HOW TO FILL IN THIS PART OF THE SURVEY

- Please **read each question carefully** and take your time to answer.
- Answer simply **by putting a tick** in the boxes next to the answers you want to give.
- PAPER ONLY: You may not need to answer all of the questions. Instructions in **"WORDS WRITTEN IN BOLD LIKE THIS"** are instructions to tell you which questions to answer.
- Please **make sure you read all the bits written in grey boxes**, these are really important in helping you to understand the questions.
- If you see **a question that you can't answer** or don't want to answer, just tick "don't know" or "prefer not to say" and go to the next question.
- Just **ask the interviewer** if you have any questions as you fill in the survey, however small.

This survey is all about you so it is really important that you are as honest as possible. Please don't worry about other people you know seeing your answers – that won't happen.
