The Algerian War, The Algerian Revolution

- Examines how the most recent research has revisited key events of the Algerian War and brought forward new approaches and themes.
- Brings together an engaging account of its origins, course and legacies with an incisive analysis of how interpretations of the conflict have shifted and why it continues to provoke intense debate
- Assesses the historiography of the end of a colonial empire, the rise of anti-colonial nationalism and their post-colonial aftermaths

"This book is an incredibly clear presentation of why the Algerian War mattered, what happened, the key contexts which produced this conflict and those that shaped it, as well as offering a brilliant entry point to teach or demonstrate how historiography works, how historians do history." - Todd Shepard, Arthur O. Lovejoy Professor of History, John Hopkins University, USA "This is a fantastic book which fills an important gap in the historical scholarship. Natalya Vince has managed the seemingly impossible task of presenting a nuanced history of the Algerian War / Algerian Revolution in clear, concise terms." - Sarah Frank, Associate Lecturer of History, St Andrews University, UK "This brilliant and beautifully written book achieves the seemingly impossible task of offering a lucid and nuanced guide to the massive body of historical writing on the Algerian war. The book will immediately become essential and indispensable reading not only for students at all levels but also for teachers and historians." - Julian Jackson, Professor of Modern French History, Queen Mary University of London, UK This book examines one of the most violent wars of decolonisation of the twentieth century, the Algerian War/ the Algerian Revolution between 1954 and 1962, the history of which continues to be hotly contested. Bringing together an engaging account of its origins, course and legacies with an incisive analysis of how interpretations of [...]
