

Mylène LAGARDE

London School of Economics
LSE Health & Department of Health Policy
Houghton Street, LONDON WC2A 2AE

Tel: +44 (0)207 9555 306
M.Lagarde@lse.ac.uk

EDUCATION

PhD in Health Economics, **University of London** 2010
Choosing to care – the determinants of nurses' job preferences in South Africa.
Examiners: Julian Le Grand, Anthony Scott

MRes (DEA) in Economics, **Université Paris I Panthéon-Sorbonne** 2002
Graduated with Honours ('Mention Bien')

MBA in Management, **ESSEC Business School** 2001

BA in Political Science and International Affairs, **Sciences-Po Paris** 1998
Graduated in the top 10%.

PROFESSIONAL POSITIONS

Associate Professor in Health Economics 2018 –
Department of Health Policy, **London School of Economics**

Honorary Senior Researcher 2018 -
Center for Health Policy, University of Witwatersrand

Assistant Professor in Health Economics 2017 – 2018
Department of Social Policy, **London School of Economics**

Associate Professor in Health Economics, 2013 – 2017
Dep. of Global Health and Development, Dep. of Health Services Research & Policy
London School of Hygiene and Tropical Medicine

Lecturer in Health Economics 2009 – 2013
Department of Global Health and Development
London School of Hygiene and Tropical Medicine

Research Fellow in Health Economics 2005 - 2009
Health Policy Unit, **London School of Hygiene and Tropical Medicine**

Research Officer – Economics of HIV/AIDS 2004 - 2005
Regional Health Observatory, Paris (France)

Technical Assistant for Health Financing issues 2003 - 2004
Ministry of Public Health of the Republic of Cameroon

RESEARCH

I. LIST OF GRANTS

LSE internal “The COVID-19 crisis in divided societies: an international survey to explore the actual and perceived consequences in India, South Africa and Brazil” (£18,500)	2020-2021
Co-PI, MRC/ESRC/DFID/Wellcome Trust Joint Health Research Systems Initiative “Understanding the consequences for quality and efficiency of expanding services through the private sector in South Africa” (£765,082)	2020-23
PI, MRC/ESRC/DFID/Wellcome Trust Joint Health Research Systems Initiative “Leveraging social networks in demand-side health financing to improve demand for preventive services in low-income settings ” (£151,071)	2019-20
PI, Wellcome Trust Small Grant in Humanities and Social Science “Exploring physician altruism to improve quality of care (£26,367)	2018-19
PI, ESRC, “Determinants of antibiotic prescribing in primary care in South Africa: studying patient-provider interactions in the private and public sectors”(£ 224,898)	2017-18
co-PI, Policy Research Programme, UK Department of Health, “An investigation of Social Impact Bonds for Health and Social Care – phase 2” (£359,837)	2016-17
PI, MRC/ESRC/DFID/Wellcome Trust Joint Health Research Systems Initiative “Investigating the determinants of health worker performance in Senegal” (£496,170)	2015-17
co-PI, Project funding from the RESYST Research Programme Consortium, funded by the UK Department of International Development, “An investigation of the performance of sessional general practitioners in NHI pilot sites in South Africa” (£ 82,025)	2015-16
PI, World Bank, “Exploring the factors influencing health workers’ performance in Benin”(USD 350,000)	2014-15
co-PI, Policy Research Programme, UK Department of Health, “An investigation of Social Impact Bonds for Health and Social Care” (£464,023)	2014-16
co-PI, Project funding from the RESYST Research Programme Consortium, funded by the UK Department of International Development, “A longitudinal study of the job choices of a cohort of South African nurses to inform resource policy interventions” (£117,699)	2013-16
PI, Responsive Funding of the ReBUILD Research Programme Consortium, funded by the UK Department of International Development, Liverpool School of tropical Medicine, , “Health Workers’ Remuneration, Incentives and Accountability in Sierra Leone” (£33,795)	2013-15
Co-I, National Institute for Health Research, Research Grant for Patient Benefit, “Developing NHS services to meet the needs of an ageing HIV population: the service user's perspective” (£246,238)	2013-15
Co-PI, Project funding from the RESYST Research Programme Consortium, funded by the UK Department of International Development, “An experimental investigation of the impact of individual payment mechanisms on clinicians’ behaviour” (£63,730)	2012-13
PI, Early Career Fellowship in Health Economics, Joint Fellowship of the Medical Research Council and the Economic and Social Research Council, “Investigating the role of social preferences in health providers’ decision in South Africa” (£188,573)	2010-12
PI, The Alliance for Health Policy and Systems Research, “Designing a Discrete Choice Experiment for career choices of health workers in Peru” (USD 7,612)	2010

