## Fee status classification

Your fee status is determined by reference to your nationality, country of domicile and other factors as defined in the Immigration and Nationality (Fees) Regulations 2016, including your parents' or spouse/civil partner's status. A glossary of terms can be found on page 2.

You must complete Section A, plus any sections that apply from B to E, dependent upon your residency in the past three years. Section F is available for you to supply any additional information that may be relevant to your fee classification.

Each section has spaces for information regarding yourself, your spouse/civil partner (where applicable) and your parents. There is no need to duplicate information – eg, if both parents live at the same address, you may simply add "as previous". Information regarding your spouse/civil partner and parents is requested because some types of eligibility for home fee status are affected by your family relationships, eg, the children of EU nationals who are not themselves EU nationals, or the spouses/civil partners of asylum seekers who have been awarded refugee status.

Classification as a "Home" student for the purposes of fee payment depends on qualifying under the "Main Formula" for UK residence, or on inclusion in one of a number of limited categories. For information regarding this, please see the UKCISA website at [www.ukcisa.org.uk](http://www.ukcisa.org.uk)

## Documentation

You must supply a certified copy of your passport picture page and any relevant visas or Home Office documents. If your fee status is dependent upon your spouse/civil partner or parent(s), you must also provide copies of their documents as well. Documents must be in English or translated into English and stamped by a certified translator.

In order to qualify as "correctly certified", each page must include:

- 1 – The signature of your head teacher, a British Council official, or solicitor/legal notary public
- 2 – The name of the person who has signed the document
- 3 – The job title of the person who signed the document
- 4 – The official stamp of your school, the British Council Office, or solicitor/legal notary public

Some questions require you to submit **additional documents**. The notes at the top of each section stipulate which documents are acceptable.

Please note that failure to fully complete the required sections and/or supply the correct documents may delay the decision made on your application or may lead to you being incorrectly classified.

## Glossary of terms

ALL SECTIONS	First day of the first academic year of the course ("relevant date")	This date is defined in the fees regulation as 'the 1 September, 1 January or 1 April closest to the first term of the person's course'. It is referred to in this document as the "relevant date". Therefore for ALL undergraduate programmes, the majority of master's programmes and PhD programmes that date will be 1 September of the year of entry. Only PhD students intending to commence their study in the Lent or Summer terms will have a different relevant date.
	Relevant three year period	The three years preceding the relevant date – therefore if your relevant date is 1 September 2017, we require information relating to all of your places of residence (excluding normal holidays) from 1 September 2014 – 1 September 2017.
SECTION A	Permanent address	This is the place where you are ordinarily resident – a home you retain even if you are temporarily absent for educational or professional reasons. The place where you "habitually, lawfully and normally live" (UKCISA).
SECTION B	UK and Islands	England, Scotland, Wales, Northern Ireland, the Channel Islands and the Isle of Man, but excluding Sovereign Bases on Cyprus and UK Dependent Territories such as the Falkland Islands.
	ILR	Indefinite Leave to Remain – an official letter of validation of your passport issued by the immigration authorities.
SECTION C	EU	Austria, Belgium, Bulgaria, Republic of Cyprus (but not the Turkish Republic of Northern Cyprus), Croatia, Czech Republic, Denmark, Estonia, Finland (including the Åland Islands), France (including the French Overseas Departments of Guadeloupe, Martinique, French Guyana, Reunion, and Saint Martin), Germany (including Heligoland), Greece, Hungary, Ireland, Italy, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal (including Madeira and the Azores), Romania, Slovakia, Slovenia, Spain (including the Balearic Islands, the Canary Islands, Ceuta, and Melilla), Sweden, UK (including Gibraltar).
	EEA	EU countries plus Iceland, Liechtenstein and Norway (including Svalbard). Due to a bi-lateral agreement dating from 2002, Switzerland is also considered to be within the relevant area for fee classification purposes.
SECTION E	HP	Humanitarian Protection – given to asylum seekers who have not been granted refugee status, but who nevertheless may remain in the UK. Official documentation issued by the immigration authorities.
	Normal holidays	Short absences with a fixed intention to return to the UK, ie, with no change in your place of ordinary residence.
