## HIGHLIGHTS

### HEALTH POLICY, GLOBAL HEALTH AND PUBLIC POLICY RESEARCHER

- Expertise in interdisciplinary approaches to analysing public policies and governance for health, health research, and health systems.
- Skilled in qualitative research design and methods for health policy research and analysis (case studies, comparative methods, interviews, qualitative content analysis, framework analysis, scoping reviews, qualitative knowledge synthesis).
- Specialised in using theories of policy process and policy change in global health policy and systems research.
- Effective facilitation and management of complex partnership arrangements and research projects.
- Experienced (10+ years in NGO) in the development, management, and implementation of international, regional and national public health and health promotion projects working in collaboration with inter-governmental bodies, non-governmental organisations, professional and policy networks, and national agencies.

Research interests: policy process, public policy, intersectoral governance for health, critical public health, global health governance, health in all policies (HiAP), health policy, health equity, social determinants of health, health research capacity strengthening, national health research systems, research ecosystems

Languages other than English: French (fluent speaker, reader, writer)

## EDUCATION AND QUALIFICATIONS

2018 PhD in public health, School of Public Health, *Université de Montréal*, Canada. Thesis - *The transnational governance of global health: Norwegian and Swiss cases of national policies on global health*. (Available at: <http://hdl.handle.net/1866/20073>) Supervisors: [L. Potvin](#) & [C. Clavier](#)  
Vanier Graduate Scholar 2013-2016 (CIHR Grant CGV127503).

2010- MSc in community health, Faculty of Medicine, *Université de Montréal*, Canada.

2011 Diploma not obtained due to accelerated passage into PhD programme in 2011. Supervisor: [L. Potvin](#)

2000 BA in international affairs, minor in philosophy, *American University of Paris*, France. Magna Cum Laude.  
Sr. seminar paper – *Refugee women: a review of their needs, concerns, and problems*. Supervisor: [S. Perry](#)

## EXTRAMURAL FUNDING AND AWARDS

### GRANTS AND PROJECT FUNDING

- 2021.06 – 2021.10 Co-Investigator. Institutional design and management of a continental research fund in Africa: Insights from an international review of research funding bodies. Sub-award from African Population Health Research Centre. £48,035.00
- 2020.05 – 2021.04 PI. Covid-19 public policy implementation: interventions and local innovations in Sub-Saharan Africa (competitive). LSE Covid-19 Rapid Response Fund. £20,000.00
- 2020.03 – 2021.05 PI. Decision-maker engagement to strengthen health science research systems in Africa (competitive). LSE Knowledge Exchange and Impact Fund. £34,955.00

### TRAINING SCHOLARSHIPS AND AWARDS

- 2013.05 – 2016.04 Doctoral Vanier Canada Graduate Scholarship (competitive). Funded by Canadian Institutes of Health Research (CIHR Grant CGV127503).
- 2012.05 – 2014.08 Merit scholarship for foreign students (Doctoral research scholarships V1) awarded by the Québec Ministry of Education, Sport and Leisure (Grant 168992) and managed by the FQRNT (competitive). (Declined as of May 2013).
- 2011.10 – 2012.08 Scholarship of excellence for first year PhD students in public health, awarded by the Ph.D. in Public health program, *Université de Montréal* (competitive).

2011.09 – 2013.07	FESP Scholarship for exemption of international student fees for PhD ( <u>competitive</u> ). (Declined as of May 2012).
2011.09 – 2012.08	Scholarship for accelerated passage into the PhD program, awarded by the FESP and the Department of Social and Preventive Medicine, Faculty of Medicine, <i>Université de Montréal</i> ( <u>competitive</u> ). (DECLINED as of May 2012).
2011.03	Scholarship of excellence, awarded by the Department of Social and Preventive Medicine, Faculty of Medicine, <i>Université de Montréal</i> ( <u>competitive</u> ).
2011.01 – 2011.06	FESP Scholarship for exemption of international student fees for MSc ( <u>competitive</u> ).
1996-1999	Half-tuition scholarship merit-based award and work-study program from the American University of Paris ( <u>competitive</u> ).

