# DR TONY HOCKLEY

---

---

## *PUBLIC POLICY ANALYST*

---

Research analyst and lecturer, specialising in British and European politics, and public services reform. Highly experienced in designing and executing research strategies, and communicating research findings to academic, political, and lay audiences.

---

## *CAREER*

---

### ***Department of Social Policy, London School of Economics & Political Science 2001 -***

Visiting Senior Fellow, Department of Social Policy, since Feb 2016. Founding lecturer in the MSc course “Behavioural Public Policy”. Recipient of the Teaching Excellence Award 2016. Other courses taught since 2001 include “Pharmaceutical Economics”, “Foundations of Health Policy”, and the Executive MSc “Health Economics Policy & Management”. Lead author for several research projects for LSE Enterprise Ltd, managing international research teams. Guest Lecturer at the ZHAW School of Management & Law, Zurich, since 2015. Blog author for LSE British Politics and Policy, and Spectator Coffeehouse.

### **Director, Policy Analysis Centre, London 2000 -**

Since its first publication in 1995 the Centre has established a strong reputation in the production of rigorous and thought-provoking public policy research, and the provision of independent comment and advice on British and international current affairs across a range of media.

### **Director, European Public Policy, GSKplc, London/Brussels 1998-2000**

Policy development in market regulation, pricing and reimbursement across 34 countries. Member of the PhRMA Economic Policy Task Force, Washington DC, and EFPIA Access to Medicines Task Force (Brussels).

### **Head of Research, Social Market Foundation, London 1997-98**

Leading the research programme for an independent Westminster think-tank.

**Special Adviser to the Secretary of State for Health, London 1995-97**

Served two Secretaries of State for Health, concentrating on workforce planning and remuneration, market regulation and primary care reform.

**Economic Adviser, Air Transport Users Council (AUC), Civil Aviation Authority 1992-97**

Representing user interests within market liberalisation processes in Britain, the European Union and international markets. Providing evidence to regulatory reviews and competition inquiries relating to airports and airlines.

**Policy Adviser, Rt Hon Dr David Owen MP, House of Commons 1990-92**

Researching and writing speeches and books for the Leader of the Social Democratic Party, former health minister and foreign secretary (Lord Owen CH)

---
