

# Welcome to LSE

## Welcome {!Contact.FirstName}!

Congratulations and welcome to the LSE community! We're delighted that you'll be joining us to study in September. We have put together the following information to help you prepare for life and study at the School.

### Welcome website

Our [Welcome site](#) is live! This covers a range of topics including a Guide to Welcome, Your Studies, Your City and includes valuable tips and insights from our current students. Make sure you check out the site on a regular basis as we will be updating the student articles between now and Welcome which runs from 20 September. Also, remember to check out your [Offer Guide](#) which contains checklists and things to do in the first few weeks of term.

### Pre-enrolment online

You should [pre-enrol online](#) using the LSE pre-enrolment portal in mid-August. Look out for an LSE email in the coming days, which will give you instructions on what to do next.

Pre-enrolling online will also allow you to set up your LSE network account to access the [Student Hub](#).

### Student Hub

The [Student Hub](#) app brings together everything that LSE has to offer to make your experience at LSE the best it can be.

Available on the [App Store](#), [Google Play](#) and as a [web app](#).

### Pre-arrival course

Once you [complete online pre-enrolment](#) and set up your LSE IT account, you'll be able to access **Prepare to learn at LSE** to help you get off to a good start and make the most of what LSE has to offer.

You'll discover:

- what it's like to learn at LSE - and at university in the UK,
- the skills you'll develop for your everyday academic work - including reading and writing academic texts and managing your time,
- where you can find help during your entire time at LSE (and beyond!) and some of the tools you'll need to get started,
- questions and ideas to reflect on your goals, ideas, and aspirations.

## SVF and FUF reminder

Please remember to submit your [Financial Undertaking Form \(FUF\)](#) and [Student Verification Form \(SVF\)](#) if you have not already done so.

These forms are compulsory and must be completed prior to enrolment.

## Plans for the 2021/22 academic year

We expect all LSE students to be in London and studying on campus for the start of the new academic year. Check out our plans for teaching and learning and keeping our community safe on our [COVID FAQs for students page](#).
