

Industrial Policy in Turkey

Rise, Retreat and Return

Mina Toksoz, Mustafa Kutlay and William Hale

Examines the evolution of Turkey's industrial policies in a global context over the last century

- Gives a conceptual review of the major debates on industrial policy and its evolution in Turkey that have closely followed international trends
- Documents Turkey's industrial policies over the last century to analyse continuity and change in its industrialisation performance

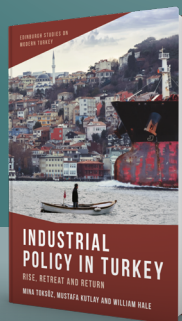

At a time when many advanced and emerging economies are adopting more active industrial policies, *Industrial Policy in Turkey* provides an in-depth historical–empirical account of industrial policy in Turkey – its rise, retreat and return.