PI, World Health Organisation, "Background paper to the First Symposium on Health System Research" (USD 25,746)	2010
co-PI, Economic and Social Research Council Small Grant, "An experimental investigation of social preferences, their determinants and their role in the labour supply function" (£93,536)	2008-10
co-PI, Project funding from the CREHS Research Programme Consortium, a DfID-funded Research Programme Consortium, "Health workers' preferences and policy interventions to improve retention in rural areas in Kenya, South Africa and Thailand" (£230,062)	2008-10
co-I, Department for International Development UK, "Impact and policy analysis of the removal of user fees in Zambia" (£510,982)	2007-10

WORKING PAPERS

Effects of incentive framing on performance and effort in a multi-tasking setting: Evidence from a medically-framed experiment (with D. Blaauw, *R&R Journal of the Economic Science Association*)

Is low quality healthcare due to poor consultation skills? Experimental evidence from Senegal (with R Kovacs)

Can financial and prosocial incentives reduce over-treatment? Evidence from South Africa (with Duane Blaauw)

More money for health or money for nothing? The effects of pay-for-performance on quality of care in Senegal (with Mohamadou Sall)

Better, but at what cost? An audit study of the performance of private and public healthcare providers in South Africa (with Duane Blaauw)

The effects of financial, peer and social incentives on provider behaviour: Evidence from a framed field experiment (with D. Blaauw)

The impact of financial incentives on provider performance: Evidence from a field experiment in Benin (with S. Burns)

WORK IN PROGRESS

The role of providers and habits in antibiotics over-prescription (with Duane Blaauw)

Unnecessary prescription of antibiotics: how bad is it? And what can be done to reduce it? (with Duane Blaauw)

Group incentives and the demand for preventive care (with Carlos Ruimallo-Herl)

Targeting and incentives for prevention (with Carlos Ruimallo-Herl)

Information, risk perception and policy preferences in a time of pandemic (with Carlos Ruimallo-Herl)

The impact of information on perceived risks, health and economic trade-offs, and policy preferences in Brazil and South Africa (with Nick Stacey, Irini Papanicolas and Loveday Penn-Kekanna)

The short and long-term effects of user fee removal in Zambia (with Aurelia Lepine)