Hedquist A., **Jones C.M.**, Mijumbi-Deve R., Sobngwi-Tambekou J., Parkhurst J., Wenham C. Mapping the network of African regionalism for health research. (under review with *PLOS Global Public Health*)

## EXPERIENCE

### RESEARCH APPOINTMENTS

- 2020- Research officer on project “Strengthening health sciences research in Africa – a regional analysis”
- 2021 Co-PIs: C. Wenham and J. Parkhurst. Project funded by Wellcome.  
LSE Health, *London School of Economics and Political Science* (as of October 1, 2020)
- Coordinating stakeholder mapping, scoping review, and qualitative data collection with research team
  - Developing data collection and analysis tools and frameworks in collaboration with research team
  - Exploring the role of technical, political, and economic regional organisations in strengthening health sciences research in Africa, and their comparative advantages
- 2018- Research officer on project “[Building the case for investment in health science research in Africa](#)”
- 2020 Co-PIs: J. Parkhurst and C. Wenham. Project funded by Wellcome.  
LSE Health, *London School of Economics and Political Science* (as of September 24, 2018)
- Coordinating multi-site project with case studies in Botswana, Côte d’Ivoire, Ethiopia, Kenya, Liberia, Madagascar, Tunisia, Uganda, and Zambia
  - Collaborating and supporting the PIs, multiple research associates, and local research collaborators in study settings
  - Developing data collection and analysis tools and frameworks in collaboration with research team
  - Exploring facilitators, challenges, and lessons for improving health sciences research in Africa
  - Examining the strategies used by funders, regulators, and researchers to create an enabling environment and strengthen capacity for health research in Africa
  - Leading the comparative analysis of multiple case studies and drafting the report of results, as well as coordinating, authoring, and contributing to various academic outputs, policy brief, and presentations
  - Engaging senior government officials from the health, higher education, and science sectors who have a mandate over health science research activities in peer learning workshops and networking
  - Designing and implementing national level knowledge exchange and engagement with decision-makers in Botswana, Liberia, and Madagascar
- 2017- Research associate on project *Accès à la santé, ressources minières et le rôle des politiques publiques en*
- 2018 *Afrique* (CRSH 435-2017 1155). Co-PIs: B. Campbell, D. Béland, V. Ridde.
- Scoping review on theories and frameworks for analysing health financing policy change in Africa.
- 2013 Visiting research intern (PHIRNET training scholarship) for three months with K. Lee at *Simon Fraser University*, British Columbia, Canada.
- Reviewed global health governance literature focusing on methods in governance research on health
  - Improved skills for systematic literature reviews and data collection
  - Developed knowledge and networks in interdisciplinary research on global health governance
- 2012- Doctoral trainee at the *École de santé publique, Université de Montréal*, affiliated as PhD researcher with:
- 2017 Chaire Approches communautaires et inégalités de la santé (CACIS)  
Institut de recherche en santé publique de l’*Université de Montréal* (IRSPUM)  
Réseau de recherche en santé des populations du Québec (RRSPQ)  
Réseau de recherche interventionnelle en santé des populations (PHIRNET)
- Adaptation of public policy synthesis framework applied to global health policy field
  - Field work in Norway and Switzerland, including 33 key informant interviews with policy elites
  - In-depth case studies of intersectoral policy processes for global health in Norway and Switzerland
  - Comparative analyses of policy designs and multi-level governance interactions

### TEACHING EXPERIENCE

- 2022 GTA at *King’s College London*, Department of Global Health and Social Medicine. Large and small group seminar teacher (hyflex and in person) and marking assessments for postgraduate modules.
- Global health ethics (7SSH606) – Module Director: G. Wester
  - Critical Policy Research for Health & Medicine (7SSH618) – Module Director: G. Samuel
  - Designing Qualitative Research (7SSH503) – Module Director: C. Green

