

Dr Clare Wenham

Associate Professor, Department of Health Policy
London School of Economics and Political Science
Houghton Street, London, WC2A 2AE
07703 260674 – c.wenham@lse.ac.uk

Research Areas and Expertise

Research which bridges the gap between global health, epidemiology, politics and international relations. Particular focuses on global health security, disease surveillance and infectious disease control and how these intersect with gender and governance challenges.

Education

PhD Department of International Politics, Aberystwyth University, 2011-2016
Thesis Title: *Examining Sovereignty in Global Disease Governance*

MA International Politics, City University, 2008 – 2009, (Distinction)

BA Spanish, University of Bristol, 2004-2008, (2:1)

Employment

London School of Economics and Political Science, Associate Professor of Global Health Policy (previously Assistant Professor and LSE Fellow), September 2015 - present

- Programme Director, MSc Global Health (2016-to present)
- Global Health Initiative Steering Group member
- Courses Taught: HP412 Global Health Security; HP404 Global Health Policy: Institutions, Actors Politics; HP403 Health Systems in Developing Countries; HP400 Financing Healthcare; HP411 Dissertation in Global Health
- Phd Supervision: Valentina Iemmi, Arush Lal, Liana Rosenkrantz Woskie, Manna Mostaghim, Beth Kreling

London School of Hygiene and Tropical Medicine, Research Fellow, October 2014 – September 2015

- Manager Flusurvey project
- High Schools Epidemiology Project

Queen Mary University, London, Temporary Lecturer, January – April 2015

- Courses Taught: Global Politics of Health

Houses of Parliament, Parliamentary Office of Science and Technology, POST Fellow, April – July 2014

- Drafting and publishing of parliamentary briefing (POSTnote) on Biobanks

Aberystwyth University, Teaching Assistant, October 2011 – January 2014

- Courses Taught: Politics of the Third World, Politics of Europe, Islam, Foreign Policy and the Developing World and Internet Freedom and Human Rights

Faculty of Public Health, Public Health Workforce Officer, October 2010 – September 2011

- Project management of the Faculty's work surrounding revalidation and workforce census

Grants & Funding Awarded

- 2020-2022, USD\$1,638,614 *COVID-19 Gendered risks, impact & response: research and policy guidance*, Bill and Melinda Gates Foundation, Co-Principal Investigator (with Julia Smith, Karen Grepin and Rosemary Morgan)

- 2020-2022, CAD\$495,898 *Understanding and mitigating real-time differential gendered effects of the COVID-19 outbreak*, Canadian Institute of Health Research, Co-Principal-Investigator (with Julia Smith)
- 2021. £64,000 Scoping review for a pan-african research funding organization. APHRC. Principal Investigator
- 2020-2023 PERISCOPE: Pan-European Response to the ImpactS of COVID-19 and future Pandemics and Epidemics. Co-Investiator
- 2020 – 2022, USD\$100,000 *Gender norms in vector control programme*, Grand Challenges Grant, Bill & Melinda Gates Foundation, Principal-Investigator
- 2020 - £20,000 *A Scorecard to Inform Policy: Assessing Risk and Ensuring Reproductive Rights During COVID-19*, LSE Small Grant Application, Co-Principal Investigator (with Liana Woskie)
- 2020-1, £180,623 *Strengthening health science research in Africa – a regional analysis* Wellcome Trust 2020-2021 Co-Principal Investigator (with Justin Parkhurst)
- 2019-20 - £9,980, *Access to (pandemic) medicines in the Cuban health security framework*, Foreign and Commonwealth Office, Principal-Investigator
- 2018-9 - £1,500, LSE Teaching, Learning and Development Grant for Curriculum Development
- 2019 - £2,000 Santander Grant for collaboration with Fiocruz, Brazil
- 2018-9 - £9,935 *Global Health Security and Public Policy*, Foreign and Commonwealth Office, Co-Investigator
- 2018-9 – £99,990 *Zika and the Regulation of Health Emergencies: Medical Abortion in Brazil, Colombia and El Salvador*, Wellcome Trust, Principal-Investigator
- 2018-20 - £478,014 *Building the case for Investment in Health Science Research in Africa*, Wellcome Trust, Co-Principal-Investigator (with Justin Parkhurst)
- 2014-5 - AUSS\$25,144 *Evaluating the effectiveness and challenges of civil-military cooperation for responding to complex health emergencies*, Marie Bashir Institute, University of Sydney, Co-Investigator
- 2014 - £3,514 Nuffield Council for Bioethics / Parliamentary Office for Science and Technology Academic Fellowship
- 2011-2014 - £55,827 Aberystwyth Postgraduate Research Scholarship

During COVID-19 I have also presented my work within the following institutions:

- Independent Panel for Pandemic Preparedness and Response
- IHR Review Committee
- Global Preparedness Monitoring Board
- G20
- OIE
- BMGF
- TUC
- UNFPA (regional unit for gender-based violence)
- World Food Programme
- UN Women
- WHO Gender Equity Hub
- Irish Research Funders Forum

Advocacy:

- I work with Fawcett Society and Women's Budget Group within the COVID-19 outbreak to demonstrate, detail and evidence the differential impact of COVID-19 on women in the UK. We have conducted joint surveys to provide data, and have produced a series of working papers and briefs for public and policy maker dissemination. These can be found here: <https://www.fawcettsociety.org.uk/the-impacts-of-coronavirus-on-women>
