropology</i></p> <p>3. A Spatial Panel Analysis of Italian Regional Fertility - <i>Agnese Vitali, Francesco C. Billari, Bocconi University</i></p> <p>4. The Mismatch between Contraceptive Use and Fertility in Sub-Saharan Africa - <i>Akim J Mturi and Godswill Osuafor, North-West University, South Africa</i></p>	<p>1881 Census Enumerators' Books - <i>Joseph Day, University of Cambridge</i></p> <p>3. Widowhood and remarriage in Alghero, Sardinia (1866-1925) - <i>Lucia Pozzi, Marco Breschi, Massimo Esposito, Stanislao Mazzoni, University of Sassari</i></p> <p>4. Children born alive, children who have died": how accurately did parents reply to the special questions in the 1911 'Fertility census'? An initial assessment - <i>Simon Szreter, University of Cambridge, Alice Reid, University of Cambridge, Eilidh Garrett, University of St. Andrews, Sam Szreter, University of Cambridge)</i></p>	<p>validate the 2011 Census in England &amp; Wales - <i>Andrew Charlesworth, Nicola Rogers, Louisa Blackwell, David Fallows, ONS</i></p> <p>3. On the first results of the last 2011 population census of Greece – <i>Cleon Tsimbos, University of Piraeus</i></p>	
4.45pm – 5.15pm <b>Exchange foyer</b>	Break with refreshments					
5.15pm – 6.45pm  <b>Training = Session room 5</b>  <b>Fertility 4 = Lecture theatre 2</b>  <b>Migration 3 = Session room 1</b>  <b>Ageing 3 = Session room 2</b>  <b>Health 6 = Session room 3</b>	<b>Training on local authority demography</b>  <b>Led by Piers Elias</b>  1. Update of last year's session - Sex Ratios, Population Pyramids, where to find ONS data – <i>Piers Elias</i> 2. How to Calculate Healthy Life Expectancies for Local Authorities - <i>Pia Wohland</i>	<b>Fertility 4 – UK fertility</b>  <b>Chair: Professor Akim Mturi, North-West University, South Africa</b>  1. Fertility postponement and rising educational enrolment - <i>Maire Ni Bhrolchain, Eva Beaujouan, University of Southampton</i> 2. Immigration, fertility and tempo effects – <i>Sylvie Dubuc, University of Oxford</i> 3. Migration and fertility	<b>Migration 3</b>  <b>Chair: Dr. James Raymer, University of Southampton</b>  1. You say goodbye and... so do I: trying to quantify the Italian brain drain from 2000 to 2010 - <i>Alessandro Albano, Università di Bari "Aldo Moro"; Antonella Biscione, Università di Bari "Aldo Moro"; Maria Carmela Miccoli, Università degli studi</i>	<b>Ageing 3 - Lifecourse impacts on wellbeing in later life</b>  <b>Chair: Sarah Wo, University of Southampton</b>  1. The relationship between subjective wellbeing and age in older adults in England - <i>Stephen Jivraj, James Nazroo, Tarani Chandola, Bram Vanhoutte, University of Manchester</i> 2. Subjective Well-Being at the “Third Age”. Cohort	<b>Health 6 – Health in developing countries</b>  <b>Chair: Professor Barry Bogin, Loughborough University</b>  1. Towards the demography of ill-health: comparing the geographical distributions of mortality & health in Ghana - <i>Allan G. Hill, University of Southampton and Harvard School of Public Health and John R. Weeks, San Diego State</i>	<b>Interdisciplinary – the demography of conflict</b>  <b>Chair: Professor Ludi Simpson</b>  1. Fertility Responses to Violent Conflict: Evidence from the Second Palestinian Intifada - <i>Valeria Cetorelli, London School of Economics and Political Science Marwan Khawaja, United Nations Economic and Social Commission for Western Asia</i>

<p><b>Interdisciplinary = Session room 4</b></p>		<p>convergence – <i>Ben Wilson, LSE</i></p> <p>4. Friends, Family and Fertility: Does thinking about close social networks influence childbearing intentions? Does thinking about future childbearing influence the composition of a close social network? - <i>Paul Mathews, University of Essex, Maria Iacovou, University of Essex, Rebecca Sear, London School of Hygiene and Tropical Medicine, Ernestina E. Coast, London School of Economics and Political Science</i></p>	<p><i>di Salerno</i></p> <p>2. New mobilities or old? Perspectives on intra-national migration in the developed world - <i>Tony Champion, Newcastle University and Ian Shuttleworth Queen's University Belfast</i></p> <p>3. Introducing Acxiom's ROP data for the analysis of internal migration in Great Britain - <i>Michael Thomas, Myles Gould &amp; John Stillwell, University of Leeds</i></p>	<p>approach - <i>Vladimir Kozlov, Julia Zelikova, National Research University - Higher School of Economics</i></p> <p>3. Social and spatial inequalities in the impact of retirement on health in the United Kingdom - <i>Alan Marshall, University of Manchester, James Nazroo, University of Manchester, Paul Norman, Gindo Tampubolon, University of Manchester</i></p> <p>4. The long-lasting health effects of business cycles: How does exposure to economic booms and recessions over the life-course impact later-life health? - <i>Philipp Hessel, London School of Economics and Political Science, Mauricio Avendano London School of Economics and Political Science, Erasmus MC, Rotterdam, Harvard School of Public Health</i></p>	<p><i>University</i></p> <p>2. How structural determinants influence intermediary determinants of early childhood health in Colombia: exploring the role of communities - <i>Ana Maria Osorio, University of Barcelona; Catalina Bolancé, University of Barcelona &amp; Nyovani Madise, University of Southampton</i></p> <p>3. Understanding the link between HIV infection and poverty in Kenya: Evidence from the Demographic and Health Surveys - <i>Monica A. Magadi, University of Hull</i></p>	<p>2. Assessing conflict-related mortality in Sri Lanka: Towards a research agenda – <i>Sarah Lubman, University of Southampton.