8. Research funding, leadership and supervision

Significant funds based on individual applications:

Yrjö Jahnsson Foundation, Finland: *The Anthropometrics of War, Famine and Development: Digitizing the Helsinki Primary School Health Cards, 1910-1932*, 2020

Academy of Finland: Academy of Finland Research Fellow, 2017-2022

Ella and Georg Ehrnrooth Foundation, Finland: Personal grant for research on human and economic development for one year, June 2016.

Academy of Finland: Postdoctoral Researcher's Project, 2010-2012 (period extended to 2014 due to parental leave).

Academy of Finland: Personal grants for doctoral studies at the European University Institute, 2001-2006.

Yrjö Jahnsson foundation, Finland: Personal grant to visit the London School of Economics and Political Science. January-March 2004.

Substantive participation in planning and writing funded proposals in research groups:

Academy project "Counteracting Amnesia in Development – Studies from the Periphery" (director Juhani Koponen), 2013-2016

Academy project "The Social History of Finnish Economic Crises" (director Antti Häkkinen), 1998-2001.

Leadership and supervision:

PI, *The Anthropometrics of War, Famine and Development: Digitizing the Helsinki Primary School Health Cards, 1910-1932* (1 postdoc at the University of Zürich, 1 RA at the University of Helsinki)

Independent recruitment and supervision of altogether eight research assistants since 2016 (various projects)

Independent recruitment and supervision of a research assistant during Postdoctoral Researcher's project, 2010-2011

Independent recruitment and supervision of a research assistant during PhD project including full employer responsibilities, 2006-2007

Officially appointed supervisor of theses:

Doctoral theses (full time):

Petri Roikonen: *Patterns of Inequality: Income Inequality, Homogamy and Social Mobility in Finland, c. 1700–2019*. January 2016-June 2021 (in pre-examination)

Saska Heino: *Profits, capital income and inequality in Finland, 1960–2005*. [In Finnish] May 2016- (full time from January 2018)

Heidi Hirvonen: *Education, Equality and Human Capital in Early 20th Century Finland*. August 2021-

Altogether 34 Master's theses of which 32 since 2017

Altogether 16 BSc theses as Senior Lecturer in charge of the BSc Seminar, supervision and evaluation, Academic year 2016-2017

9. Merits in teaching and pedagogical competence

Pedagogical training and competence:

Two courses/10 ECT of University Pedagogical training completed, grade 5/5.

Training events attended:

UH Doctoral School in Humanities and Social Sciences (HYMY) Supervisor Evening 19.9. for doctoral thesis supervisors, 19.9.2016

Pedagogical morning organized by Faculty of Social Sciences university pedagogy lecturers on "Activating students on mass courses" ("Aktivoiva massaopetus"), 16.11.2017

Grading workshop organized by Faculty of Social Sciences university pedagogy lecturers, 23.5.2018

Workshop by the Centre for University Teaching and Learning (HYPE) on how to design a good multiple-choice exam ("Miten laadin hyvän monivalintakokeen?"), 25.10.2018

Planning and implementation of courses:

Introductory courses to the Bachelor's program in social change: planning, coordination, teaching 2017- ; Subject: multidisciplinary; 0-4 lecture hours / week. 5+5 ECTS credits.

Master's thesis seminar, spring 2018-; subject: economic and social history; 2 seminar hours / week, individual advise and supervision of Master's theses. 5 ECTS credits

Researcher/PhD seminar: organizing & leading jointly with the professor of economic history, 2017-; subject: economic and social history; 2 seminar hours / week.

Proseminar (BSc seminar), mandatory seminar in preparation of BSc thesis, through the academic year 2016-17. Subject: economic and social history; 3 contact hours / week. Exercises, supervision of research projects, joint discussion, excursions (library, international workshops, etc.) 4 ECT credits + 6 ECT credits per completed BSc thesis.

Independently planned and taught course on advanced quantitative methods in economic and social history at the University of Helsinki annually since 2016. Subject: economic and social history; lectures and exercises including 18 contact hours; 5 ECT credits; Master's level; 7 weeks / one period.

Independently planned and taught course "Seminar on the microeconomic history of poverty, welfare and development" (in English) at the University of Helsinki, 2011 2012, 2016. Subject: economic and social history (credited also in development studies and economics); blended learning including 14 contact hours; 10 ECT credits; Master's level; 7 weeks / one period.

Jointly planned and taught course (with Professor Juhani Koponen) "Global development history and the Finnish experience" (in Finnish), 2011 and 2016. Subject: development studies (credited also in economic and social history); blended learning including 10-16 contact hours; 5-10 ECT credits; Master's level; 5 weeks / one period + 1-2 seminar days.

Courses based on a concept of blended learning combining methods and technologies from seminar discussions and group work to independent and shared work online, using *Moodle* software.

Supervision of theses:

For officially appointed supervisory positions, see point 8 above.

10. Awards, prizes and honours

Department of History and Civilization of the European University Institute: Best interdisciplinary thesis on European issues 2006-2008 (nomination for the prize competition for the best thesis 2006-2008 of the EUI Alumni Association). 2008.
