Reviewing activities:

International Studies of Management & Organization.

TEACHING:

London School of Economics, Department of Management.

2010 – 2011 Academic Year:

I taught 150 contact hours across three Masters level courses, as follows:

1) Foundations of Management (1 unit course):

I taught on fifteen weeks of the course. For six weeks I gave a two hour lecture on accounting and finance and taught five two hour seminars. For another nine weeks I taught two seminars on range of topics in management, including HRM, organizational theory and strategy. My lecture teacher rating in the Michaelmas term was 2.3 and my seminar teacher rating was 1.8. In the Lent term my seminar teacher rating was 2.1.

2) Designing Innovative Organizations (1/2 unit course, Michaelmas term):

For two weeks I ran the course, giving a one and a half hour lecture and running three seminars of one and a half hours, on topics relating to accounting and finance and their relationship to innovation.

3) Firms, Markets and Crises (1/2 unit course, Lent term)

For two weeks I ran the course, giving a one and a half hour lecture and running two seminars of one hour. My lecture teacher rating was 2.5 and my seminar teacher rating was 3.0.

2009 – 2010 Academic Year:

I taught 150 contact hours across three Masters level courses, as follows:

1) Foundations of Management: In total I was involved in teaching on fifteen weeks of the course. For five weeks I gave a two hour lecture on accounting and finance and taught four two hour seminars. For another ten weeks I taught two seminars on range of topics in management, including HRM, organizational theory. My overall teacher rating score was 1.87.

2) Designing Innovative Organizations: This was a ten week course on Innovation. I ran the course for three weeks, giving three lectures and providing guidance to the seminar teacher.

3) Crosscutting Themes on The Financial Crisis: This was a ten week Masters course on the financial crisis. I ran the course for two weeks, giving the lecture and teaching three seminars.

2008 –2009 Academic Year:

I taught 80 contact hours on the core Foundations of Management course. I taught two weekly seminars for twenty weeks covering a broad range of issues in management. My teacher rating score was 1.33.

In February 2009 I attended a Harvard Business School course on case study teaching methods.

FUNDING AND GRANTS:

(with Professor Paul Willman) 2,500 pounds from the Centre for Research on Risk and Regulation, London School of Economics, for a comparative historical project on pension fund management in UK and US subsidiaries of a multinational firm.

During my Ph.D. I was employed by Merrill Lynch International Bank. I did not seek funding.