</i></p> <p>3. Civil war and population change in Sierra Leone, 1991-2002 - <i>Amie Kamanda, University of Southampton</i></p> <p>4. The Demography of Armed Conflict: Reconstructing demographic estimates before, during and in the aftermath of the 1998 – 2004 D. R. Congo armed conflict - <i>Richard Kapend; Andrew Hinde; and Jakub Bijak, University of Southampton</i></p>
<p>7.00pm</p> <p><b>Lecture theatre 2</b></p>	<p>BSPS AGM – members only</p>					
<p>7.45pm</p> <p><b>Atrium</b></p>	<p>Dinner</p>					
<p><b>Wednesday 12/9</b></p>						
<p>7.30am – 9.00am.</p> <p><b>Atrium</b></p>	<p>Breakfast</p>					

<p>9.00am – 10.30 am</p> <p><b>Qualitative 1 = Session room 1</b></p> <p><b>Migration 4 = Lecture theatre 2</b></p> <p><b>Fertility 5 = Session room 2</b></p> <p><b>Families 3 = Session room 4</b></p>	<p><b>Qualitative 1</b></p> <p><b>Chair: Dr. Jo Sage, University of Southampton</b></p> <p>1. Mixed methods as a long-term research strategy. Investigating continuities and change in French Caribbean migration and transnational experience - <i>Stephanie Condon, Institut National d'Etudes Démographiques</i></p> <p>2. A lifecourse perspective on experiences of parental marital disruption and changing family relations through the use of life narrative and life history calendar methods - <i>Jo Sage, Maria Evandrou, Jane Falkingham, University of Southampton.</i></p> <p>3. Family matters: migration and childbearing decisions of 'new' Poles in the UK - <i>Paulina Trevena, University of Southampton, Derek McGhee, University of Southampton, Sue Heath, University of Manchester</i></p> <p>4. Transnational groups of reference and their role in justifications of intentions for the second offspring among Polish men and women living in Poland and in the UK - <i>Joanna Marczak, LSE</i></p>	<p><b>Migration 4 – Migration and population estimates</b></p> <p><b>Chair: Ian McGregor, office for National Statistics</b></p> <p>1. Distributing short-term in-migrants to Local Authority level using administrative sources - <i>Jennifer Farnall, Helena Rosiecka, Simon Whitworth, Ian McGregor, Office for National Statistics</i></p> <p>2. Quality indicators for local authority mid-year population estimates - <i>Paola Serafino, Sue Dalton, Enliz D'Souza, Office for National Statistics</i></p> <p>3. Using administrative data to set plausibility ranges for population estimates in England and Wales - <i>Ann Blake, Alistair Dent, Sofie de Broe, Melissa Randall, Office for National Statistics</i></p>	<p><b>Fertility 5 – Comparative European fertility</b></p> <p><b>Chair: Ben Wilson, London School of Economics</b></p> <p>1. Is slowing postponement really the engine for TFR rises in European countries? - <i>Marion Burkimsher, University of Lausanne</i></p> <p>2. Family formation via mutual reciprocity between fertility and marriage: A cross-European comparison - <i>Mark Lyons-Amos, Brienna Perelli-Harris, University of Southampton</i></p> <p>3. First births in Europe: socio-economic differentials in the effect of economic and institutional contexts over the life-course - <i>Karel Neels, Jonas Wood, Zita Theunynck, University of Antwerp</i></p> <p>4. A multi-level analysis of kin influence on fertility in the developed world using the Gender and Generation Survey: the roles of paternal investments and socioeconomic status - <i>Susan Schaffnit and Rebecca Sear, London School of Hygiene and Tropical Medicine</i></p>	<p><b>Families 3 – Union dissolution</b></p> <p><b>Chair: Ludovica Gambaro, London School of Economics</b></p> <p>1. Uptake of Antidepressant Medications in Couples after Divorce: Convergence or Divergence in Couples - <i>Christiaan Monden, University of Oxford, Pekka Martikainen, University of Helsinki, Niina Metsa-Simola, University of Helsinki, Saska Saarioja, University of Helsinki</i></p> <p>2. Education and marital dissolution: does marital satisfaction explain the gradient? - <i>Diederik Boertien, Universitat Pompeu Fabra, Juho Härkönen, Stockholm University</i></p> <p>3. Does Culture Affect Divorce Decisions? Evidence from European Immigrants in the US - <i>Delia Furtado, U Connecticut Miriam Marcén, U Zaragoza Almudena Sevilla, Queen Mary</i></p> <p>4. Welfare entry and exit after separation among Australian mothers - <i>Anna</i></p>