The impact of free care on maternal and child health outcomes

III. PRESENTATIONS

i. Peer-Reviewed Conference Presentations

6th workshop on applied health economics and policy evaluation, IRDES-Paris Dauphine	June 2020
CSAE Conference, University of Oxford	March 2020
AEA-ASSA Meeting, San Diego (US)	Jan 2020
3rd Economics of the Health Workforce Conference, Basel	July 2019
12th World Congress on Health Economics, Basel, Switzerland	July 2019
8th Annual Conference of the American Society of Health Economists	June 2019
12th European Conference on Health Economics (EuHEA)	July 2018
Pre-Congress workshop on behavioural economics and provider incentives, 11th World Congress on Health Economics, Boston, USA	July 2017
International Health Policy Conference, LSE, London	Feb 2017
24th European Workshop on Econometrics and Health Economics, Paris	Sept 2015
10th World Congress on Health Economics, Dublin, Ireland	July 2015
2nd Economics of the Health workforce Conference, Sydney, Australia	July 2015
10th World Congress on Health Economics, Dublin, Ireland	July 2014
1st Workshop on Behavioral and Experimental Health Economics, Oslo, Norway	Jan 2014
9th World Congress on Health Economics, Sydney, Australia	July 2013
1st Economics of the Health workforce Conference, Sydney, Australia	July 2013
CSAE Conference, University of Oxford	March 2013
9th European Conference on Health Economics, Zurich, Switzerland	July 2012
Economic Science Association European Conference, Luxembourg	Sept 2011
Migration: Economic Change, Social Challenge, London, UK	March 2011
2nd Global Forum on Human Resources for Health, Bangkok, Thailand	Jan 2011
1st Global Symposium on Health Systems Research, Montreux, Switzerland	Nov 2010
8th European Conference on Health Economics, Helsinki, Finland	July 2010
7th World Congress on Health Economics, Beijing, China	July 2009
2nd Conjoint Analysis in Healthcare Conference, Delray Beach, USA	May 2009

ii. Invited Seminar and Workshop Presentations

Erasmus University	March 2020
SDI Conference, World Bank	June 2018
London Health Economics Group, London, UK	May 2018
Discrete Choice Experiment Workshop, Mind the Risk (<i>keynote</i>)	Feb 2017
CGD Europe, Sandwich seminar	Sept 2015
Department of Economics, City University, London	April 2013
Internal Health Economics Seminar, LSHTM	Dec 2012
Joint UCL-LSHTM Seminar in Health Economics	Dec 2012
Health Economics Research Centre seminar, University of Oxford	Dec 2012
Healthcare Management external seminar, Imperial College Business School	March 2012
Department of Economics, University of Bergen, Norway	Feb 2011
George Institute for International Health, Sydney, Australia	Jan 2011
Internal Health Economics Seminar, LSHTM	Nov 2010
EURIPA Rural Health Invitational Forum, Majorca, Spain	May 2010
London Health Economics Group, London, UK	May 2009
Symposium on incentives in health care, Swiss Tropical Institute, Basel	Nov 2008
Internal Health Economics Seminar, LSHTM	March 2007
European Satellite launch of the Cochrane EPOC Group, Oslo, Norway	Nov 2006

iii. Policy Dissemination Activities

National & local dissemination workshop and meetings, Johannesburg (SA)	Feb 2019
National dissemination workshop, Dakar (Senegal)	Feb 2018
Seminar on health workforce portfolio of research, DfID, London	April 2017
Seminar on Social Impact Bonds, Department of Health, London	April 2015
Seminar on Pay-for-Performance, Department of Health, London	April 2013
Conditional Cash Transfers to Improve Nutrition Outcomes, DfID Meeting, London	Jan 2011
Synthesis workshop on the Impact of User Fee Removal, London	Sept 2010
Launch of the WHO Global Recommendations and Joint Symposium on Rural Health, Johannesburg, South Africa	Sept 2010
Delivering Effective Care for All workshop, DfID Meeting, London	March 2010
Seminar on the Impact of User Fee Removal, DfID, London	Sept 2009
IDEA-Health Conference, Kohn Kaen, Thailand	Nov 2006

TEACHING

I. PROFESSIONAL QUALIFICATION IN TEACHING

Fellow of the Higher Education Academy

Postgraduate Certificate in Learning and Teaching (PGCILT), 2016 (Distinction)

II. COURSE ORGANISATION AND DESIGN

- 2018-2019** (HP428) Randomised evaluations of healthcare programmes: from design to implementation – new course
- 2017-2018** (HP422) Health Care Economic Evaluation – changed 3 seminars, changes formative assessment and increased feedback opportunities for students
(HP421) Economic Analysis of Health Policy in LMICs – complete redesign of course content (all lectures, seminar exercises with model answers)
- 2016-17** (SA4C4) Cost-effectiveness of health programmes – complete design of course content (lectures and seminars, incl. model answers)
(SA4M6) Economic Analysis of Health Policy – complete redesign of lectures and 3 seminars