- 2021-22 Course lecturer and convenor for “Global Health Policy: Institutions, Actors, and Politics” (HP404) at the LSE, Department of Health Policy.
- Guest teacher in Department of Health Policy.
  - Large group online lectures and with Q&A/workshop sessions for class of 65+, small group seminars face to face with groups of 15 students, student support, marking with formative and summative feedback, Moodle organisations and communication, and course administration.
  - Academic mentor and dissertation supervisor for MSc students (academic advice & pastoral care).
  - Marking MSc dissertations, other course assessments, and moderating assessments.
- 2021 Invited guest lecturer on the UK health system for course “Health policy and health systems” (SPU1004) for *Université de Montréal*, Canada.
- Developed and delivered online lecture in French to undergraduate students in a programme to minor in Public Health and Globalisation.
- 2020 Invited guest lecturer on Global Health Governance for course “Global Issues in Health” (SPU1002) for *Université de Montréal*, Canada.
- Developed a lecture and workshop activities for a 3-hour class online delivered in French to undergraduate students in a programme to minor in Public Health and Globalisation.
- 2012 Graduate teaching assistant for the course MSO 6131 “Health promotion strategies” at *Université de Montréal*, Canada. (Professor in charge: L. Potvin).
- Contributed to updating the syllabus, selecting the course content, and moderating class discussions.
  - Responsible for preparing and giving class lectures: 1) The five strategies of the Ottawa Charter: Developing healthy public policy and creating healthy environments; 2) Settings-based interventions and the WHO programmes; 3) Critical elements of health promotion.

### **CONSULTANCIES AND EXTERNAL PROJECTS**

#### **LSE Health, LSE | London, UK**

- 2021 Research consultant (as of July 1, 2021) on project “Institutional design and management of a continental research fund in Africa: Insights from an international review of research funding bodies.” Sub-award from African Population Health Research Centre within larger project funded by African Development Bank and philanthropic funders. Co-Investigator: C.M. Jones. PI: C. Wenham.
- Liaising with the team of international Thinking Partners responsible for project oversight.
  - Collaborating with team including, UK and Nigerian consultant, and research assistant.
  - Designing methodology for the project.
  - Leading the landscape mapping (qual and quant data collection) and international review of research funding organisations with research team.
  - Developing qualitative data collection and analysis in collaboration with research team.
  - Interviewing key informants from research funding organisations in multiple regions.
  - Analysing, and synthesising the lessons, practices, and experiences of research funding organisations globally.
  - Drafting the report to the funder, with a framework drawn from insights on promising practices for structure, governance, and strategy transferable to establishing a supranational continental research fund in Africa.

#### **African Health Observatory – Platform on Health Systems & Policies, LSE | London, UK**

- 2021 Research consultant on regional cooperation in health and health policy in Africa
- Mapping and scoping exercise on African regional organisations in health.
  - Data collection on institutional information and organisational characteristics (structure, funding, governance, programmes), activities, and policy of African regional organisations in health.
  - Identify avenues for future research.

#### **World Health Organization, Western Pacific Regional Office, Health Systems Division, Equity and Social Determinants Unit | Manila, Philippines**

- 2018 Consultant on a regional project to strengthen intersectoral governance for health equity

The project aims to support low- and lower-middle-income countries in the Western Pacific Region to strengthen governance for health equity in the context of the Sustainable Development Goals through an action-learning initiative using capacity building, problem solving and rapid cycle field-testing approaches.

- Rapid desk review on governance for equity
- Situational assessment questionnaire for country teams to: 1) focus on equity issues and social determinants of major health challenges, 2) reflect on collaboration between the health and other sectors to achieve the Sustainable Development Goals, 3) assess intersectoral governance capacity, and 4) identify needs and interests for capacity development and learning.
- Collaborative workshop resource guide and workbook: *Strengthening intersectoral governance for health equity: challenges, opportunities, strategies* providing the content and training materials to the first in a series of collaborative action-learning workshops with country team network.
- Governance for health equity tool: a draft framework for assessing the key dimensions and foundations of arrangements to govern for health equity when working with other sectors.

