

Remember you can access recent newsletters on our [website](#).  
 March's focus topic is **Meeting Conditions**.

## MEETING YOUR CONDITIONS

If you have received a **conditional offer** from us, we will need you to provide official proof that you have fulfilled these conditions before you register, and we advise that you act as early as possible to avoid running short of time later in the summer.

### Degree conditions

If your offer is conditional on obtaining a particular mark in your current degree studies, you will need to provide formal certification that you have met the degree condition(s). You can do this by sending us an **official transcript or written statement from your University via Digitary or University email, or a hard copy in the post**.

Please note that you should not send your original degree certificate, as we are not able to return any documents. Check pages 12 and 13 of your [Offer Pack](#) for full details on what is acceptable evidence.

### English language conditions

If you are required to meet an IELTS (or equivalent) score as part of an English language condition, you should arrange to take the test as soon as possible. Once you have your results, please [submit them online](#), including the TRF number detailed on your results certificate, or ensure you tell your provider to allow LSE access to your score.

Please remember that if you require a student visa to study at LSE, you will not be able to apply for this visa until your offer is unconditional, you have submitted the Financial Undertaking form, and accepted your offer. We will begin issuing CAS statements from early May, so it is within your best interests to send us your documents early to allow enough time to receive your CAS and for your local visa office to process your student visa.

## Summer School conditions

If you have been set a Summer School condition as part of your offer, you should apply to the Summer School via their [online form](#). Results from Summer School exams are automatically sent to the Graduate Admissions team for your offer to be updated.

To request approval of an alternative course to meet the summer school condition, please submit details via our [Condition Waiver Form](#). Your request will be sent to the academic Selector for their consideration, and you will be notified by email as soon as a decision is made.

## Official Documents

Even if your offer is unconditional, you may be required to supply additional, official, documentation. Any such requirement is stipulated in your offer letter and [on the application tracker](#).

These documents must be received before you will be allowed to register with LSE. Full guidance on what constitutes an "official" document is detailed on pages 12 and 13 of your [Offer Pack](#)

- Original final transcript - don't send your degree certificate
- Proof of degree form
- Verified copies of transcripts or certificates - signed and stamped
- Photocopy/scan/email of verified copy
- Original certificate - we can't return documents
