III) Withdrawal from the programme

We strongly advise you to ensure that you will be able to attend the whole course before enrolling. CIBL will not be accountable for any responsibilities regarding unforeseen changes in students' circumstances that may prevent their attendance for all or part of the course, including changes to work patterns or care obligations.

IV) Class levels and requests to change group

CLCB language classes are split into groups reflecting the level of ability of students at the start of the course. For those who are not absolute beginners, a language assessment will be conducted in order to place students in the most appropriate level. Due to the nature of language learning, within class levels there may be some variation in the abilities of students. If you feel that the class in which you have been placed is not pitched at an appropriate level, you must tell CIBL in writing as soon as possible. You may be able to move to a different group though CIBL is unable to guarantee the availability of teachers for such a change. All requests are considered on an individual basis and there may be occasions where there is no suitable class for you. In this instance, a refund minus the tuition fee for classes already taken will be provided to you.

V) Refunds

No refunds can be given for missed classes, except when classes are rescheduled by CIBL to a different day. No refunds policy available after payment has been made. Please note: China study trip and HSK exam are optional and complimentary modules. Therefore, no refund/discount can be given to students who decide to opt out or if the application for the China study trip from Chinese University partner is unsuccessful.
