

Dear Student,

Congratulations on your offer.

We are writing to inform you of a pre-sessional course available to the [MSc Political Science \(Political Science and Political Economy\)](#) offer holders. Please note that the links to the programme regulations are for 2025/26. Next year's regulations will be published in July/August, but the current links have been included as an example.

Students on the [MSc Political Science \(Political Science and Political Economy\)](#) who wish to choose an EC4 Economics course as an option as part of their [programme regulation](#) are required to attend the [EC400 Introductory Course in Mathematics and Statistics](#).

Application for a space on [EC400](#) is now open and accessible at this link: <https://www.lse.ac.uk/economics/secure/ec400-application> The deadline to apply is **Friday 12 June**, and applicants will be notified of their result by the end of June.

Please note that completing the form does not guarantee a space on the course.

The form itself has plenty of information, but if you have any further questions about the course, you can email the Economics Department Team at econ.msc@lse.ac.uk. Please ensure to include your student ID and which degree programme you are attending in any query emails.

For interested students, you can check the [EC400 sample timetable](#) to get a sense of the programme schedule. EC400 is an intensive full-time course, and students are advised against committing to outside work (internships, part-time jobs, etc) for the duration of the course.

Best,

Laure Van Rensburg & Molly Acheson
