# LSE 2030 Strategy: Summary Structure
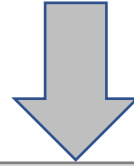

Strategic Priority 3: Develop LSE for Everyone

- **LSE for Everyone**
- **Creating a world class environment**
- **External engagement**

Strategic Priority 1: Educate for Global Impact

- **Excellent, research-rich education**
- **Consistently excellent student experience**
- **Community, inclusion and wellbeing**

Strategic Priority 2: Research for the World

- **Sustain the Social Sciences**
- **Shape the future of Social Sciences**
- **Support Research**

Strategic Priority 1: Educate for Global Impact

Excellent, research-rich education

Operational Workstreams

Digital Education
To recommend a vision for our digital education

Showcase Portfolio
To showcase students' degree highlights to an external audience

Extended Education
To develop non-standard education opportunities

Credit Framework
To facilitate stackable credentials

Consistently excellent student experience

Operational Workstreams

Offer & Opportunities
Mapping, enhancing, communicating our 'offer' to students

Student Futures
Experiential learning opportunities, curricular and non-curricular, outside the classroom

Course Selection & Timetabling
To de-risk and replace obsolete software and create a dynamic, responsive course selection process

Community, inclusion and wellbeing

Operational Workstreams

Inclusive Education Action Plan
To build an inclusive student experience in community and curriculum

Welcome
To ensure students' first experience of LSE is engaging, inclusive and efficient

Student Mental Health and Wellbeing
To review provision for student mental health and wellbeing, aligned to external frameworks

Strategic Priority 2: Research for the World

Sustain the Social Sciences

Operational Workstreams

Advocate for the Social Sciences
To ensure social sciences are properly represented in high level discussions about government policy, including funding debates

Research Commercialisation & Student Entrepreneurship
To amplify LSE's research through new relationships with the private sector, and supporting students' socially impactful entrepreneurship

Shape the Future of Social Sciences

Operational Workstreams

Data Science
To develop a strategic approach for data science including education, skills, research and resources

PhD programme
To develop and upgrade our training of PhD students

Support Research

Operational Workstreams

Research Support Fund
To provide a clear and joined-up framework for faculty to access resources to support their research

Strategic Priority 3: Develop LSE for Everyone

LSE for Everyone

Operational Workstreams

#Healthy, Inclusive and Empowered LSE
To strengthen our community of staff and students

#Sustainable LSE
To be carbon neutral in 2020/21 and net-zero emissions for scope 1, 2 and 3

Creating a world-class environment

Operational Workstreams

Technology
To improve the digital experience to make technology and data intuitive, exciting and smooth

Residences
To ensure we can guarantee an offer of accommodation to all first year students

Campus masterplan
To develop a world-class environment of teaching, learning and social spaces with sustainable design and practices

External Engagement

Operational Workstreams

125 years
To showcase LSE in our 125th anniversary

Campaign
To enhance philanthropy for our campaign: Shaping the World

Global Academic Engagement
To partner with leading international universities and advancing global mobility

Corporate Engagement
To develop effective corporate partnerships that are mutually beneficial to the organisation and LSE