### **International Union for Health Promotion and Health Education (IUHPE) | Global HQ, St. Denis, France**

2006 – 2012 Programme Director (part-time for last 22 months)  
 2000 – 2006 Managing Editor of the International Journal of Health *Promotion & Education* (now *Global Hlth Promotion*)  
 2003 – 2006 International Projects Manager  
 2000 – 2003 Communications and Development Manager

#### *Examples of experience in project development, coordination, and implementation at the IUHPE*

2003 – 2012 Coordinator, **Global Programme on Health Promotion Effectiveness**  
*Partners:* World Health Organization (Geneva and select regional offices), the US Centers for Disease Control and Prevention, the Netherlands Institute for Health Promotion and Disease Prevention, the African Medical and Research Foundation, Health Development Agency England, Health Canada, the Australian International Health Institute, the Voluntary Health Association of India, the African Institute for Health and Development, and Swiss Health Promotion Foundation.

2009 – 2012 Editor and Coordinator (Phase I): **Intersectoral governance for Health in All Policies study**  
*Partners:* WHO European Observatory on Health Systems and Policies, National Collaborating Centre for Healthy Public Policy (Canada), Health Action Partnership International (England)

2009 – 2010 Coordinator, Review Group: **Building capacity for documentation of health promotion interventions** – a tool for documenting case studies in the Eastern Mediterranean Region  
*Funder:* WHO Eastern Mediterranean Regional Office

2009 Coordinator, International Advisory Group: **Strengthening community responses to pandemic influenza**  
*Funder:* WHO Geneva

2007 – 2010 Coordinator, International Scientific Committee: **Health promotion action strategies to reduce social inequalities in health**  
*Funder:* Institut national de prévention et d'éducation pour la santé (France)

2007 – 2010 Co-leader, Work package on Capacity Building and Awareness-raising: **DETERMINE EU Consortium for action on the social determinants of health**  
*Partners:* EuroHealthNet + 29 European partners (public health / health promotion agencies)  
*Funder:* European Commission Public Health Programme

2005 – 2007 Coordinator, International Project Advisory Group: **Shaping the future of health promotion – Priorities for action**  
*Partner:* Canadian Consortium for Health Promotion Research  
*Funder:* Public Health Agency of Canada

2004 – 2006 Coordinator, An **Indo-EU project for initiating dialogue on public private partnerships for sustainable health care**  
*Partner:* Voluntary Health Association of India  
*Funder:* European Commission India-EU special projects

---

#### **DISTINCTIONS**

2019.05 Academic Gold Medal from the Governor General of Canada (*Université de Montréal*)  
 Dean's list *American University of Paris*: Fall 1995, Fall 1996, Spring 1997, Fall 1997, Spring 1998.

