RESEARCH AND EMPLOYMENT

Researcher, *Care Policy and Evaluation Centre (CPEC), London School of Economics*

2020-2023

Research and assist on various projects coordinated through CPEC, a leading international research center focused on the life-course study of social care and mental health. Previous contributor on Social Care COVID-19 Recovery & Resilience Project: International Living Report on COVID-19 and Long-Term Care (2021) – <https://doi.org/10.21953/lse.mlre15e0u6s6>.

Lead Investigator, ‘Conceptualizing Mental Health Social Care in England’ Scoping Study – 2022-2023

Developed conceptual framework on ‘mental health social care’ in England. Study involves interviews with academics, social work practitioners and political leadership in mental health social care.

Currently submitting to journals for publication. Funded by the NIHR School for Social Care Research.

Teaching Assistant, *Barnard College Sociology Department*

Spring 2020

Graduate T.A. for the Sociology of Gender course, taught by Prof. Elizabeth Bernstein. Provided office hours and grading for all examinations for a 40-student lecture course. Course syllabus examined micro-political experiences of sex, self and body in relation to macro-institutional contexts of neoliberalism and migration, particularly in light of the COVID-19 pandemic; critiqued biological vs. sociological accounts of gender, dominance and oppression.

Student Life Fellow, *Abraham Joshua Heschel High School*

2019-2020

Served as student life counselor; ninth grade academic advisor; and advisor for twelfth graders on pre-college opportunities at a pluralistic Jewish day school in New York City. Responsible for the co-curricular agenda and calendar; in charge of logistics and content for all programming related to wellbeing, public service, and leadership development. Worked with local non-profit and social welfare programs to create full-day and long-term community service opportunities for students.

President, *Columbia University Democrats*

2014-2017

Led executive board of largest political organization on campus (’16-’17). Responsibilities included planning and executing all political events, civic engagements, weekly meetings on current events, advocacy training. Oversaw a twelve-person board and led organization’s participation in university-wide programs and conferences. Doubled our active membership. In previous roles as Events Coordinator (’15-’16) and Lead Activist (’14-’15): in charge of 100+ student, week-long canvassing trips across Northeast for gubernatorial and congressional candidates and 30-person lobbying trips to Washington, D.C.

Volunteer and Researcher, *Montefiore Medical Center*

2016-2017

Volunteered in the Center’s psychiatric and general emergency rooms, shadowing clinicians and assisting in routine tasks. Conducted ethnography for undergraduate thesis on the non-emergent, high-utilization of these spaces amongst low-income communities.

Clinical Intern, *Planned Parenthood of New York City (PPNYC)*

2013-2017

Worked as counselor in pregnancy testing, birth control and abortion procedure options; conducted intakes for patients; provided support to clinic staff in laboratory reports and vitals testing. Assisted for 2 summers and throughout 4 academic years. Provided emotional and medical support to post-abortion surgery patients and healthcare assistants in the clinic recovery room.
