A woman with dark hair, wearing glasses, a light blue surgical mask, a brown t-shirt, black leggings, and white sneakers, is walking on a paved path. She is holding a smartphone in her right hand and has a light pink jacket slung over her left arm. She is carrying a grey backpack. The path is made of light-colored rectangular paving stones. To her right are several large, dark grey rectangular planters filled with green plants. In the background, there is a modern building with large windows and a few other people walking. The text "Supporting you on your LSE journey" is overlaid in red on the left side of the image.

# Seeking advice

# What about non-academic support?

- There is no topic that you cannot speak to us about.
- Our UG Tutors are trained and experienced in handling personal issues students may face with sensitivity and confidentiality.
- Where appropriate, we guide students to access specialist resources in the School and beyond.
- If private issues affect academic progress, we are at hand to support and advise.
- Sometimes students prefer to speak with other students. Our **Economics Peer Supporters** are trained to help!