## PRESENTATIONS

### PRESENTATIONS AT SCIENTIFIC CONFERENCES (PEER-REVIEWED)

1. **Jones C.M.\***, Gautier L., Ridde V. (2020) A priori use of theories and conceptual frameworks to analyse health financing policy processes in Sub-Saharan Africa: a scoping review. Online presentation and panel discussion at the 4<sup>th</sup> Symposium on global health policy research, 24 Nov. 2020. [https://youtu.be/gOnFnk\\_lyvE](https://youtu.be/gOnFnk_lyvE)
2. **Jones C.M.\***, Wenham C., Juma P., Mijumbi-Deve R., Sobngwi J, Parkhurst J. (2020) Strengthening national health research systems in Africa: lessons and challenges from a systems perspective. Online poster presentation at the 6<sup>th</sup> Global symposium on Health Systems Research, Phase 1: 8-12 Nov. 2020.
3. **Jones C.M.\***, Clavier C., & Potvin L. (2018) Policy processes without borders: Interactions between arenas of national policy on global health and global health governance. Oral presentation\* at the 59<sup>th</sup> Annual Convention of the International Studies Association, San Francisco: 4-7 April 2018.
4. **Jones C.M.\***, Clavier C., & Potvin L. (2017) Rules for intersectoral processes in the Swiss arena for national policy on global health. Oral presentation\* at the 10<sup>th</sup> European Public Health Conference, Stockholm: 1-4 Nov. 2017.
5. **Jones C.M.\***, Clavier C., & Potvin L. (2017) Rules for intersectoral processes in the Norwegian arena for national policy on global health. Pitch presentation\* at the 10<sup>th</sup> European Public Health Conference, Stockholm: 1-4 Nov. 2017.
6. **Jones C.M.\***, Clavier C., & Potvin L. (2016) Beyond the interview transcript: Developing visual methods in health policy research. Oral presentation\* at the 4<sup>th</sup> Global Symposium on Health Systems Research, Vancouver: 14-18 Nov. 2016.
7. Tremblay M.-C.\* , Alexander S. & **Jones C.M.** (2016) Reflexivity in, on, and underlying action: Working with a typology to discuss experiences, challenges and facilitators for reflexivity in health promotion. Oral presentation\* at 22<sup>nd</sup> IUHPE World Conference on Health Promotion, Curitiba: 22-26 May 2016.
8. **Jones C.M.\***, Clavier C. & Potvin L. (2015) Applying a model of policy design to analyse Norwegian and Swiss policy documents on global health. Oral presentation\* at the 143<sup>rd</sup> meeting of the American Public Health Association, Chicago: 31 Oct. - 4 Nov. 2015.
9. **Jones C.M.\*** & Potvin L. (2014) Characterising global health as a national public policy issue: reflections on roles for health promotion in global health. Oral poster presentation\* at the 2014 Canadian Student Health Research Forum, Winnipeg: 10-12 June 2014.
10. **Jones C.M.**, Rivard M., Bernier J. & Potvin L.\* (2014) Reflections on challenges related to categorising tools for health promotion practice: considerations for developing online inventory of tools. Poster presentation\* at Public Health 2014 (CPHA conference), Toronto: 26-29 May 2014.
11. **Jones C.M.\***, McQueen D.V., Lin V., Saint-Pierre L., Davies M., & Wismar, M. (2011) Gouvernance intersectorielle pour la santé dans toutes les politiques: un cadre d'analyse. Communication orale\* au 4<sup>e</sup> Colloque international sur les programmes locaux et régionaux de santé, Ottawa: 27-30 juin 2011.
12. **Jones C.M.\***, Bernier J., Potvin L., & Rivard M. (2011) Répertoire d'outils en ligne pour soutenir les activités en partenariat en promotion de la santé. Communication en affiche animée\* au 4<sup>e</sup> Colloque international sur les programmes locaux et régionaux de santé, Ottawa: 27-30 juin 2011.
13. **Jones C.M.\*** (2007) Working methods for the project: a process rooted in dialogue. Oral presentation\* in a symposium on the project "Shaping the Future of Health Promotion: Priorities for action" at the 19<sup>th</sup> IUHPE World Conference on Health Promotion, Vancouver: 10-15 June 2007.
14. **Jones, C.M.\*** (2006) Dialogue as an Effective Methodology for Stimulating Knowledge-Based Advocacy Initiatives. Oral presentation\* at the 7<sup>th</sup> IUHPE European Conference on Health Promotion and Health Education, Budapest: 18-21 October 2006.
15. **Jones C.M.\*** & Green J. (2004) Équité des revues de promotion de la santé: faciliter l'accès à la publication. Communication orale\* au Congrès de Santé Publique de la SFSP, Lyon: 1-3 juillet 2004.

### WORKSHOPS AND SYMPOSIA (PEER-REVIEWED)

1. **Jones C.M.**, Alexander S., Tremblay M-C., Potvin L., & Frohlich K. (2013) To be, or not to be reflexive... is *this* the question? Exploring reflexivity in health promotion. Workshop at the 21<sup>st</sup> World Conference on Health Promotion, Pattaya: 25-29 August 2013.
2. **Jones C.M.** & Shareck M. (2013) Case studies on ethical dilemmas in health promotion research. Symposium at the 21<sup>st</sup> World Conference on Health Promotion, Pattaya: 25-29 August 2013.
3. Fasso S. & **Jones C.M.** (2008) The Social Determinants of Health: tools to support advocacy for policies addressing the social determinants of health inequalities. Workshop at the 8<sup>th</sup> IUHPE European Conference on Health Promotion, Turin: 9-13 Sept. 2008.

