

BSPS Conference 2016 – the University of Winchester, 12-14 September

Information for presenters and participants

Travel and Parking

Travel: The conference will take place on the main King Alfred's campus. The nearest airport is Southampton - Trains run to Winchester from the station by the airport, or the journey is 20 - 30 minute taxi ride. If you are coming from further afield, the best way to Winchester is from Heathrow or Gatwick, and if you are not travelling by car to use the National Express coach service www.nationalexpress.com

For map and directions, please refer to the maps attached or follow the following website link: <http://www.winchester.ac.uk/contactusandmaps/Pages/contactusandmaps.aspx>

Please note that Winchester is hilly and the campus has steep slopes in places. However, there is lift access to all levels via the lift in the University Centre Building.

Parking: The University has over 400 parking spaces across the two campuses. Please be aware that parking can be exceptionally busy over the summer and is only available on a first come basis. Please car-share whenever possible. The main conference car park is the Dytche (B), but other car-parks such as C, D, E and F can also be used for overflow parking if required. Apart from 4x unloading bays, located outside blocks A & E of the accommodation block, there are no parking bays at the Burma Road accommodation, with the exception of a few disabled bays (ie disabled, blue-badge parking ONLY.) **Please also be aware that all parking at the University requires a valid parking permit; please display this permit at all times to prevent ticketing. Parking permits can be collected from the bedroom check in-desk at St. Swithuns' Lodge or the Stripe Conference registration desk on arrival.**

Conference facilities

Conference facilities: Conference registration is in the Stripe foyer (18 on campus map) from 10.30am on Monday 12 September. The registration desk will be staffed throughout the Conference. Plenary sessions & all strand sessions are in St. Alphege Building, next door to the Stripe (17 on campus map).

Tea and coffee breaks & communal space, plus the poster session and reception on the first evening & the book launch on the second evening, are all in the Stripe foyer, plus Stripe Studios 1 and 2, which are all interconnected. You are encouraged to make time to look at the posters, which we hope will remain on display throughout the Conference.

AV: all session rooms have screen, computer and data projector. The in-house system uses Microsoft Office 2010. Presenters should bring their presentations on a data stick or similar, and a back-up is always recommended. (Please note that there are no MAC adaptors and you would need to bring one, if required.)

Please load your presentation in advance of your session or right at the start of the session. An emergency number will be provided in case of any problems with the equipment, but it's usually a good idea to try booting down and then up again first! IT support is available on Ext 7608 or the conference office can be contacted on Ext 7322 from the internal phones.

Alternatively the University has its own IT helpdesk located on the ground floor of the main building (7 on the campus map) which delegates can visit between the opening hours of 10.00am-12.00pm and 2.00pm-4.00pm, the IT helpdesk can be contacted from 08.30am – 5.00pm on Ext 7654 from an internal phone.

Internet access: To access the network – if you do not already have free Eduroam access credentials (you are advised to obtain these from a participating educational institution if you belong to one prior to arrival in Winchester) – you will require a username and password which can be collected from St. Swithun's Lodge (2) at room check-in, free of charge. If not staying on campus, please ask at the Conference registration desk. Alternatively the University has several open access PC's located on the main campus,. Please ask at the University main reception for further details.

Accommodation

Accommodation and keys: accommodation is in one of the newer accommodation blocks, Burma Road – (no.29 on campus map). All the bedrooms are single rooms with en-suite facilities. They are arranged as flats of 8 bedrooms each, with lift access to all floors. Each flat also has a shared kitchen, with tea and coffee making facilities which are provided for use by Conference participants staying on campus. There are also the usual kitchen facilities, but cooking utensils are not provided: it is assumed most staying on site will have either booked the evening meal or will plan to go out to eat. The evening dinner is included in the full accommodation package but must have been booked separately if you have booked any other option on the booking form. It will not be possible to take additional dinner bookings on site, as numbers have to be advised in advance.

Check-in to bedrooms is from 2.00pm to 9.00pm on the day of arrival and room keys should be picked up from the St. Swithun's Lodge reception desk (2 on map) opposite the

Burma Road Student Village, NOT from the Conference registration desk. Luggage may be stored in the Stripe Lecture room on the 1st floor of the Stripe building if arriving before check-in time, or at Conference registration in the Stripe foyer. (It is possible access to rooms will be available earlier, but it is not possible to confirm this in advance.) If arriving after 9.00pm, please try and let us know in advance. For after-hours keys, please use the internal phone in the lobby of the St. Swithuns' Lodge to ring the security team on extension 7666.

The bed linen provided is a duvet and two pillows. Two towels and a small toiletry pack are also provided. Televisions, radios, alarm clocks, hairdryers and clothes hangers are NOT provided.

If you have booked to arrive on Sunday 11 September, please try to arrive between 2.00pm and 8.00pm. After that time, use the internal phone as described above. Please note that no evening meal is provided on the Sunday evening and there will be no eating places open on campus. You should eat before you arrive, bring food with you, or eat in Winchester itself: the town centre is only a short walk from the campus. See map of Winchester provided.

Please refer any unexpected problems with accommodation to the St. Swithuns' Lodge reception initially. If any problems still remain, please speak to the Conference administrators at the Conference registration desk.

Strand sessions and programme

Strand sessions are 90 minutes in duration, with the exception of one session on Wednesday morning which lasts for 2 hours. Presentations will vary in length, depending on the number of presentations in the session, but are most likely to last for 15 or 20 minutes: your strand organiser or chair of session will confirm the length for your presentation before the conference. Questions will either be at the end of each individual presentation or collectively at the end of the session: the Chair of each session will advise at the start of the session. It is perfectly acceptable for audience members to switch between sessions, although helpful if this can be at the end of individual presentations. Please do NOT log off any session room computers at the end of your session or the end of the day.

Programme and strand sessions: The provisional programme is updated on the BSPS website at www.bsps.org.uk

or

<http://www.lse.ac.uk/socialPolicy/Researchcentresandgroups/BSPS/annualConference/2016-Conference-Winchester/BSPS-Conference-2016.aspx>
