

ADURAGBEMI BANKE-THOMAS

PhD, MPH (Hons.), M. Health Policy & Prog. Mgt., M.B; B.S, FHEA, FRSPH

Address: Department of Health Policy (COW.G.08), London School of Economics and Political Science, Houghton Street, London, WC2A 2AE, UK

E-mail: a.banke-thomas@lse.ac.uk; **Tel:** +44 (0)207 107 5132

PROFILE

Physician, public health practitioner, policy and development professional, academic and researcher, with ten years of progressive professional experience in clinical practice, development programme management, academia, operational research, monitoring and evaluation in the maternal, child, adolescent sexual and reproductive health areas. Has exceptional capacity for quantitative and qualitative data analysis, geographic information systems analysis, economic evaluation and value for money analysis. Bi-lingual, speaking English and French fluently and maintains a high-standing academic, professional and leadership track record.

EDUCATION

Liverpool School of Tropical Medicine and University of Liverpool, Liverpool, United Kingdom (January 2018)

Doctor of Philosophy (PhD) International Public Health

Thesis title: Social Return on Investment on Emergency Obstetric Care Training in Kenya

EHESP French School of Public Health and Institute of Political Studies (Sciences Po), Rennes, France (July 2013)

Master Pilotage des Politiques et Actions en Santé Publique (Master's in Health Policy and Programme Management)

Dissertation title: L'intégration des populations rurales burkinabé dans les programmes de réduction de l'incidence de la fistule obstétricale: Le travail effectué, la situation actuelle et les perspectives d'amélioration.

University of Sheffield, Sheffield, United Kingdom (July 2013)

Master of Public Health (MPH with Distinction)

College of Medicine, Lagos State University, Lagos, Nigeria (April 2009)

Bachelor of Medicine; Bachelor of Surgery (M.B; B.S)

EMPLOYMENT HISTORY

London School of Economics and Political Science, London, United Kingdom

Research Fellow/AXA Research Fund Grantee (September 2019 – Present)

- Leads research on access and utilisation of emergency obstetric care services in Nigeria, as an AXA Research Fund grantee.

London School of Economics and Political Science, London, United Kingdom

Fellow in Health Policy (August 2017 – August 2019)

- Led research on value for money of maternal health services in developing countries
- Led delivery of the Health Systems and Policies in Developing Countries module (HP403).
- Delivered post-graduate teaching in Financing Health Care: A comparative approach and Economic Evaluation courses.
- Supervised post-graduate students on Master's in International Health Policy and Masters in Global Health programmes.

University of Liverpool/Laureate Online, Liverpool, United Kingdom

Honorary lecturer/Dissertation Advisor (December 2014 – Present)

- Delivers post-graduate online teaching in Generating and Evaluating Public Health Evidence, Practising and Promoting Global Health, Public Policy in Low Income Countries, Management of Health Systems, Monitoring and Evaluation of Systems and Programmes, and Health Economics and Finance.

Centre for Reproductive Health Research and Innovation, Lagos State University College of Medicine, Lagos, Nigeria

Research Fellow, (December 2013 – Present)

- Leads research assessing equity of comprehensive emergency obstetric care facilities in Lagos.
- Leads research assessing social impact of comprehensive emergency obstetric care facilities.
- Provides operational leadership of the project and manages grant (\$80,000).

Arizona State University/Dignity Health/Maricopa Integrated Health Systems, Arizona, United States

McCain Institute Next Generation Leader/Health Policy Fellow/Adjunct Research Associate (September 2015 – September 2016)

- Led an economic evaluation of a specialised antenatal care service for refugee women in the state of Arizona.
- Led multiple research on provision of maternal health care for refugee women in the state of Arizona.
- Coordinated operations of the Cultural Health Navigator program at the Maricopa Integrated Health Systems.
- Led research assessing geographical distribution, accessibility and utilisation of emergency obstetric care facilities in Lagos, Nigeria at the Decision Theatre Network of Arizona State University.
- Led research assessing quality of care for women with pre-eclampsia within the Dignity Health group, Arizona.