III. INPUTS INTO INTERNAL TEACHING PROGRAMME

Lectures

Randomised Evaluations of Health Care Programmes (HP428) – since 2019

Economic Analysis of Health Policy in LMICs (HP421) – since 2017

Health Care Economic Evaluation (HP422) – (2017-2018)

Seminars

Randomised Evaluations of Health Care Programmes (HP428) – since 2019

Economic Analysis of Health Policy in LMICs (HP421) – since 2017

Health Care Economic Evaluation (HP422) – 2016-2018

Expert session for dissertations – (2018-)

IV. TUTORING

Undergraduate Student tutoring

2016-17 Tutor for one undergraduate student

Graduate Student tutoring

2019-20 Tutor for 17 MSc students

2018-19 Tutor for 15 MSc students

2017-18 Tutor for 16 MSc students

2016-17 Tutor for 8 MSc students

V. RESEARCH DEGREE STUDENTS

PhD Supervision

Current students (LSE)

- Nicholas Stacey, 2019 - (secondary supervisor)
- Iva Parvanova, 2019 - (primary supervisor)
- Arthika Sripathy, 2017- (primary supervisor)
- Mario Gyori, 2017- (secondary supervisor)

Current students (LSHTM)

- Rym Ghouma (primary supervisor), 2015- (on IoS)

Past PhD students

- Roxanne Kovacs (primary supervisor), 2016-2018, minor corrections
- Bertone MP (primary supervisor), 2012-16, minor corrections
- Mandeville K (secondary supervisor), 2010-2016 (IoS for 2 years), minor corrections
- Anselmi L (primary supervisor), 2011-2015, minor corrections
- Michaels C (secondary supervisor), 2010-2014, minor corrections

CITIZENSHIP

I. INTERNAL CITIZENSHIP

Departmental ethics champion (2020-)

Chair of the Sub-Board of exams, joint LSE-LSHTM MSc HPPF programme (2019-)

Co-Director for the MSc International Health Policy-Health Economics (2019-)

Deputy Head of Teaching (since Sept 2017)

Member of the LSE Research Committee (since Aug 2018)

LSE Health Deputy Director (since Jan 2017)

Co-Director of the PhD Programme (since Sept 2018)

Programme Director for the MSc International Health Policy (2016-2018)

II. EXTERNAL CITIZENSHIP

Technical Advisor board member

Member of the Technical Advisory Group of the Fleming Fund (since 2017)

Panel members for funding bodies

Panel member of the NIHR Global Health Research board

UK Chair for the MRC call on UK-Brazil Health Systems Research (2018)

Academic journal editorial board member

Advisory Editor (Health Economics), Social Science and Medicine (since 2018)

Section editor (Health Economics), Health Policy and Planning (since 2016)

Reviewer for academic journals

- Economics and social science journals:

Applied Economics, Health Economics, Journal of Economic and Behavioural Organisation, Journal of Health Economics, Journal of Development Studies, Journal of Human Resources, Social Science and Medicine, World Development.

- Medical, public health and health policy journals:

American Journal of Public Health, AIDS, BMC Health Services Research, Cochrane Collaboration, Health Affairs, Health Policy, Health Policy and Planning, Human Resources for Health, International Journal of Health Equity, JAMA, Journal for Quality in Health Care, Journal of Health Services Research

and Policy, Lancet, Medical Care, PLoS Medicine, PLoS One, Tropical Medicine and International Health, WHO Bulletin.

External reviewer for research proposal funding applications

- 3ie grant applications for systematic reviews (2010)
- Hong Kong Health and Medical Research Fund (2012, 2014)
- Ireland Health Research Board Fellowship application (2013)
- Responsive Call of the DfID-funded ReBUILD Consortium (2013)
- ESRC (2013, 2018)
- MRC (2017,2019)
- South African Medical Research Council (2013)