- Bernier J. & Jones C.M. (2008) Construire et négocier les partenariats locaux pour l'action et la recherche. Un séminaire conjoint de l'UIPES et la CACIS au 3ème colloque international des programmes locaux & régionaux de santé, Mons: 1-3 avril 2008.

#### **INVITED PRESENTATIONS**

- Jones C.M.** Local ownership of national health research systems: what is at stake? Presentation at the internal seminar of the Department of Health Policy, LSE, 9 Dec 2020.
- Jones C.M.** Revue *scoping* des processus de politique et de changement du financement de santé en Afrique sub-saharienne: quels théories et cadres conceptuels? Conférence – études de politiques publiques, *l'Institut de recherche pour le développement au Sénégal*, Dakar, 19 février 2018.
- Jones C.M.** *Un regard sur la gouvernance mondiale de la santé sous l'angle des politiques publiques - Les cas de politiques nationales sur la santé mondiale de la Norvège et de la Suisse.* Séminaire invité au Centre de Population et de Développement, *l'Institut de Recherche pour le Développement*, Paris, 19 janvier 2018.
- Jones C.M.** La gouvernance comme enjeu transnational de la santé mondiale. Présentation à la table ronde *Enjeux transnationaux, politiques nationales.* Conférence du Centre d'études et de recherches internationales, *l'Université de Montréal*, 15 novembre 2017.
- Jones C.M.** *L'étude de processus de politique publique: la politique nationale sur la santé mondiale comme un objet de recherche pour la promotion de la santé.* Séminaire de recherche en promotion de la santé de *l'École des Hautes Études de Santé Publique*, Rennes, 8 janvier 2016.
- Jones C.M.** *Conception des politiques publiques sur la santé mondiale en Norvège et Suisse et proposition d'un cadre théorique pour les analyser.* Après-midi d'étude « Négocier la santé mondiale au niveau national » organisé par le Groupe de recherche de l'AFSP sur l'Action Multilatérale, avec le soutien du Groupement pour l'Étude de la Mondialisation et du Développement, au Centre Mahler, Paris, 2 juillet 2014.
- Jones C.M.** & Lee K. *Analytical approaches to global health governance research: a scoping review of the literature.* Global Governance and Health Webinar group convened by Harvard University, Kennedy School of Government, 23 January 2014.
- Jones C.M.** *Methods for studying the relationship between development of national policy on global health and global health governance: Expanding PHIR's territory.* Trainee webinar for the Population Health Intervention Research Network, 17 October 2013.
- Invitée à participer au débat dans le cours SAC 8010 (2012) à l'Université de Laval, Séminaire doctoral en Promotion de la santé sur le thème "Orientation positive du concept de la santé dans le champ de promotion de la santé (paradigme salutogénique)" (Professeure responsable: S. Dupéré).
- Jones C.M.** *Le programme mondial sur l'efficacité en promotion de la santé de l'UIPES: origines, orientations & principaux constats.* Conférence en santé publique: Université de Laval, Québec: 2 mars 2011.
- Invitée à participer au débat dans le cours SAC 8010 (2011) à l'Université de Laval, Séminaire doctoral en Promotion de la santé sur le thème "L'efficacité comme enjeu central en promotion de la santé" (Professeur responsable: M. O'Neill).
- Jones C.M.** *Reducing social inequalities in health: The role of international professional networks in advocating for effective inter-sectoral collaboration at all levels. Highlighting the case of DETERMINE.* Workshop on social inequalities in health. 33<sup>rd</sup> Global Conference of the International Committee for Social Welfare, Tours: 2 July 2008.

#### **PROFESSIONAL DEVELOPMENT ACTIVITIES**

##### **TRAINING**

- |           |  |
|-----------|--|
| 2022.01   | Training for seminar leaders, King's Academy, King's College London.   |
| 2021-2022 | Enrolled in Principles of Teaching in Higher Education at LSE (working for an Associate Fellowship of the Higher Education Authority), aim to transfer to PGCertHE (expected completion 2022). |
| 2021.08   | Participant in invited online pedagogy workshop on teaching and learning tools. Hosted by SMASH Lab, a feminist research collective.   |

#### **PROFESSIONAL ACTIVITIES**

**PEER REVIEWER FOR SCIENTIFIC JOURNALS:** <https://publons.com/researcher/1472707/catherine-m-jones>

BMJ Global Health, Canadian Journal of Public Health, Global Health Action, Global Health Promotion, Global Public Health, Globalization and Health, Health Promotion International, International Journal of Health Policy and Management, Journal of Epidemiology and Global Health, Oxford Research Encyclopaedia of Global Public Health, Policy Studies, Public Health Research & Practice, Social Science & Medicine.