Centre for Maternal & Newborn Health, Liverpool School of Tropical Medicine, Liverpool, United Kingdom

Research Assistant (September 2013 – September 2015)

- Taught and assessed post-graduate students on the health economics and finance module.
- Delivered Maternal and Newborn health training and supervises postgraduate students.
- Coordinated development of research protocols, health needs assessments and grant applications.
- Led monitoring and evaluation of a multi-country emergency obstetric care training intervention in Kenya and South Africa.

Department of Epidemiology and Biostatistics, EHESP, French School of Public Health, Rennes, France

Research Intern (February 2013 – June 2013)

- Led research on mainstreaming rural populations in obstetric fistula programs in Burkina Faso.
- Provided technical support for project team designing a logical framework for the development of an obstetric fistula prevention programme in Boromo district.

Global Fund Malaria Department, Society for Family Health, Abuja, Nigeria

Programme Manager (October 2010 – July 2011)

- Managed programme grants (\$150,000), working with Kano and Kogi state governments successfully.
- Assisted in design, implementation, monitoring and evaluation of the program.
- Initiated a training evaluation framework for the organisation that was scaled up nationally.
- Delivered training for health workers on case management of malaria.

Maternal, Child and Reproductive Health Department, Society for Family Health, Abuja, Nigeria

Programme Assistant (August 2010 – October 2010)

- Supported implementation, monitoring and evaluation of use of community volunteers, dedicated toll-free call centres for pregnant women, emergency transport scheme and provision of clean delivery kits in Northeast Nigeria.

Nigerian Air Force, Abuja, Nigeria

Medical House Officer (August 2009 – July 2010)

- Provided diagnostic, investigative and therapeutic services to patients in rotations involving four major departments: Internal Medicine, Surgery, Paediatrics, and Obstetrics & Gynaecology.
- Supported military personnel on missions to provide first aid in case of emergency.

RESEARCH FUNDING

Principal investigator, **AXA Post-Doctoral Research Grant**, Mar 2019 – Mar 2021.

Amount awarded: £120,000

Source: AXA Research Fund

Title of Project: Optimising access to emergency obstetric care for women in a sub-Saharan setting ([Link](#))

Principal investigator, **Jean Clayton Fund Fellowship**, Mar 2014 – Aug 2014.

Amount awarded: £5,000

Source: Liverpool School of Tropical Medicine

Title of Project: Social Return on Investment on EmOC Training

Co-principal investigator, **Lagos Research and Development Council Grant**, Jan 2014 – Jan 2016.

Amount awarded: \$80,000

Source: Lagos State Government

Title of Project: Comprehensive Assessment of Emergency Obstetric Care in Lagos State

RESEARCH SUPERVISION, DOCTORAL THESIS EXAMINATION AND MENTORSHIP

Research supervision

- Supervision of multiple post-graduate taught students at the London School of Economics and Political Science, Liverpool School of Tropical Medicine, and the University of Liverpool.

Doctoral Thesis Examination

- Mardieh Louise Dennis. Doctor of Philosophy, London School of Hygiene and Tropical Medicine. Thesis title: Pragmatic pluralism for health: Understanding the role of public financing and public-private engagement on use, quality, and equity in access to maternal health services in Kenya. 14/10/2019

Academic Mentoring

- Career mentoring for post-graduate students at the University of Sheffield.

FELLOWSHIPS, AWARDS & HONOURS

- **AXA Research Fellowship**, AXA Research Fund, 2019, France
- **Fellow Higher Education Academy**, Higher Education Academy, 2017, UK
- **2nd Best Oral Post-Graduate Research Presentation**, Liverpool School of Tropical Medicine, 2017, UK
- **McCain Institute Award for Excellence in Leadership**, McCain Institute, 2016, USA
- **McCain Institute Fellowship in International Leadership**, McCain Institute, 2015, USA
- **Epidemiology and Population Health Summer Institute Scholarship**, Columbia University, 2015, USA
