- If it is necessary to print, please print double sided - an easy guide can be found here

- It is easy to get rid of your waste responsibly at LSE. Recycling bins are all around - make sure you choose your bin colour carefully!
- Are you tired of paying for water? Bring your own bottle and fill up at any of these water fountains:

1 - Water fountains

- In the communal areas (class rooms, toilets, common room), if you are the last one out, please don't forget to turn off the lights.

- Whenever possible, take the stairs. It's good for you and the planet!
- Whenever possible try to consume fair trade food & drink.
- Try to reduce your consumption of meat to feel better and to reduce the negative impact on environment.
- If you want to pay less for your coffee, use LSE Smart Mug. See:
