

Department of
Finance

Why choose MSc Finance/MSc Finance & Private Equity at LSE?

The Department of Finance enjoys a pre-eminent reputation for excellence in our teaching and research. We consistently rank alongside the most highly-rated departments in the world, and are proud of our track record for graduate employment opportunities in the financial sector.

Your learning

We believe in combining theoretical and applied learning

Our teaching is supplemented by case studies, interactive discussions and visiting expert speakers, to enable students to gain deeper practical insights and links to global financial institutions.

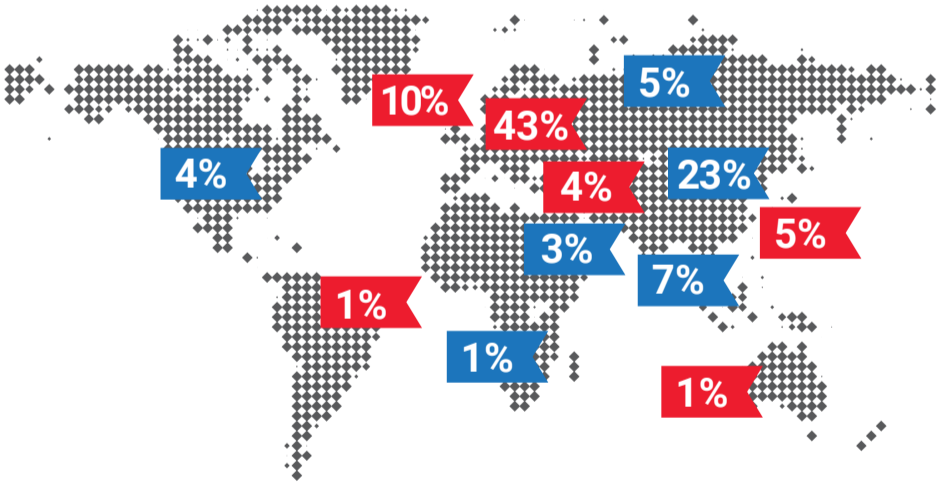

We offer full academic and pastoral support

Our class teachers are on hand to discuss any issues. You will also be supported by the Associate Programme Director as the main pastoral supervisor for all students on the programme.

Your class

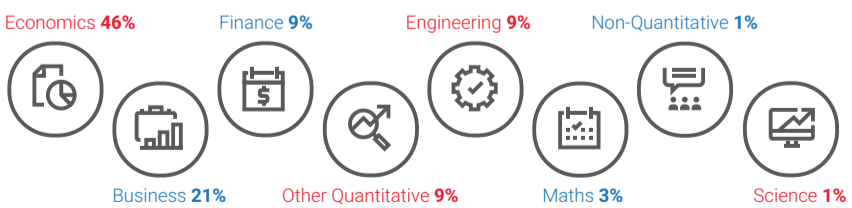

You will study alongside a diverse group of students who come from all over the world.

EU (-UK) **43%**, East Asia **23%**, UK **10%**, South Asia **7%**, South East Asia **5%**, North America **4%**, Eastern Europe/Central Asia **4%**, Middle East **3%**, Australasia **1%**, Africa **1%**, South America **1%**.

Your future

You will join a life-long network of LSE alumni who are leaders, thinkers and experts in their chosen fields. The Department of Finance has an active and influential alumni community of over 3,000 individuals, which you will be able to enjoy, benefit from, and participate in even after you graduate. We organise regular networking events for our alumni, both at LSE and in the city of London. As alumni you are invited to take part on alumni panels, attend talks, give presentations, and even mentor current students. We also hold a bi-annual Alumni Conference.
