NOMINATION FOR AN HONORARY FELLOWSHIP

GUIDANCE NOTES

The Nominations Committee will be considering nominations for Honorary Fellowships at its next meeting in November. The award of Honorary Fellowship is one of the most prestigious awards that the School can bestow on someone who is outstanding in their field and who has rendered exceptional service to the School.

Honorary Fellowship nominees are expected to have a direct link with LSE either through studying or working for LSE. Nominations cannot be accepted for current full time members of staff.

All valid nominations will be considered by the Nominations Committee in November and if approved by the Academic Board and the Court of Governors, successful nominees will be contacted in December and invited to the Summer presentation ceremonies. A maximum of six Honorary Fellowships can be awarded annually.

Nominations can be made by completing the attached nomination form and returning it to Dr Ian Stephenson, Room V600, LSE, Houghton Street, London WC2A 2AE by Friday 3 October 2008. Please provide all the information requested and any additional particulars that will assist the Nominations Committee in their decision. You may email your nomination to i.stephenson@lse.ac.uk although for presentation purposes, use of the nomination form is preferable. If making more than one nomination please indicate any preference. Nominations remain current for three years; if a nominee is not elected to Honorary Fellowship within that time, you may assume the nomination has lapsed.

The Honorary Fellows elected in Summer 2008 were Presiley Baxendale, Dame Lynne Brindley, Sir Peter Lampl, Dr Yaga Reddy and Robert Rubin.

Further information and an electronic form can be found at the Planning and Corporate Policy Division website at:

If you require further information please call Dr Ian Stephenson on 020 7955 7120 or fax 020 7852 3646.