## **SCIENTIFIC COMMITTEES**

- Member of the Global Scientific Committee. 21<sup>st</sup> IUHPE World Conference on Health Promotion. *Better investment for better health*. 25-29 August 2013, Pattaya.
- Member of the Programme Planning Committee for the PHIRNET Summer Institute, May 2013, Montreal.
- Membre du Comité scientifique international. Journée thématique sur “La pertinence des approches positives pour améliorer l’action de santé publique”. 16<sup>ème</sup> Journées Annuelles de Santé Publique (JASP) du Québec. 27 novembre 2012, Montréal.
- Coordinator of the Global Scientific Committee. 20<sup>th</sup> IUHPE World Conference on Health Promotion. *Health, equity and sustainable development*. 11-15 July 2010, Geneva.
- Membre du Comité scientifique. Démarche qualité en promotion de la santé : ouvrir le dialogue à partir d’expériences françaises et internationales. Journées de Prévention. 8 avril 2010, Paris.
- Membre du Comité scientifique international. Rencontre francophone international sur les inégalités sociales de santé. 17-18 novembre 2008, Québec.
- Co-coordinatrice du Comité scientifique international. Projet de développement d’actions en promotion de la santé pour lutter contre les inégalités sociales de santé en France. Symposium international organisé lors des Journées de Prévention, 10-11 avril 2008, Paris.
- Member of the International Scientific Committee. 8<sup>th</sup> IUHPE European Conference on Health Promotion. *New frontiers: future political, cultural and scientific challenges for health promotion*. 9-13 September 2008, Turin.
- Member of the International Scientific Committee. 19<sup>th</sup> IUHPE World Conference on Health Promotion. *Health Promotion Comes of Age: Science, Policy & Practice for the 21<sup>st</sup> Century*. 10-15 June 2007, Vancouver.

## **OTHER SERVICE**

- 2018 Abstract reviewer. 23<sup>rd</sup> IUHPE World Conference on Health Promotion. *Promoting Planetary Health and Sustainable Development for All*.
- 2018 Project Coordinator for Women in Global Health (<https://www.womeningh.org/wghfrancophone>) - Lead a working group to manage process for production of a list of Francophone women working in global health, with a particular focus on low- and middle-income countries.
- 2016 Abstract reviewer. 144<sup>th</sup> meeting of the American Public Health Association. *Creating the Healthiest Nation: Ensuring the Right to Health*.
- 2016 Member of the Social Media and Responsive Technologies Committee for 22<sup>nd</sup> IUHPE World Conference on Health Promotion. *Promoting health and equity*.
- 2013 Abstract reviewer. 21<sup>st</sup> IUHPE World Conference on Health Promotion. *Better investment for better health*.
- 2010 Abstract reviewer. 20<sup>th</sup> IUHPE World Conference on Health Promotion. *Health, equity and sustainable development*.
- 2009 Rapporteur for intersectoral action track for the 7<sup>th</sup> WHO Global Conference on Health Promotion in Nairobi, Kenya.
- 2005 Rapporteur for capacity building track of the 6<sup>th</sup> WHO Global Conference on Health Promotion in Bangkok, Thailand.

## **MEMBERSHIPS AND NETWORKS**

- Since 2018 Global Health Policy Research Forum
- Since 2016 Health Systems Global (SHAPES - Social science approaches thematic working group)
- Since 2016 International Studies Association (Global health section)
- 2015 - 2017 American Public Health Association (International health and health promotion sections)
- 2013 - 2016 Canadian Coalition for Global Health Research
- 2013 - 2016 International Union for Health Promotion & Education
- 2012 - 2015 Canadian Society for International Health
