

Academic Profile: I am an interdisciplinary qualitative researcher trained in Human Geography, Social Anthropology, Sociology and History. My research addresses the broad themes of political ecology, postcolonial urbanism, climate change adaptation and the politics of infrastructure development with a focus on South Asia. My methodological strengths include ethnography, oral histories, narrative analysis, critical discourse analysis, archival research and participatory fieldwork methods. I'm well versed in project management and public speaking, while also possessing a working knowledge of quantitative research methods.

Current Employment: Doctoral Researcher in Human Geography and Urban Studies at the Department of Geography and Environment of The London School of Economics and Political Science.

Previous Employment:

August 2019 – January 2022

- Cultural Heritage Consultant, Immersive Trails, Kolkata

February 2018 – May 2018
