## Welcome to LSE

On behalf of all LSE's staff and students, I would like to welcome you to our Open Day. We have created a schedule that gives you the opportunity to find out more about the subjects you are interested in, obtain information from relevant departments and, perhaps most importantly, experience LSE's unique atmosphere.

This programme details the events and activities taking place during the Open Day, including times and locations. If you require any further information please ask one of our Student Ambassadors, who will be happy to assist you. These Ambassadors are also able to provide an insight into student life at LSE, so be sure to ask for their candid opinions!

Please ensure that you (and your guest) register in the New Academic Building when you first arrive at the School. After registration you will be free to enjoy the many Open Day events taking place on campus.

I do hope that you find your visit both informative and enjoyable, and that you will consider applying to LSE in the near future.

**Enjoy your day.**

## CAMPUS DEVELOPMENTS

Some parts of LSE's campus are currently closed as we develop new state-of-the-art buildings and facilities. We apologise for any inconvenience these works cause, and hope they will not detract from your enjoyment of the day. For full details of all our halls of residence and intercollegiate accommodation, please visit the LSE Residential Services website: [lse.ac.uk/accommodation](http://lse.ac.uk/accommodation)

## RESIDENTIAL SERVICES INFORMATION STAND

urbanest King's Cross and urbanest Westminster Bridge are open for visitors today. These residences are independently managed and owned by urbanest student accommodation. Both halls offer a guaranteed number of places to LSE students each year and have a warden on site to support LSE residents. Students may elect to live at an urbanest residence through their main LSE accommodation application.

Guided tours of the urbanest halls will last around 15 minutes. If you intend to return to LSE after the tour, we recommend you leave between 90 minutes-2 hours to visit either residence.

LSE runs a popular Summer School in the summer months and all of our own residences are currently occupied by these students. It is not, therefore, possible to visit LSE residences during the Open Day.

LSE offers a variety of accommodation options to students with differing costs, contract lengths and facilities. The urbanest residences are not necessarily indicative of other LSE halls. Please visit the Residential Services information stand in LSE LIFE today or the LSE accommodation webpage for further information.

# Explore the campus

At the Open Day, you are free to explore the LSE campus at your leisure using this self-guided tour and the map on the back page of this booklet. The tour begins at the main entrance to the Old Building on Houghton Street.

## 1 OLD BUILDING

Enter the Old Building through the glass doors and you will see a reception desk to your right. If you need any help navigating your way around the campus please ask a member of staff. The doors in front of you lead into the Old Theatre. This is one of the School's main lecture theatres and is used for teaching and guest lectures, LSE Drama Society productions and weekly Students' Union meetings.

*Take the lift or stairs to the sixth floor. Go through the swing doors and follow the corridor through the Anthropology Department, round to the right and into the Shaw Library/Founders' Room.*

## 2 THE SHAW LIBRARY

A library and common room for the entire LSE community. The Library encourages students to widen their interests by reading books on subjects not included in the School curriculum. The Shaw Library holds a generous stock of English language fiction classics through to modern book prize winners, as well as significant collections on poetry, biographies, plays, art, architecture, sport, music and travel guides. The Library also stages free lunchtime and evening concerts by leading jazz and classical performers.

*Make your way back along the Anthropology corridor and through the swing doors. Take the lift or stairs to the fourth floor. Go through the swing doors into the Fourth Floor Restaurant.*

## 3 FOURTH FLOOR RESTAURANT

Here students can purchase main meals along with hot and cold snacks at subsidised prices. There is a wide variety of food to suit all tastes and requirements, with a selection from around the world available, reflecting the international nature of the School. Outside is a roof terrace for students to enjoy food and drink al fresco. From here you will have a good view across Houghton Street to the redevelopment of LSE's centre buildings and the creation of a new academic and social space, due for completion in 2019.

*Go back to the lift/stairs and return to the ground floor. Turn right at the Old Theatre and follow the corridor until you see the entrance to the Student Services Centre on your right. Enter through the double doors.*

## 4 STUDENT SERVICES CENTRE

The Centre brings together LSE's student support services, and the staff at the counter will be pleased to answer any basic questions you may have. Drop in sessions for more detailed queries on immigration, fees, financial support and admissions are held at various times during the week. You will also see pictures of the 18 LSE alumni or staff members who have been awarded Nobel prizes.

*Leave the Student Services Centre through the door under the stairs, at the opposite end to where you entered. Continue forward and follow the blue floor signs to exit the building onto Portugal Street. Turn right, and continue until you reach the John Watkins Plaza and the LSE Library, on your right.*

## 7 NEW ACADEMIC BUILDING

The School's New Academic Building was purchased in 2004. Constructed in 1912, the building has undergone a radical transformation and now provides students with fantastic state-of-the-art facilities. It houses the School's departments of Management and Law. It boasts eight floors of teaching rooms, lecture theatres and offices, built around a soaring central atrium flooded with natural light.

*Cross Sardinia Street and walk down Portsmouth Street. On your right you will see the Saw Swee Hock Student Centre, which you are welcome to explore.*

## 8 SAW SWEE HOCK STUDENT CENTRE

Since opening in 2014, the Student Centre has been presented with a host of architecture awards, including the prestigious RIBA London Building of the Year Award 2014. The building is a student hub at the heart of LSE's campus and houses the LSE Students' Union and large venue space. Here, you will find a pub, a fitness centre, a multifaith prayer centre, as well as the LSE Residential Services Team, and the LSE Careers Service. The Student Centre is also home to the LSE Media Centre, which includes LSE's Pulse Radio, its weekly newspaper (*The Beaver*), its termly journal (*The Clare Market Review*) and LSE's very own TV station, LooSE TV.

*On leaving the Student Centre, turn right and then right again, onto Portugal Street.*

## 6 32 LINCOLN'S INN FIELDS

The former Land Registry Building opened its doors as 32 Lincoln's Inn Fields in 2013. The building enjoys views over London's largest public square. It offers five floors of academic offices plus three lower floors of teaching and student activity areas, which can cater for up to 1,000 students.

*Turn left onto Lincoln's Inn Fields and walk towards Sardinia Street. LSE's New Academic Building is across the road on your right.*

## 9 PEACOCK THEATRE

LSE utilises this 999-seat West End theatre for lectures, public talks, conferences and graduation ceremonies.

## 11 CLEMENT HOUSE

Clement House was built in 1911, and acquired by LSE in the mid 1990's. On the ground floor is the Hong Kong Theatre, which is used for both academic and public lectures.

*Exit Clement House and turn right on the Aldwych. Walk up to Houghton Street.*

*Turn around and walk back along Portugal Street, continuing until you reach St Clement's Lane (behind the Waterstones bookshop). Walk down St Clement's Lane then turn right onto Grange Court and then left down the steps to Clement's Inn. On your right hand side will be Towers One, Two and Three.*

## 12 LSE GARRICK

On the corner of Houghton Street and the Aldwych is LSE Garrick. The ground floor of this café serves a variety of hot and cold drinks, sandwiches and snacks while the lower floor offers a main meal service. It makes an ideal place to rest at the end of your tour.

## 10 THE TOWERS

On the wall next to the entrance of Tower Three you will see a plaque marking the location of the headquarters of "The Women's Social and Political Union", also known as "The Suffragettes". Tower Three is home to the St Philips Medical Centre, providing NHS treatment to LSE students.

*Continue along Clement's Inn and through the gate at the end, leading out onto the Strand. Turn right and follow the pavement round until you come to Clement House, on your right. Enter Clement House through the second set of doors.*
