

British Society for Population Studies 2025 Conference: Programme

Tuesday 2 September							
11.00	Conference registration opens.						
12.00 - 1.30pm	Lunch.						
1.30 - 3.00pm	Relationships, social care, and health	Families & households: Assortative mating and union trajectories	Integration of immigrants and their descendants over the life course - Mobility, education and employment	Diverse approaches to health and mortality	Violence & abuse 1	Standards for Official Statistics on Climate and Health Interactions (SOSCHI)	
3.00 - 3.30pm	Break. Refreshments.						
3.30 - 4.30pm	PLENARY 1 –						
4.30 - 4.45pm	Short break						
4.45 - 6.15pm	Life course influences on health	Families & households: Care provision and policy interventions	Fertility disparities	Ethnicity 1	Maternal health and mortality	Longitudinal census data – research using the newly linked 2021/2022 Census data 1	Changing neighbourhoods, residential segregation and spatial inequalities 1
6.15 – 6.30pm	Short break						
6.30 - 8.00pm	Poster session & drinks reception – All Conference participants welcome.						
7.30pm onwards	Dinner (pre booked – if you booked Tuesday night accommodation, you booked dinner).						

Wednesday 3 September							
7.30 – 9.00am	Breakfast (pre booked with overnight accommodation).						
9.00 - 10.30am	Developments in official population statistics 1	Early determinants of fertility	Work, morbidity and mortality	Disability in LMICs: Measurement, challenges and opportunities	Integration of immigrants and their descendants over the life course - Aspects of family formation	Integrating sexuality research into population studies: A practical workshop on measurement, ethics, and implementation	
10.30 - 11.00am	Break. Refreshments.						
11.00 - 12.00pm	Early Career Plenary – to be announced						
12.00 – 1pm	Lunch.						
1pm-2.30	Data 1 - innovative data and methods for population science	Migration	Gendered time use: Inequalities in domestic work, care, paid work, and leisure	Demographic statistics and analysis that serve the public good: examples of population and migration statistics and their cross-government uses	Fertility: trends and determinants	Families & households: Child outcomes	Longitudinal census data – research using the newly linked 2021/2022 Census data 2
2.30 – 2.45pm	Short break						
2.45 – 4.15pm	Health inequalities in later life	Reproductive outcomes: measurement and inequalities	Health & migration	Ethnicity 2	Longitudinal census data – research using the newly linked 2021/2022 Census data – training workshop	What is the future of critical demography research? Panel + discussion	

4.15 – 4.30 pm	Break. Refreshments.						
4.30 – 5.30pm	PLENARY 2						
5.30 – 5.45pm	Break.						
5.45- 7.15pm	Data 2 - innovative data and methods for population science	Working with migrant communities: Strategies for inclusive research workshop	Climate change and pollution	UK-wide population and migration statistics development	Innovations in formal and mathematical demography	Queer demography	
7.30pm	Dinner (pre booked – if you booked Wednesday night accommodation, you booked dinner)						
8.00pm	BSPS pub quiz ! Nitzan Peri-Rotem and Parth Pandya						
Thursday 4 September							
7.30 – 9.00am	Breakfast (pre booked with overnight accommodation).						
9.00 – 11.00	Historical demography	Critical demography and novel methodological approaches	Developments in official population statistics 2	Intergenerational and kin relationships	Systems, nowcasting, and statistical demography	Changing neighbourhoods, residential segregation and spatial inequalities 2	Small area population estimation for urban analytics workshop
11.00 – 11.30	Break. Refreshments.						
11.30 - 12.30pm	Demography of health in conflict and crisis	Public concern about low fertility: the 1920s and the 2020s	Tracing the impacts of early life adversity across the lifecourse: Brain, behaviour, and beyond	Priorities for research on the children of immigrants panel + discussion	Gender Ideologies: Formation, consequences, and evolution	Intimate partner violence / Violence & abuse 2	Data to dialogue workshop: creative approaches to community research
